Grafico 10: Tassi di Disoccupazione per adulti e giovani (media, 2006-2010)

Source: ILO, Department of Statistics

This graph compares adult (i.e., people aged 25+) versus youth (i.e., people aged 15 to 24) rates of unemployment. It also displays the total rate of unemployment. In many countries, youth unemployment rates are several times higher than the rates for adult population.
