CHURCH RECORD

INTRODUCTION

The importance of care in keeping the Records of each Church cannot be overestimated. Too often a complete list of members cannot be obtained at any time. Carelessness or ignorance often brings trouble. To assist in giving each Church a Complete Record of its life, at once simple and comprehensive, is the object proposed by this new Record. The facts desired, when once prepared for the existing membership, can be readily obtained as new members are received.

The Pastor should always see that his Church has this Record, and that it is carefully kept. When members are received, baptized, married, or withdrawn, the needed facts should be noted and entered at once. Church Records will be more valuable, and Church Statistics more correct when such a system as this is adopted.

The Record will be found to include the following important divisions:

I. Historical Record.

II. Alphabetical List of Members.

III. Record of Members in Order of Admission.

IV. Minutes of the Official Board.

INSTRUCTIONS

1. This is not a Circuit Book, but for each Appointment or Station independently.

2. It is not a Class-Leader's Book, subject to *revision*, *marking*, and rewriting. It is simply a record of the leading facts in the life of the members of this society, in which the church is interested. The columns are to be filled out as facts warrant, but the records are never to be erased. The Class-Leader's Book is a book for his individual use, containing a list of the *active members* of the Church (those who reside within reach and attend), and is subject to revision and rewriting each year.

3. The Historical Record should contain the date and circumstances of the organization of the Church; a copy of the articles of incorporation; from whom the deed was received; the cost of the property, etc.; important items of history from time to time should be entered *very briefly* by the Pastor at the close of each year. This part may prove to be very valuable in many ways.

4. The Membership Record and Index are to be filled out by the Pastor or Statistical Secretary (if the Church have one) at any time during the year whenever there is an accession, withdrawal, expulsion, death, marriage, or baptism in the membership.

5. Enter each name under its letter in the order of joining, placing the surname first, and numbering the names consecutively. This gives the Permanent Record. In the Index place the name under its proper letter and give it the number corresponding to the body of the Record.

6. In every case, if possible, give exact dates,—day, month, and year.

7. In answering the question: "Received,—how?" there are four possible answers, namely:

a) On Profession of Faith.

b) On Transfer. (Coming from another society of our Church.)

c) On Letter or Certificate of Dismission. (Coming from another Church.)

d) As Seekers.

Write in case of Transfer: "On Transfer from———," naming the society from which he came. Or, in case of Letter, write: "On Letter from———," naming the church from which he comes.

8. There are seven possible answers for "Membership ceased,—how?"

a) By Expulsion. (Those who under trial and upon evidence are found unworthy the fellowship of Christians and are voted out by the society.)

b) By Withdrawal. (Those who cannot get an honorable dismissal, but who request and, by a vote of the society, are permitted to withdraw therefrom.)

c) By Irregular withdrawal. (Those who without a Letter of Dismission or permission of withdrawal join another Church.)

d) By Transfer. (Those who take a Transfer to another society of the Church.)

e) By Letter. (Those who take a Letter of Dismissal from the society and the Church.)

f) By Being Dropped. (Only persons who have ceased to manifest a desire for salvation, and then only after personal labor by the pastor or leader for their conversion.)

g) By Removal. (This word should be written with pencil, so that if the person returns, the name may be restored without defacing the book.)

9. The Minutes of the Official Board should be kept in the part of this book provided for them. In this way a complete history of the congregation can be kept in convenient form for reference. The Minutes of the Quarterly Conference, even of a Station, should be kept in the special book provided for them.

Dr. George W. Parrott Given Birthday Party

On last Sunday evening, Dr. George W. Parrott, was tendered a birthday dinner party at Return Resort Motel by the Misses Mae and Lillian Lindsay, who reside just east of the motel. The occasion combined the 85th birthday of Dr. Parrott and also the birthday of the Lindsay twin sisters.

The buffet dinner, tastefully served by Return Resort Motel, was enjoyed by about 50 people, including Elder Richard Harris, the Rev. Reid Digges, the Rev. Lewis O. Dasher, New Market's Mayor Richard O'Roark, Ralph Bingham and others. A very large birthday cake featured the dinner service.

The group enjoyed singing some old fashioned songs in honor of Dr. Parrott, topped off with "Let Me Call You Sweetheart" by the Floradora Girls—Mrs. Evelyn Kerlin, Mrs. Raymond Whetzel and Miss Lillian (Tiger) Lindsay, accompanied by Miss Mae Lindsay.

Dr. Parrott, who combined his 85th birthday with his retirement from the practice of medicine in the New Market area, was honored by a community dinner at Southern Kitchen on Monday, May 23, which was attended by more than 150 people.
