Temporal

Is it
a sum thing
adding the steps to climb
the great mountain?

Or could it be
a difference
between a bristle cone pine
and God?

Some claim for a fact
it divides
the minds of old men,
and multiplies
their fear.

Albert (that trapped genius)
says it changes speed,
but I maintain
it moves on
without heed,
knocking down
all obstacles.
Its long tentacles
grab,
grab every thing in sight,
squeezing,
squeezing tight,
tighter as one lives in its realm,
until it
strangles.
