No. 36

## Agar's Garage At Terrace was Burned Down

Agar's garage was a prey to the flames on Saturday morning about 3 o'clock and the building and contents are a total loss. The fire was discovered by William Christie who lives near by. An alarm was given and in a very short time a lot of volunteers were on hand. It was too late, however. The building was of light construction and the contents included a quantity of oil so that by the time the citizens arrived the fire was much too hot for any one to approach. Besides a shipment of new tires, some expensive machinery, tools, etc., a truck belonging to the owner of the garage and a car owned by H. Stout, were destroyed. Stout's car was in for repairs.

The flames made quite a sensation in that part of town and it was indeed fortunate that they did not spread to adjoining buildings which include Agar's home and a small store and then E. T. Kenney's building.

Some insurance was carried by Mr. Agar, but the loss will be heavy.

### AGREES WITH DR. TOLMIE

Hon. Dr. Tolmie will no doubt be glad to learn that at least one member of the opposition is heartily in accord with his program for the Great North road. In a speech at Terrace last week Dr. H. C. Wrinch told the Board of Trade that he was all for the Pacific-Yukon-Alaska road, providing it did not cost Brit. Columbia anything that would interfere with the regular road program. He said he was glad that Dr. Tolmie had assured the public that B. C. money was not to be used to the detriment of the provincial credit. Dr. Wrinch also stated that he wanted to see the road from Terrace to Prince Rupert built first.

### THE DISCUSSION CLUB

The discussion club will meet at the rectory on Feb. 16 when Dr. Mills will read a paper on Abnormal Psychology Papers already delivered and discussed were:—"The Idea of God," by Rev. H. T. Allen; "Economic Theories of Communion," Rev. E. McCarthy. The members are Dr. Mills, Rev. H. T. Allen, Rev. E. McCarthy, Messrs. E. Bowering, C. Michiel and R. Wallace. Meetings are held each month at the homes of the members.

### COMMITTEES FOR BOARD TRADE

The committees for the Board of Trade for Terrace for the ensuing season are as follows:—

Agriculture—N. Sherwood, V. Soule, J. Swann.

Civic Affairs—Rev. H. T. Allen, J. Swain, W. Oliver.

Economics—F. Nash, N. Sherwood.

Entertainment—R. W. Riley, W. A. Kirkpatrick, H. A. Swain.

Finance—G. Beveridge, O. T. Sundal, N. Sherwood.

Lumbering—Geo. Dover, J. K. Gordon, C. Pohle.

Membership—W. H. Burnett, G. Beveridge, H. M. Wilson.

Mining—T. Turner, F. Nash, Pete McMichol.

Publicity—H. Halliwell, W. Robinson, E. T. Kenney.

Public Works—E. T. Kenney, H. M. Wilson, J. Hepburn.

Reception—Rev. E. A. McCarthy, J. K. Gordon, G. Beveridge.

Railway—H. A. Swain, L. Martin, Rev. E. A. McCarthy.

Miss Ellison, R. N., Calgary, arrived Thursday morning to take a position at the hospital.

### BASKET BALL AT TERRACE

In a regular league game played on Saturday, Feb. 7 the high school defeated the Native Sons, 17 to 15 in overtime. The Dumbells defeated the Dubs in a semi-girls contest 13 to 9, while an intermediate girls' game between the Shooting Stars and the Northern Lights resulted in a win for the former of 20 to 12.

In the senior game the high school started without their star defense man Michiel who was out through injuries and with Johnstone on the forward line. Bowering replaced Johnstone late in the second period. At half time the score was 9 to 6 for the high school, but the Native Sons drew up and ahead chiefly through S. Smith who bagged a lot of long shots. A last minute rally tied the score at 15 all at full time and Bowering scored the only basket in overtime.

For the losers Smith played a good game, and Wallace and McLeod played well throughout for the high school. Native Sons—S. Smith 12, Kerr 3, J. Smith, Johnston, Graham—15. High school—Johnstone, McLeod, Bowering 8, Little 6, Kerr 2, Wallace—17.

### At Vanarsdol

The town team travelled to Vanarsdol Friday night and defeated the inter team 15 to 9 after a close game. McCulloch led the town with 9 points while Wats scored 4 for the losers.

Vanarsdol—R. Bolton, J. Watts 4, P. Mason, Burton 2, Kennedy 2. Town—McCulloch 9, Penney 2, Nelson 4, Thomas, Moore.

### DEFECTIVE FIRE HOSE RECEIVED

President J. K. Gordon presided at a meeting of the Terrace Commissioners on Monday and both the other commissioners were present also. A rate by-law fixing the local rate at 12 mills for 1931 was adopted, as was a by-law for securing a temporary loan. The principal item discussed was the matter of fire protection. A quantity of hose recently obtained had been found defective and the account for its payment was turned down.

It was decided to build a hose wagon and a small fire hall and to provide further equipment including a siren to be attached to the air pipe at Kenney's store.

The board further agreed to make a donation to the Fall Fair Association.

The Legislature opened at Victoria today with the usual ceremonies. The object of the government is to have a brief business session. It is understood that legislation is all ready to present to the house, including the budget. The opposition, however, is reported to be in good shape and propose to make the fight against the government and all its measures as rough and as long as possible. At that the government will have it all over the opposition.

The ice harvest is on. New Hazelton will get its supply locally, but the old town finds it more economical to get its ice from Lake Kathlyn. This is due to a lot of things.

A good number of Hazelton people are now suffering with the flu, and a number of cases of chicken pox are also reported.

The Felix Club entertained their bo' friends on Tuesday night at the home of Mrs. R. S. Sargent. Mr. and Mrs. Sharpe won the prizes. Next week the club will meet at Mrs. Falconer's.

The Hazelton Social Club held a business meeting Wednesday afternoon

### NO RAISE FOR CIVIL SERVANTS

Statutory increases in pay for members of Civil Service at Ottawa is to be suspended for the next year as part of the program of economy which the government proposes to carry out. While the matter has not been formally discussed by the cabinet it has been taken up with a number of ministers by private members. The civil servants received a special raise a few years ago to meet the increasing cost of living, living is down 20 per cent now and there is no need for the increase. The civil servants will no doubt protest.

### MINING FATALITY RATE IS 3.02 PER THOUSAND

Nearly 46 per cent of the total number of men killed in mines during 1930 was through fall of ground, states the annual report of mining accidents and fatalities issued recently.

The report shows a fatality rate of 3.02 per 1,000 men employed which is 0.02 per 1,000 lower than the average for the past 25 years. There were 117 non-fatal accidents per 1,000 men employed, which shows a decrease of nine per 1,000 from the rate in 1929. The percentage of no-fatal accidents followed by infection decreased from 6.9 per cent in 1929 to 6.2 last year.

Fatalities in gold mines were 18; nickel mines, 17; metallurgical works 11; quarries 4; sand, clay and gravel pits, 6. Sixteen men were killed from "fall of ground." Up to January 15, there were 2,223 accidents reported to the department.

### RENEW GRANTS FOR TECHNICAL TRAINING

Grants by the Dominion Government to aid technical education will be revived, Premier Bennett has informed leaders of the Trades Unions of Canada.

In 1919 Parliament voted \$20,000,000 for this purpose. The appropriation expired generally in 1929 when Premier King took the ground that education was purely a provincial concern and declined a further vote for the purpose. The amount to be voted of the term to be covered by it has not been made public.

### MINISTRY STUDIES WORK INSURANCE

A Government inquiry into unemployment insurance with a view to working out a system free of the objections in the dole system in Britain is being undertaken by the Bennett Government.

The investigation is to be made jointly through several departments of the administration and will include a careful survey of all such schemes now in operation as well as consultation with insurance experts and with labor and employers.

While not laying down any circumscribed lines of procedure, Mr. Bennett has stated his belief in a plan which includes contributions by the state, the employer and by the employed. Information gathered during an inquiry instituted by Sir. Robt. Borden in 1919 is available as a starting point in the investigation.

### TONS OF COAL

During 1929 locomotives on Canadian railways consumed 9,628,711 tons of bituminous coal; 11,400 tons of anthracite coal; 63,798,540 gallons of petroleum and 35,683 cords of wood. Converting the oil and wood to the equivalent quantities of coal according to thermal values, a total of 10,057,678 tons of coal is reached.

### DATES ARE ALL SET FOR TALKS

The dates for the lectures to prospectors under the auspices of the Department of Mines, in the North Eastern Mineral Survey District have been set as follows, together with lecturer:—

Usk, Dr. Mandy, March 16 to 23 Hazelton, Dr. Smitheringale, on March 5 to 11 Smithers, Dr. Mandy, March 23 to 30.

Prince George, Dr. Smitheringale March 12 to 18.

Quesnel, Barkerville and Williams Lake, Douglas Lay, beginning at Quesnel on Tuesday, Feb. 24th. The finish will be between Williams Lake and Barkerville, on dates to be arranged by the local communities, according to the weather and road conditions.

### WOMAN'S AUXILIARY MEETINGS

The Woman's Auxiliary to the Hazelton Hospital held their February Meeting at the home of Mrs. Anderson with a goodly number present. Committees were appointed for the linen shower of Feb. 25. Mesdames Anderson, Chappell and Newick being in charge. It is hoped that a quantity of sheets, towels, bedspreads, etc., may be the result. A sewing meeting was held at the Nurses Residence on Friday when many new articles were made and old ones repaired. The March meeting will be at Mrs. Sharpes and Mrs. Chappell has asked for the one in April. A play will likely be put on in the near future to increase the funds. All the ladies are requested to link up again this year to help on the work.

### PRESBYTERY TO MEET

The Prince Rupert Presbytery is to meet in First United Church, Prince Rupert, March 4. Rev. T. H. Wright secretary of the Presbytery, has received the annual reports and they are most gratifying reports too from most of the congregations within the bounds of the Presbytery. The Presbytery is 1000 miles in length and 300 miles in width, having an area of 300,000, and it contains 14 Indian missions, the chief of which are Port Simpson, Kisplox, Kitzzeuela and Kitamaat. Medical missions are also one of the leading agencies within the Presbytery, with hospitals at Port Simpson, Hazelton, Bella Bella, Bella Coola. There are also two Marine missions, one with headquarters at Ocean Falls and the other at Queen Charlotte City. Rev. Wm. Deans at Ocean Falls has the only self-sustaining charge in the Presbytery.

### THE HIGHWAY COMMITTEE

As soon as the weather permits a committee appointed to decide on the Pacific, Yukon, Alaska highway, will begin its labors. The committee is composed of J. M. Wardle, Banff, Jas. McNeil of Dawson, Y. T., and Geo. P. Napler, Victoria, to represent Canada; Herbert Rice of Detroit, Ernest Sawyer, Washington, D. C., and Major Malcolm of the U. S. Engineers Corps to represent the United States.

There was a jolly little dance on Saturday night at the Shehan school house in the Kisplox. A number of Hazelton people were in attendance.

O. W. Dawson is still confined to the house, but can get up and move about if he wants to. He hopes to be on the job by next week.

The Indian band is this week performing at Kitsegucia.

### MOTHERS AND DAUGHTERS

Hold Banquet in United Church and Enjoy Social Evening and a Good Programme

Charm and vividness were evidenced in the Mothers and Daughters banquet given by the Terrace C. G. I. T. of the Anglican and United church in the latter church on Friday, Feb. 6th at 6:30 p.m. Sixty-two mothers and daughters sat down to the meal prepared by the girls and their leaders. After dinner toasts were given to The King, The Mothers, The Daughters. Those taking part were Helen Smith, Reta Taft, and Mrs. Head. The originality of the girls was displayed in composing poems for the place cards and these the mothers had to read aloud. The girls all took part C. G. I. T. sketch "Quaint Ceremonials." The remainder of the evening was spent in games.

Miss Sophia McLaren, president of the senior group was in the chair. The group leaders are Mrs. McCarthy Mrs. H. T. Allen and Mrs. Jas. Smith. Mothers and daughters week was concluded in the church service Sunday evening in the United Church. Miss McLaren conducted the service and the C. G. I. T. choir provided the music, giving two Negro spirituals.

Doris Holden gave a splendid paper on Motherhood's gift to Girls, Mrs. E. J. Moore representing the mothers spoke effectively on the Challenge of Girlhood to Motherhood. Mrs. Allen gave an address on the Relationship of the church and home life of the girl. Mrs. Jas. Smith read a Mothers Day story and Jenny King gave a reading. Others taking part were Marjory Kenney who made the announcements, Bertha Moore, prayer, Mary Maxim, scripture reading, Gertrude McConnell took up the offering and Rev. H. T. Allen presided at the organ and made closing remarks.

### THE MINING LECTURES

The course of lectures to prospectors which is being given under the auspices of the Department of Mines at Victoria will be held in Hazelton on March 6 to 11 by Dr. W. V. Smitheringale. The lecturer will arrive on Wednesday evening, March 5 and will leave the following Wednesday evening for Prince George where he will spend another week. The lectures will be held in the school house both afternoon after school and in the evenings. The evening lectures will be started at about seven or seven thirty so that no other event will be interfered with. These lectures are proving very popular in Prince Rupert and are being well attended. Each lecture will last about an hour. The dates for Smithers have not yet been arranged.

### WOMAN'S GUILD ORGANIZE

The annual meeting of the Woman's Guild of Knox United Church was held recently and the following officers were elected:—

Hon. Pres.—Mrs. T. Brooks  
President—Mrs. Geo. Beveridge  
Secretary—Mrs. S. G. Mills  
Treasurer—Mrs. T. E. Brooks  
Social committee—Mrs. H. L. McKinney, Mrs. E. T. Kenney, Mrs. D. L. McNeil.

Sick and visiting committee—Mrs. Jas. Swann, Mrs. C. Pinter, Mrs. H. T. Allen, Mrs. E. J. Moore, Mrs. George Beveridge.

Mrs. Paynter of Smithers who has been a patient in the Hazelton Hospital for a couple of weeks leaves for home this evening.

# Buyers Read

That prices are low and that means bargains. Wise merchants with stocks on hand want to convert them into cash and are looking for buyers.

Newspaper advertising points the way to both—whe the buyer and seller have a message of common interests. The great news of the day and the unprecedented bargains for the thrifty. It means great savings for the buyer and a cleaning of the shelve for the seller. It is time to advertise.

## The Omineca Herald For Bargain News

### Will Sell Cars Used at Ottawa By the Officials

The Ottawa government has issued orders for disposal of the entire fleet of passenger cars now used by officials of departments and by cabinet ministers. Cars are of an original value of several millions of dollars are involved. A cheque of the records show that cars and chauffeurs, exclusive of gasoline and oil expense, cost the country \$643,000 last year. For some years this item has exceeded \$500,000. Enquiry has disclosed that more than 50 per cent of the mileage was made up of personal service to those at those at whose disposal the cars were placed. Mr. Bennett has laid it down that ministers and officials must pay for their own and their family motoring. For strictly official business taxis will supplant the luxurious private car and liveried driver.

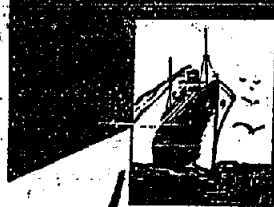

The government cars which number several hundred, will be disposed of by auction or by tender at the close of this fiscal year, March 31.

### HUGE DEBTS SOON TO MATURE

Another very concrete reminder of the cost of Canada's war participation will recur frequently between this date and 1934. In little more than 3 years a total of more than a billion dollars of wartime financing will mature. With a deficit in revenues of approximately \$100,000,000 in the current year and the certainty of only gradual recovery in conditions, it will not be possible to retire any appreciable amount of maturing bonds. The debts will have to be refunded and as money is comparatively cheap for government issues at this time, the likelihood is that short term financing will not be resorted to.

Mr. Bennet has frequently expressed the opinion that a form of sinking fund should be inaugurated to liquidate the national debt within a definite term of years, and while such

a course will be delayed by depressed conditions, it is stated such a policy will be inaugurated with the return of revenues to normalcy.

### CLOSER CONTROL OF INDUSTRIES URGED

Canadian labor wants Government control over protected industries to guarantee preference for Canadians in employment and to provide for hours and rates of pay conforming with those paid by the Federal Government on Government work.

The suggestion has been submitted to the Government by organized labor.

At the present time the Government is investigating allegations that some manufacturers took advantage of the September tariff adjustments to increase work and reduce pay of employees.

### HOLIDAY DURING THIS YEAR

According to a despatch from Ottawa the holidays for 1931 will be Good Friday, April 3; Easter Sunday, April 5; Easter Monday, April 6; Victoria Day, Monday May 25; King's birthday, Wednesday, June 3; Dominion Day, Wednesday, July 1; Labor Day, Monday, September 7; Thanksgiving Day, Monday, November 9; Christmas, Friday, Dec. 25. Easter Sunday this year is 15 days earlier than last year. Easter Monday and King's birthday are statutory holidays, but observance is mainly by government, municipal and financial institutions, and not by the public generally.

"Weel, Jock, Ah hear ye've got married."  
"Aye, Donald."  
"An' what kind of a match did ye make?"  
"Weel, Donald, to tell ye the truth, Ah didna do sae weel as Ah expected, but Ah didna think she did either."

An Aberdeen lady was suggesting to her husband that it was about time she possessed a motor car. "Na, na," he replied, "ye'll just be content with the splendid carriage nature has given you."

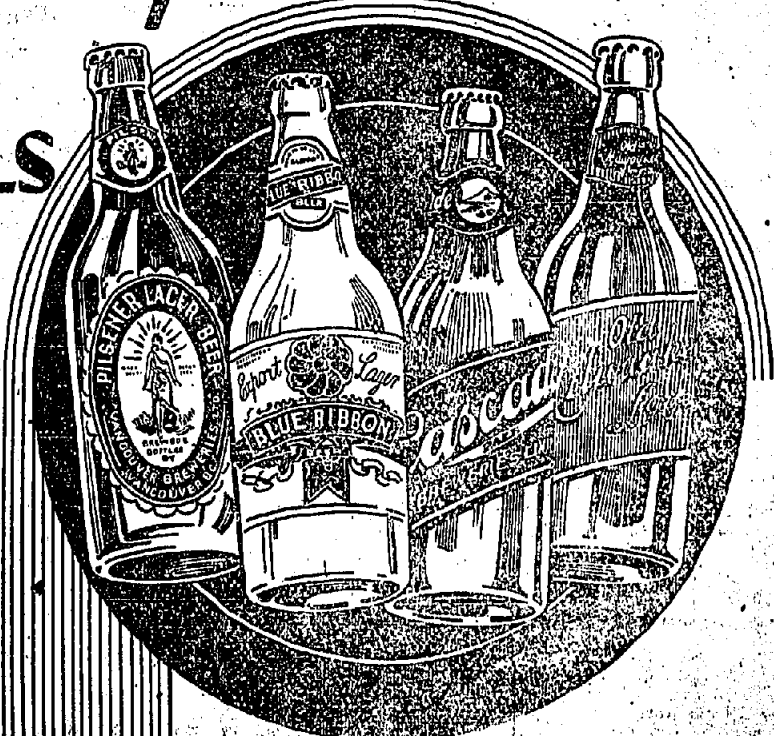

Mrs. Gubbins—"I'm glad to hear your husband is up and about again, Mrs. Miggs."  
Mrs. Miggs—"Yes, the doctor says 'e 'as maryellous powers of vituperation."

The courts have ruled that a college can compel its students, to get vaccinated. We wish the same ruling could be extended to getting them educated.—San Diego Union.

Sir Sydney Skinner—I have no use whatever for anybody who wants something for nothing.

The reason most young couples close their eyes when kissing is to prevent each other from seeing how foolish they each look.

# Helping build B.C. PAYROLLS

It is a comparatively easy matter to note that the brewing industry of British Columbia is an important contribution to this country's progress and prosperity, for its annual payroll alone is over three-quarters of a million dollars. It consumes over 150,000 pounds of choice British Columbia hops. The annual fuel bill approximates \$100,000, and the fuel used is all produced in British Columbia. Hence it is that those persons who demand the British Columbia beers listed below directly influence the prosperity of British Columbia through their insistence on the products of one of British Columbia's largest industries.

## Terrace Notes

The court for the revision of the assessment of the assessment roll of the municipality of Terrace was held in the municipal hall on Monday, all the commissioners being present. There were no appeals and the roll as presented by the assessor was duly approved.

The assessed value of land and property in the municipality of Terrace village for the year 1931 has been declared at \$219,551. Of this amount \$77,851 is land value and \$141,700 the value of buildings. Exemptions will amount to \$27,062 and half rate reductions lower the net assessment by a further \$2,287, making the net taxable basis \$190,202.

George Tessler has rented the old Skeena billiard and intends to open up a billiard parlor.

Miss Kathleen Burnett of Edmonton is home for a short holiday and was welcomed by her many friends. She is taking the nurses training course in Edmonton.

Major Hearn returned from Prince Rupert last week and has since gone out to the Lakelse hatchery.

Mrs. A. Y. Wilson of Remo was in town during the week.

Mrs. Thos. Brooks is making a good recovery from a dose of lysol which she took last week in mistake for medicine. Her condition was considered serious for a time.

In the issue of Jan. 25 it was reported that L. Leplante had been taken to a military hospital in Vancouver, but it was Octave O. Gagne who was taken south. Mr. Leplante is in pretty fair health.

P. McNicol of Usk was a visitor in Terrace recently.

Mrs. W. C. Sparkes was in Usk one day last week.

Mrs. J. Hamlin was taken seriously ill on Saturday and was brought in to the home of Mrs. A. Carr where she is being taken care of.

Mrs. Matthews and four daughters returned from Prince Rupert on Wednesday last after spending some time on the coast.

Jack Wallace of the Soldier Settlement Board with headquarters at Telkwa, was in town over the week end.

Arthur Carr left Thursday for Vancouver to receive treatment at the military hospital.

Robt. Christie was a visitor to the coast last week.

Donald Burnett who has spent the last two months at his home here returned to Prince Rupert on Sunday.

Mrs. Ardagh spent a day or two in Prince Rupert last week.

There was a brief visit of some snow last Monday, but everything has again taken on its spring appearance.

Miss Wilson of Vanarsdol spent the end of the week in Terrace.

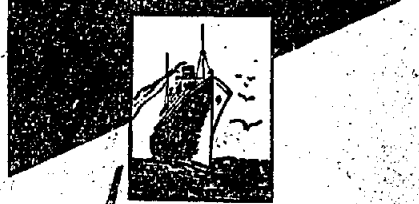

Geo. Bushby of Prince Rupert was in Terrace on Saturday last.

### UNITED CHURCH MEETING

The annual eccongregational meeting of Knox United Church was held in the church on Jan. 22 with Rev. H. T. Allen presiding. Reports from the various organizations were read and a statement from the treasurer revealed a healthy condition. The following officers were nominated:—  
Elders—R. W. Riley and Will Robinson.

Board of managers—C. Finler, is chairman, Geo. Beveridge, secretary, R. W. Riley, treasurer, D. McNeil, envelope secretary, O. T. Sundal, missionary and maintenance fund secretary, Claire Giggy, Dr. Mills.  
Chief usher—Elwood Brooks.

## Setting New Standards of Dependability

THE longer you drive the new Chevrolet Six the more you will appreciate its ruggedness and reliability. Its increased wheelbase gives added stability and freedom from vibration. The frame and axles have been strengthened. There is a stiffer crankshaft and reinforced cylinder block. The moulded brake linings give as much as 25,000 miles of service without relining.

The new Fisher Bodies are not

only smarter and roomier, but are also of hardwood and steel construction . . . the strongest known. The fine upholstery fabrics are specially selected for unusual durability. The non-tarnishing chrome-plated metal parts, and gleaming colors will retain their beauty indefinitely.

The new Chevrolet Six is built to give you years of faithful service. And it sells at new low prices!

Do not overlook the Valentine dance in the New Hazelton community, held next Friday evening. There will be good music and good eats and a good time for all.

Don't forget the Linen Shower for the benefit of the hospital under the auspices of the Woman's Auxiliary, at the home of Mrs. R. S. Sargent, Hazelton, on Saturday, Feb. 21st, from 3.30 to 6 p.m. Donations for the hospital are requested. Refreshments will be served until 6 p.m. You will be welcome.

With the installation of its latest machine the Powel River Pulp & Paper Co. has increased its newsprint capacity to 630 tons a day. The company started in 1912 with two machines and has increased from year to year until today seven machines are required to handle the business.

In spite of business depression Canadian grain trade with the Orient is showing a satisfactory increase from B. C. Ports. The increase is approximately 1,600,000 bushels of wheat to Asiatic countries in 1930 as compared with 1929. Japan also took 110,481 barrel of flour more than in the previous year.

There has been a remarkable increase in honey production in B.C. in recent years. Nineteen years ago it was less than 5,000 pounds per annum. For 1930 it will be approximately a million pounds. Consumption in the province is still far ahead of the production.

This week the Herald received a mushroom from the Hazelton Hospital which had been gathered that morning in the hospital garden. It was a very large one and grew in the open so that if any further evidence of the very mild weather this district has enjoyed this winter is required you will have to go elsewhere.

Earl Jerome is back at South Hazelton where he has quarters with F. Allen. Jerome has been running an engine in one of the coal mines on the Coal Spur.

On Monday Albert Elliott took a few men and horses out to his Bell Lake camp to start up operations. It is intended to haul the poles in the bush to the shore of the lake and float them across in the spring and from the lake to the river trucks will be used.

Atlantic coast lobster fishermen fared well in 1930 in catch but not so well in prices. Nova Scotia fishermen landed a record catch of 530,000 pounds, of which 126,800 pounds were shipped in shell while 2,024 cases of canned lobster were packed.

Boxing on snowshoes will be one of the novelties at the Banff Winter Carnival opening February 7, marking another point in the great battle for popularity honors between snowshoers and skiers. George Sutherland, Alberta fly-weight champion 1926 will be in charge of the bouts.

Roaring down from Edmonton through the Bow River Gap through which 50 years ago the first C.P.R. survey party made its laborious passage, airplanes bearing aquatic stars will steer for Banff where their passengers will take part in the open-air, swimming and diving events, unique in winter sports, in the hot springs at the Banff Winter Carnival on February 9.

Toronto and Ontario recently honored their Grand Old Man of railroading, William Fulton, assistant general passenger agent for the Canadian Pacific Railway at Toronto, who had completed 40 years' service with the company. He was guest of honor at the Royal York Hotel at a banquet given in his honor by his fellow-officers of the company to celebrate the occasion.

Letters pour into the radio department of the Canadian Pacific Railway daily in connection with the "Melody Mike" feature every Monday night. One lady, writing from Vulcan, Alta., says in part:—"There were six in my house listening to the broadcast and I know of at least a dozen other radios that were tuned in. I am writing to say how much we enjoyed your broadcast."

Postal history repeated itself February 2, when an air mail service between Winnipeg and Pembina, North Dakota, on the international boundary, was put into effect by the Canadian Postal Department. Pembina was linked up with Winnipeg, then Port Garry, in 1857 through the United States mail service. The prairie airmail postal service will be extended by the Federal Government in the near future.

At the fifth corn show held recently under the auspices of the Saskatchewan Corn Growers Association, one of the finest exhibits of corn in the history of Western Canada was on display. The show was held in preparation for the World's Grain Exhibition and Conference at Regina in 1932, and many entries in the corn classes of the latter may be expected from the farmers of Western Canada. A total of \$19,000 is being offered in cash prizes in the different classes for corn.

Snowshoers from many parts of Canada and the United States gathered at Quebec City at the end of January to participate in the 18-mile Snowshoers Marathon and International Championship Races. The Mayor of Quebec held a reception for the ladies' clubs at the Chateau Frontenac where a Canadian supper was later served to the visitors. The Chateau Frontenac was also headquarters of the officials throughout the convention, which included ice canoe races on the St. Lawrence and exhibitions on Dufferin Terrace.

The Omineca Herald is \$2.00 a year
