psychologist. Her current research interests include a major national and international study on employee management practices and organisational change in small and medium-sized enterprises, and a large international study on downsizing and restructuring. Retha has published numerous articles and book chapters on organisational change, employee management practices and organisational restructuring in Australia and overseas. She has taught management and organisational behaviour courses in Australia and overseas, and is still actively involved as a management consultant in Australian organisations.

John R. Schermerhorn Jr

John Schermerhorn Jr, PhD, MBA (distinction), BS, is a professor of management in the College of Business at Ohio University, where he teaches both undergraduate and graduate courses in management. He is committed to instructional excellence and curriculum innovation, and is working extensively with technology use in the classroom. John has taught in Hong Kong, Malaysia, Thailand and Japan, and his international experience adds a unique global dimension to his textbooks and teaching. He is a member of the Academy of Management, and has published numerous articles in the *Academy of Management Journal*, *Academy of Management Review*, *Academy of Management Executive*, *Organizational Dynamics*, *Asia-Pacific Journal of Management*, the *Journal of Management Development*, and the *Journal of Management Education*. He is the author of the US edition of this textbook (*Management*, now in its 9th edition) and of *Exploring Management in Modules and Core Concepts of Management*. He is senior co-author of *Managing Organizational Behaviour*, 9th edition, and *Core Concepts of Organizational Behaviour*, also published by John Wiley & Sons.

ABOUT THE CONTRIBUTORS

Eng Sieng Ang worked for a number of years in private enterprise before joining HELP University College. She is now a senior lecturer and has been involved in teaching organisational behaviour, management, developing human resource management, strategic human resource management and managing change, as well as specialist teaching at MBA level.

Bobbie Chan is an assistant professor in management at the School of Business and Administration, The Open University of Hong Kong. Her main research areas include cross-cultural management, group processes and leadership, and pedagogical issues in distance education.

Wee-Liang Tan is associate professor of management at the Lee Kong Chian School of Management, Singapore Management University. His research interests are in entrepreneurial management, family businesses, international cooperation and corporate governance. He serves as an International Council member of the Institute of Chartered Secretaries and Administrators, and is managing editor of the *Journal of Enterprising Culture*. He has published numerous articles. He coordinated the contributions of a number of Singapore Management University academics to this textbook, according to their area of expertise, as follows: Practice Associate Professor Thin Yin Leong, Practice Associate Professor Raj Komaran, Practice Associate Professor Gilbert Tan, Practice Professor Eng Fong Pang and Practice Associate Professor Siow Heng Ong.
