July 25, 1994

Dear Senator:

We, the members of the American Theatre Critics Association, representing theater critics throughout the United States, urge members of Congress to recognize the value of the enriching programs the national Endowment for the Arts helps to support.

We vehemently oppose any cuts in the Endowment's budget and therefore support the Pell-Jeffords Amendment and other efforts to maintain current NEA funding levels.

Cordially,

**Marianne Evett**  
Chairman
