Jefferson Digital Commons Quarterly Report: **July-September 2017**

The JDC continues to grow and currently contains:

- 12,973 assets
- 3,362,075 downloads
- With over 500,000 million downloads in the past year

This quarter 259 new assets were added to the JDC. Most downloaded asset (69) added this quarter is:

[Addressing Barriers to Breast Cancer Screening: Where to Intervene to Increase Mammogram Completion Rates](#)

Below are assorted highlights of assets added over the past quarter along with [What People are Saying](#) about the Jefferson Digital Commons to end the report.

Articles:

- [Chromatin proteins and RNA are associated with DNA during all phases of mitosis](#)
- [Corrosion and Tribology of Materials Used in a Novel Reverse Hip Replacement](#)
- [DACH1 suppresses breast cancer as a negative regulator of CD44](#)
- [Disseminated Nocardia cyriacigeorgia causing pancreatitis in a haploidentical stem cell transplant recipient](#)
- [\$\Delta\$ FosB Regulates Gene Expression and Cognitive Dysfunction in a Mouse Model of Alzheimer's Disease](#)
- [The effects of C5-substituted 2,4-diaminoquinazolines on selected transcript expression in spinal muscular atrophy cells](#)
- [Evaluating the Relationship Between Participation in Student-Run Free Clinics and Changes in Empathy in Medical Students](#)
- [Lack of evidence for involvement of TonEBP and hyperosmotic stimulus in induction of autophagy in the nucleus pulposus](#)
- [New interleukin-15 superagonist \(IL-15SA\) significantly enhances graft-versus-tumor activity](#)

Assets:

- 1st Annual Digital Teaching Inventory Initiative

Confronting Racism, Bias, and Social Injustice in Healthcare: A Lecture Series

- Black Man in a White Coat - A Doctor's Reflection on Race and Medicine

CREATE DAY (Occupational Therapy Capstone presentations)

- Restoring Roles: Improving Participation in Meaningful Life Roles Following Cord Injury
- Oh the Places You'll Go: Assessing the Effectiveness of Community Interventions for Adults with Physical Disabilities
- Building the Foundation: Community Integration through Life Skills Interventions for Individuals Experiencing Homelessness
- Substance Abuse Recovery: What are you Coping For?
- Occupational Therapy's Role in Reducing Length of Stay in Inpatient Care
- Use of Robotics to Improve Upper Extremity Function in Adults with Neurological Conditions
- Brain Play: Identifying Diverse Interventions to Improve the Ability to Participate in Play Among Children with Brain Injuries
- Lines and Tubes and Barriers, Oh My!: A Systematic Review of Occupational Therapy's Role in ADL Participation for the Hospitalized Child
- Let's Make Moves: An Exploration of Occupational Therapy Interventions for Sedentary Workers
- You Can't Spell Obesity Without O and T: Occupational Therapy in the Treatment of Childhood Obesity
- Aging in Place and Dignity and Grace: A Systematic Review of Interventions for Instrumental ADL independence among Community-Dwelling Older Adults

Grand Rounds:

- Randomized Controlled Trials in Surgery: History, Utility and Examples
- Rwanda Primary Care Enrichment Project
- Jefferson Family and Community Medicine Vaccine Update 2017
- Teaching Residents to Teach: Evidence-Based Approaches to Feedback
- Suboxone Basics

- Teaching Residents to Teach: Effective Lecturing
- Integration of Medication Abortion into Primary Care Practice and Teaching: An Intersection of Patient Care, Reproductive Justice and Advocacy
- No Time To Care
- Eating Disorders: Diagnosis and Treatment in Primary Care
- Chronic Pain Management in Primary Care
- Aerobic or Resistance Exercise, or Both, in Dieting Obese Older Adults
- Tales from the wards: stalking blood diseases as a pediatric physician scientist (Allan J. Erslev Lecture)
- Complex Perianal and Perineal Fistulas: A Look at the Past, Present, and Future
- Pink PLUS
- Abnormal hepatic function panel: when do we care?
- Providing Developmentally Appropriate Care to Children and Adolescents
- How does unconscious bias affect your work? How does it affect your life?
- Evaluation of the Older Adult Driver

What People are Saying About the JDC:

Name: Kim Broadnax

Country: US

Resource URL: <http://jdc.jefferson.edu/hplectures/53/#IDComment1045885776>

Comments: It is impressive to be able to see young people convene in a manner such as what was provided through the opportunity of involvement with Next City. The fact that they were able to work towards a common goal and achieve a status that included a monetary gift to assist a deprived community is awesome! I am excited that my daughter was able to be a part of this experience!

Name: Javier Casillas MD

Country: MX (Mexico)

Role: researcher

Resource URL: <http://jdc.jefferson.edu/pacbf/121/>

Comments: I am very grateful for the opportunity to access this type of useful work to expand my knowledge in stem cells and their sustained clinical application

Country: US

Role: researcher

Resource URL: "Catalogue of the Faculty and Students of Jefferson Medical College of Philadelphia, for the Session 1845-6 with a List of the Graduates of March, 1845" (1845).Jefferson Medical College Catalogs.Paper 69.

http://jdc.jefferson.edu/jmc_catalogs/69/

Comments: I used this resource while doing family genealogy. Thank you! I found my relative.

Name: Sylvia Syracuse

Country: US

Role: Independent Researcher

Resource URL: http://jdc.jefferson.edu/alumni_bulletin/93/

Comments: Thank you for posting the commencement program of 1923, my father's year. His name was Victor Royce Syracuse. He is mentioned in this Alumni Bulletin of 1960 as well.

Name: Suzanne Glover Lindsay

Country: US

Role: researcher

Resource URL: <http://jdc.jefferson.edu/cgi/viewcontent.cgi?article=1049&context=wagner2>

Comments: I am pursuing material on the history of the relations between Jefferson and St. Stephen's Episcopal Church just north of Main Building (the inaugural Ely Building), beginning with the early years for both. I am Consulting Art Historian and Archivist for the church.

Country: US

Role: Banker in Healthcare

Resource URL: <http://jdc.jefferson.edu/hpforum/113/>

Comments: I attended the forum. Thank you for bringing in one of the most qualified persons to speak on this topic. It appears that he is a pioneer in the field. His presentation was straight forward, clear and funny. I gave me a great assessment of what HIT encompasses, where we stand in its development and its potential.

Country: US

Role: faculty
