

1 **Supplementary Table S1** Multilocus microsatellite marker genotypes of *Metarhizium* isolates
 2 obtained from cadavers and substrate samples. Fragment sizes in base pairs are shown for
 3 the 12 markers (Enkerli et al. 2005, Oulevey et al. 2009). The FCBK production strain,
 4 *Metarhizium brunneum* ART2825, is designated as genotype A.
