(Received 4 July 2007; published online 13 August 2007)

[DOI: [10.1063/1.2771500](https://doi.org/10.1063/1.2771500)]

This article was originally published online and in print with a typographical error in the first sentence of the third paragraph before the acknowledgements, as follows: "larger nanoparticles, e.g. np<sub>424</sub>" should have appeared as "larger nanoparticles, e.g., np<sub>924</sub>." AIP apologizes for this error. All online versions of the article have been corrected.
