RISØ NATIONAL LABORATORY

LIST OF SELECTED PUBLICATIONS 1978

Abstract. The list comprises a selection of scientific and technical publications of Risø National Laboratory and its staff during 1978. Journal articles, conference papers, and reports are included. The publications are arranged in the following broad subject categories: Reactor Safety Technology, The Nuclear Fuel Cycle, Environmental and General Safety Research, Materials Research, Radiation Technology, Agricultural Research, Non-Nuclear Energy Research, General.

Risø National Laboratory, DK 4000 Roskilde, Denmark

<p>pages + tables + illustrations</p>	
<p>Abstract</p> <p>The list comprises a selection of scientific and technical publications of Risø National Laboratory and its staff during 1978. Journal articles, conference papers, and reports are included. The publications are arranged in the following broad subject categories: Reactor Safety Technology, The Nuclear Fuel Cycle, Environmental and General Safety Research, Materials Research, Radiation Technology, Agricultural Research, Non-Nuclear Energy Research, General.</p> <p>Available on request from Risø Library, Risø National Laboratory (Risø Bibliotek), Forsøgsanlæg Risø), DK-4000 Roskilde, Denmark Telephone: (03) 37 12 12, ext. 2262.
