Being Aware

Kenneth Le Clair

Morning rays glisten
In drops of dew.
Tranquility when I listen
To the colors coming through.

Prism of light, breaks
The darkness of night.
Reflection of peace and
All that is right.

Inhale creation,
Become alive within.
Reaching elation
While tasting the wind.

Seeing the songs
Float along the breeze.
Flowing from the creatures
Gliding with ease.

Up, Up, and away
My spirit fills the day.
Bathing in the bliss
From abiding to the way.

Preserving each moment
With tenderness, care.
Knowing thy beauty is
In being aware.
