swabs its wounds  
with a traffic light.

ONE THEORY

An ironing board  
is just a surf board  
that's become  
a conservative.

THE MASTERS

Rust and moss  
inhabit the quiet places,  
give their signature  
to the loneliness.

HOW I LIVE

have chinese  
& vodka  
time to time,  
if I get deathly ill  
have access to a  
hospital

THE HILL

when i drink & smoke too much  
can't bike up it quick as i used to yet  
there's no other way  
to take some of these nights  
still w/out a woman i try to keep looking  
reasonably fit but sometimes  
drink & smokes become that woman  
i'll get a fat ass & bad heart  
if i don't watch it,  
be ruled 'out' in the game of social darwin-
