Erratum

Terahertz spectroscopy and imaging – Modern techniques and applications

[Laser Photonics Rev. 5, No. 1, 124–166 (2011)]

Peter Uhd Jepsen^{1,*}, David G. Cooke¹, and Martin Koch²

Received: 4 June 2010, **Revised:** 24 August 2010, **Accepted:** 31 August 2010

Published online: 5 October 2010, DOI 10.1002/lpor.201000011

Erratum published online: May 2012, DOI 10.1002/lpor.201200505

It has been brought to our attention that, due to an unfortunate typing error, in the review by P. U. Jepsen et al. (DOI 10.1002/lpor.201000011), equation 41 on page 141 is wrong.

The equation currently reads:

$$\sigma_1(\omega, t_p) = \frac{n+1}{Z_0 d} \frac{1}{|T|} [\cos \varphi + 1]$$

The correct equation 41 is:

$$\sigma_1(\omega, t_p) = \frac{n+1}{Z_0 d} \left(\frac{1}{|T|} \cos \varphi - 1 \right)$$

The publisher apologizes for any confusion caused.
