## Erratum

Upon publication of the original article [1], it was noticed that Dr Papanicolaou's surname was spelt incorrectly. The correct spelling is "Papanicolaou", as shown in the author list of this erratum.

## Author details

<sup>1</sup>CSIRO Black Mountain, GPO Box 1700, Canberra, ACT 2600, Australia. <sup>2</sup>School of Biological Sciences, University of Melbourne, Parkville, Vic, Australia. <sup>3</sup>Research School of Biology, Australian National University, Canberra, ACT, Australia. <sup>4</sup>Hawkesbury Institute for the Environment, Western Sydney University, Penrith, NSW, Australia. <sup>5</sup>Southern Insect Management Research Unit, USDA-ARS, Stoneville, MS, USA. <sup>6</sup>Human Genome Sequencing Center, Baylor College of Medicine, Houston, TX, USA. <sup>7</sup>Biological and Environmental Sciences, University of Stirling, Stirling, UK. <sup>8</sup>School of Biological Sciences, University of Queensland, Brisbane St Lucia, QLD, Australia. <sup>9</sup>John Curtin School of Medical Research, Australian National University, Canberra, ACT, Australia. <sup>10</sup>Max Planck Institute of Chemical Ecology, Jena, Germany. <sup>11</sup>Sorbonne Universités, UPMC Université Paris 06, Institute of Ecology and Environmental Sciences of Paris, Paris, France. <sup>12</sup>National Institute for Agricultural Research (INRA), Institute of Ecology and Environmental Sciences of Paris, Versailles, France. <sup>13</sup>Plant and Food Research, Mt Albert, Auckland, New Zealand. <sup>14</sup>CSIRO, Narrabri, NSW, Australia. <sup>15</sup>State Key Laboratory of Integrated Management of Pest Insects and Rodents, Institute of Zoology, Chinese Academy of Sciences, Beijing 100101, China. <sup>16</sup>College of Plant Protection, Nanjing Agricultural University, Nanjing, Jiangsu, China. <sup>17</sup>Max Planck Institute for Biophysical Chemistry, Göttingen, Germany. <sup>18</sup>Institute of

Plant Physiology and Ecology, Shanghai Institutes of Biological Sciences, Chinese Academy of Sciences, Shanghai, China. <sup>19</sup>Key Laboratory of Forest Disaster Warning and Control of Yunnan Province, Southwest Forestry University, Kunming 650224, China. <sup>20</sup>J. Craig Venter Institute, Rockville, MD, USA. <sup>21</sup>School of Veterinary and Life Sciences, Murdoch University, Perth, WA, Australia. <sup>22</sup>Chongqing Key Laboratory of Biochemistry and Molecular Pharmacology, Chongqing Medical University, Chongqing 400016, China. <sup>23</sup>CSIRO, Floreat Park, WA, Australia. <sup>24</sup>Department of Plant and Environmental Sciences, University of Copenhagen, Thorvaldsensvej, Denmark.
