Syntax for Jem

It has been years since I've seen you
And you greet me like an old friend
You ask me how I am as I look in awe
I remember all those wild nights past
And desire one hour alone with you
Just give me one hour alone

You have many questions to ask me
But I don't hear a single one
As your body goes through my mind
I remember all those wild nights past
And desire one hour alone with you
Just give me one hour alone

How's the husband and the folks back home?
But I could only think of your sweet lips
As you kept time in conversation
I remember all those wild nights past
And desire one hour alone with you
Just give me one hour alone

Well, I got to be going, bye, bye
Maybe I'll see you again sometime
I was still lost in lust as you left me
Remembering all those wild nights past
Desiring one hour alone with you
Just one hour to relive the past
