

Woodcock

Member Consulted Settlers

A meeting of the Farmers' Institute was held in the schoolhouse on Thursday afternoon, April 2. After a short business session, the members were addressed by Dr. H. C. Wrinch, M.L.A. Among matters discussed was the urgent need of a road from Woodcock to Kitwanga. Members from the latter place are compelled to walk over half the way to attend the meetings here, while five settlers in our own district are opening up new land and would greatly benefit by the proposed road. The meeting was well attended, and all those present expressed the desire that the road be built. A dance took place in the evening and was considered by all a decided success.

In a recent issue we reported that H. F. Doll had purchased some land from Geo. Hartley. The purchase was made by Mrs. F. H. Doll.

W. C. Little recently spent a few days in Prince Rupert.

H. Brennan is visiting in Rupert.

A number of Woodcock folks enjoyed a dance in the schoolhouse Saturday night.

T. W. Baker, of Usk, spent the week-end with friends here.

Ed. Brennan left for Vancouver last Sunday night.

C. Buchan had the misfortune to cut his left foot and was taken to Hazelton for hospital treatment.

Mrs. Paullis was a guest of Mrs. J. Borsuk on the 3rd.

Mr. and Mrs. Leach and son are leaving this week for a trip to Edmonton.

W. Brand has been building a hog run and is entering the hog business as a means of using his surplus milk. Bill is looking forward to the establishment of the elevator and the creamery at Rupert so that he will have his hog run in time.

Capt. L. Clive, of Kitwanga, attended Dr. Wrinch's meeting here last week.

Ted Hodkins is busy hauling out his poles.

Police Inspector Parsons will be moving shortly to Victoria to make his headquarters.

An English Co. is negotiating for the purchase of the Premier mine at Stewart and if successful will amalgamate it with the B. C. Silver mines. Numerous millions are involved in the deal.

Francois Lake

A dance was held in the Tchesinkut Lake schoolhouse on Saturday, March 28, at which a good crowd was present. The music was all that could be desired. At midnight a delightful luncheon was served and Mrs. Connor gave a step dance which was greatly appreciated. Mr. Moore was also called upon to perform, and obliged with four varieties of step dance. Dancing was then resumed and continued to the wee hours of the morning.

The snow is rapidly disappearing, and mud is taking its place. If the latter stays all summer the farmers' need not fear grasshoppers, as it will be impossible for them to hop.

The camps up the lake have taken on a new lease of life, and on Thursday last eight sturdy tie-hackers went up to Unger's camp.

A. Atkinson and daughter, Miss Selma, have returned to the country after being absent for several years.

The F. R. Keefe sawmill is now running and M. McDonald, J. Stanyer and D. Diskoll are kept busy hauling lumber to the damaged bridge on the Burns Lake road.

Edwin Loveseth, of Danskin, was a recent visitor to Francois Lake.

It is reported that G. B. Robb is contemplating building a new store in Burns Lake, to replace the one recently destroyed by fire. We hope this is true, as a hardware store is a very necessary thing in the country.

Mrs. J. H. Keefe, accompanied by her daughters, is visiting her sister, Mrs. A. A. Connon, in Hazelton.

Mrs. MacKay will have on display at Mrs. Sawle's home a fine line of spring millinery and spring and summer dress goods, this coming week.

The Ladies' Aid met at Mrs. Johnson's home on Wednesday afternoon. The meeting day has been changed from Wednesdays to Thursdays. The ladies have also started to prepare for the bazaar next fall.

Amos Wells has been nursing a sore finger which he had crushed between a couple of ties.

School closed Thursday afternoon with a very successful social hour. Studies will resume on the 20th of April.

Maintenance work on the road from Hazelton has been started. There will be two government teams working this season and it is expected several more yards of gravel will be spread this season on the main road.

Usk

Skeena's Industrial Centre

Dan Mason, foreman of the Skeena ferries, arrived in town and is getting the ferry in shape for launching.

J. G. Bjornstad, president of the Skeena Lumber Co., left Usk for Minneapolis last week.

T. P. Scully, who was forced to make a trip to the Prince Rupert Hospital, is back again in very much improved health.

Gus Nyberg and Erling Willman are leaving this week for Trona group on Kleanza Creek, to commence development work for the owners, represented by Capt. J. Willman.

A pool-room licence has been granted to H. D. Gazanoff, in respect to the Webb-Taylor building, opposite Usk.

G. E. York, of Terrace, was a visitor in town on Monday. He expects to return here shortly to open up in business.

Mrs. G. W. Graves returned from her sojourn East, and is glad to be back again to sunshine and salubrious spring weather. When she arrived at Edmonton a short time since it was 40 below, a striking contrast to the 60 above in Usk at the time.

Milton Allison was in from the Usk group, one and a half miles east of town and on Bornite Mountain, where has been doing prospecting work and has built a splendid cabin and camp quarters. He stated that he had opened the vein at lower elevations and shown the mineral portion of the vein, four feet wide, and carrying fine-grained galena and grey copper, from which a high-grade shipping ore can be sorted.

James Brown came in on Tuesday from Legate Creek, and with him brought a sample of ore from his Regina Group, on Legate. The sample shows a fine grey copper carrying 286 ounces of silver to the ton. Among other samples from a weathered outcrop on a vein three feet wide, a recent discovery, native gold and silver could be plainly discerned nestling among the sulphide crystals of galena and copper. These discoveries with several other ores of the higher grade type are beginning to be recognized as existing in a well-defined mineral zone occupying the region between the Skeena and the interior plateau, and having a northwest and southeast trend. The Silver Basin lies within this area.

Several cars of piling and poles were loaded here this week.

Fred Peterson made a trip to Smithers the first of the week.

Easter services will be held in New Hazelton Sunday morning.

Mr. Dalrymple is one of the vice presidents of the C. N. R. and he is on a trip of inspection. Several other officials were with him.

Last week-end Mike George let up on pole cutting until the bush dries up some what. He has on the road 60,000 feet and another 30,000 feet cut in the bush which he hopes to get out before the final break-up of the roads. He will be able to haul all summer to the depot.

As soon as the Easter dance is over Albert Mercer says he is going to take some bacon and hard tack and hit for the jungles with his traps. He has been in the bush all winter cutting poles, but he says that life is too civilized. He intends to remain in the jungles until everyone get their garden's planted.

Gus Christianson, who has been working in Westerland's camp all winter, has sent to Sweden for his wife and son. They will be here in a few weeks and will live in New Hazelton.

The Community League has arranged for a children's party in the Northern Hotel for Thursday afternoon next from 3 to 5 o'clock and all children and their parents are invited.

Born to Mr. and Mrs. F. R. Purvis, of Prince George, B.C., on April 5, the most skookum boy ever produced in the North Country. Father, mother and son all doing well. Experts disagree as to whether son resembles Father or Mother, but all agree he has picked up the best features of both, and is a most wondrous sight to behold. Isn't it great to be a daddy!

Terrace

The many friends of H. S. Creelman were pleased to see him back in town after a few months' absence in the southern part of the province along the line of the C.N.R.

Geo. Powers, who has been occupying the basement part of the Richmond store, is moving his equipment into the Marchildon building, where he will carry on his bakery business in future. He is moving his family into more commodious quarters on "Hill Park", into the Smith house lately occupied by the Downey family.

Const. Eggleshaw had an offender against the Game Act in the toils last week. The apprehended person pleaded guilty to the charge, but as his offence was committed under extenuating circumstances he was allowed his liberty on suspended sentence after paying the costs of the court.

J. K. Gordon has been busy demolishing the old fence around his town garden and erecting a new one. This work greatly improves the appearance of that corner of the town.

Other visitors conspicuous in town during the week-end were Miss Dewar, of Dobies, O. E. Olson, of Remo, R. H. Eaton, of Lakelse Hatchery, and C. F. Minzinger, of Hanall.

T. D. Simops is back at his old job of driving the delivery truck for Kenney Bros. & Co.

Now that the snow has disappeared and the "hay-maker" is doing his best to disperse the chill of winter, people seem more inclined to move farther away from their firesides; consequently Terrace has been favored during the week with many visitors from all directions.

WEDDING BELLS

Minzinger-Thayer

A very quiet wedding was solemnized at the home of the bride's parents, Mr. and Mrs. John Dye, of Vanarsdol, on Saturday evening, April 4, when Mrs. Grace E. Thayer was united in marriage to Charles F. Minzinger, of Hanall, by the Rev. J. H. Young, of Terrace. Only the immediate relatives of the bride were in attendance. The groom was supported by Mr. Geo. Thain, of Prince Rupert, while the bridesmaid was Miss Rose Dye. After the ceremony the guests sat down to a sumptuous repast, after which all journeyed to the station, en route for Hanall, where the happy couple will reside. The good wishes of all acquaintances and friends accompany the young couple on their matrimonial career.

Lode-mining has only been in progress about 25 years, and not 20 per cent. of the Province has been even prospected; 300,000 square miles of unexplored mineral bearing lands are open for prospecting.

The mining laws of this Province are more liberal and the fees lower than any other province in the Dominion, or any Colony in the British Empire.

Mineral locations are granted to discoverers for nominal fees. Absolute titles are obtained by developing such properties, security of which is guaranteed by crown grants.

The Vancouver Daily Star's Picture Puzzle Fun Game

THREE OPPORTUNITIES TO WIN

\$500.00

Find the Most Objects in this Picture Starting with Letter "C"

Easy to solve. Try it. Without any trouble whatever you can readily see such objects as "Cow," "Child," "Chair," etc. Well, the others are just as easy to see, but the idea is who can find the most. Twenty-five big cash prizes will be given for the Twenty-five best lists of "C-Words" submitted in answer to this puzzle. The person sending in the largest and nearest correct list of names will be awarded first prize; second nearest correct list, second prize, etc. See how many you can find.

THE VANCOUVER DAILY STAR announces today a most interesting and amusing game. All can participate in this great fun game—from a school boy or girl to dad, mother, and even grandpa and grandma. It holds no preference to age. It is a test of your skill in ferreting out "C-Words" in the Puzzle Picture. It's a jim dandy puzzle game. We know you will enjoy it, for everyone loves a puzzle, and we venture to say you'll never have more fun. It costs nothing to take part. The "C-Words" Puzzle Game is a campaign to increase the popularity of The Vancouver Daily Star. It is not a subscription contest, and you do not have to send in a single subscription to win a prize. If your answer is awarded first prize by the judges, you will win \$25; but if you would like to win more than \$25 we are going to make the following special offer, whereby you can win bigger cash prizes.

The Peace Railway

President Beatty of the C.P.R. dropped a bomb into Premier King's camp when he suggested an annual bonus to the two great railways for handling the Peace River grain at a rate which will enable them to put their wheat on the market. The East is so unanimous against further construction works, especially in the West that the Premier's hoped-for campaign cry has been exploded. There will be no railway built into the Peace River for some little time. President Beatty knows more about the needs of that country than does the Premier, and Mr. Beatty apparently believes that the business of the Peace does not yet justify the expense of a new railway. So far as Northern British Columbia is concerned, a five-year delay in

building the Peace River line means that the Peace River Pass will be used and that the line will join the C.N.R. at or near New Hazelton.

A Gold Brick?

There is considerable doubt in the minds of most hotel men who have secured a beer license as to the value of such license. Some are even realizing that the license is a detriment and will result in financial loss. Beer is the only thing they may sell, and the kind of beer is decided for them. They can only sell what the liquor board says, and in the north the beer the liquor board is supplying is of a quality that will not lessen the consumption of hard liquor, but will very materially lessen the consumption of beer. The bootlegger may sell all kinds of

hard liquor and he may sell beer also. The bootlegger may have card games, pool tables, cigars, soft drinks, lunches, or any other thing to attract patronage, and he pays no license. The unfortunate who pays for the privilege of selling beer is held down by one article, and a poor one at that. He has no redress. He has, however, the privilege of paying good money into the provincial treasury for something that very closely resembles a gold brick. The people will continue to patronize the bootlegger because he sells the goods and not dictated to by single trade law-makers.

With the Peace River line exploded and the Peterson contract full of holes, Premier King has nothing to go to the count with, and most of his followers fear an election at this time.

YOU CAN WIN \$500.00

THERE ARE THREE \$500.00 PRIZES

HERE'S HOW: If your answer to the "C-Word" Picture Puzzle wins **FIRST, SECOND or THIRD Prize**, and you have sent in one yearly subscription to The Vancouver Daily Star at \$3.00 per year, you will receive \$500.00 instead of \$25.00; fourth prize \$75.00, etc. (See second column of figures in prize list).

Or, if your answer wins **FIRST, SECOND or THIRD Prize**, and you have sent in two yearly subscriptions to The Vancouver Daily Star (one new and one renewal or two new subscriptions), you will receive \$500.00 in place of \$25.00; fourth prize, \$150.00; etc. (See third column of figures in prize list).

How is that for a liberal offer? But **LOOK!** there are three \$500.00 prizes. Therefore if you stand **FIRST, SECOND or THIRD**, and have sent in two yearly subscriptions at \$3.00 each (one new and one renewal or two new), you will win \$500.00. It takes but two yearly subscriptions to qualify your answer for the big \$500.00 rewards. Absolutely, that is the maximum. You can do this with little effort. Your own subscription can count. We can also take subscriptions to start at any future date. Just mark on your order when you want the paper to start and we will not commence delivery until you say.

Word has been received in Terrace announcing the approaching marriage of Rev. Robert T. MacFarlane, now of Vancouver, to Ida Mary, daughter of Mr. and Mrs. William A. McLaren, of West Vancouver, on April 20, at West Vancouver United Church.

The Rev. MacFarlane made many friends during his stay in Terrace two years ago. Our best wishes are extended to them.

R. Cory and W. R. Charter, who have been engaged at the Lakelse Hatchery for the past winter, have returned to town and again taken up their residence at their respective ranches.

S. A. D. Davis, active in mining circles, and at present interested in the negotiation of the bond on the Emma group of claims at Usk, was a business visitor in town on Saturday.

Gave Minstrel Show

The people of Terrace were treated to a good evening's entertainment on Wednesday of last week, when the L.O.O.F. staged a minstrel show. About fifteen of the local Oddfellows, under the leadership of L. H. Kenney, entertained in Progress Hall, where the S.R.O. sign was brought into play. The program consisted of southern plantation songs, dances, choruses, instrumental duets and solos, jokes, etc. That the audience appreciated each number was evident by the hearty applause which followed the items. The following members comprised the troupe: Interlocutor, A. C. Fowler; End Men, H. King, Bert Swain, R. Donald (bones), E. T. and L. H. Kenney (tambourines); H. S. Warne (mouth organ); Guitar, W. R. Geo. McBean and Kenny Morrison were visitors to Smithers on Tuesday.

Chas. Buchan of Kitwanga was admitted to the Hazelton Hospital on Monday suffering from an axe cut on his foot.

Word from Telegraph Creek states that all the Dease Lake gold excitement is on the outside. So far Gold Pan Creek has produced nothing to warrant excitement. There is probably gold in the country, but the prospecting is still to be done. With hundreds of thousands of prospectors going over that country this coming season, any gold that is hidden will probably be found.

A son was born at the Hazelton Hospital on Wednesday, April 8th to Mr. and Mrs. Geo. Powers of Terrace.

Auxiliary Held Whist Drive

The members of the Women's Auxiliary to the Hazelton Hospital are highly pleased at the success of the whist drive and dance which they sponsored in the Hazelton schoolhouse last Friday evening. The first and second ladies' prizes for whist were won by Miss Roberta Anderson and Mrs. Jas. Turnbull, respectively. The men's honors fell to Walton H. Sharpe and S. J. Winsby. A sale of candy met with much success, and the receipts from this when added to those from admissions and from the raffling of a cushion netted over \$60, which will appreciably augment the funds of the Auxiliary. The cushion was won by Mrs. George Powers, of Terrace, with Ticket No. 15. A short dance ended a very enjoyable social evening.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 8,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price of first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partially free, permits are available for settlers, campers and travellers, up to head.
