

# 219<sup>th</sup> ECS Meeting

## Abstract Submission System

published by The Electrochemical Society

[about the 219th ECS Meeting](#)[author instructions](#)[contact ECS meetings office](#)[return to main page](#) [suggestions](#) [help?](#) [log out](#)

### Submit abstract - Step #4 of 4 (Approve Abstract Files):

As part of the author approval process, please:

- Review the files by clicking on the PDF, image, and video links (if available).
- Replace any incorrect files via the "Replace" Link below the files.
- Delete any unnecessary files via the "Delete" Link below the files.
- Approve the remaining files via the "Approve Converted Files" link.
- You may logout while files are being converted.

---
