America the Beautiful

O beautiful for spacious skies, for amber waves of grain,
For purple mountain majesties above the fruited plain.
America! America! God shed His grace on thee,
And crown thy good with brotherhood from sea to shining sea.

O beautiful for pilgrim feet whose stern impassioned stress
A thoroughfare for freedom beat across the wilderness.
America! America! God mend thine every flaw,
Confirm thy soul in self-control, thy liberty in law.

O beautiful for patriot dream that sees beyond the years
Thine alabaster cities gleam undimmed by human tears.
America! America! God shed His grace on thee,
And crown thy good with brotherhood from sea to shining sea.

JUDGE NORMAN H. NELSON

In this significantly historic year, Moorhead State University wishes to honor Judge Norman H. Nelson for whom Nelson Hall is named. He was not only a friend of Moorhead State, he was also a close and valued friend of many at the University. Through his many years of service on the State College Board, Judge Nelson's contributions to higher education extended far beyond this university to include the entire state.

Further, his life embodied both educational ideals as well as service to his community and state. Admitted to the Minnesota bar in 1948, Judge Nelson opened his first law practice in 1949 at Moorhead. He began his work with higher education when Governor Orville Freeman appointed him to the Minnesota State College Board. His service continued. Governor Karl Rolvaag reappointed him to the College Board in 1963. He was chairman of the Minnesota State College Board and of the State Liaison Committee for Higher Education. These words can but dimly reflect the impact of his efforts on higher education, an impact that has endured long beyond his tragic death in 1968.

It is with gratitude that his service to the community is recognized. He served as District Judge from 1965-68. But Judge Nelson also served in many other responsible positions in the community. He was a police magistrate, president of the Clay County Bar Association, a former chairman of the Clay County Boy Scout Drive, co-chairman of the Clay County Cancer Fund Company, and a past junior and senior vice commander of the Moorhead Veterans of Foreign Wars.

During a period of unprecedented growth and change in the Minnesota State Universities, Judge Nelson gave outstanding leadership, serving impartially and giving unselfishly of his time to extend and strengthen the educational opportunities in the State Universities of Minnesota. In recognition of this service to all of the universities in Minnesota and to higher education in general, Moorhead State University takes pride in recognizing the achievements of Judge Nelson on this important day.

NOBLE B. HENDRIX

On this occasion, Moorhead State University takes pride in recognizing the achievements of Mr. Noble B. Hendrix for whom the University's Health Center is to be named.

Mr. Hendrix served as Dean of Students at Moorhead State from 1965-68 after a long and distinguished career in education. Beginning as a high school teacher in Texas and Alabama from 1919-23, he also served as principal of Woodlawn High School in Birmingham, Alabama from 1926-43. His contributions to higher education began when Mr. Hendrix became Dean of Students at the University of Alabama (1943-55) and continued through ten years, 1955-65, as Dean of Students at the University of Miami.

His educational efforts embraced wide concerns and Mr. Hendrix held many offices that indicate the breadth and purpose of his career. He was president of the Birmingham Teachers Association, Coordinator for Alabama National Association of Secondary Principals and served on the Executive Council of the Commission on Colleges and Universities of the Southern Association of Colleges and Secondary Schools. His concerns for students is revealed through his vice presidency of the National Association of Student Personnel Administrators.

In this distinguished career, Mr. Hendrix devoted himself to enhancing and promoting the interests and status of students. Among many significant contributions, he was a primary force behind the establishment of modern student health services at not only Moorhead State University, but at the other state universities as the result of his contributions as a consultant in Health Services to the Minnesota State University Board.

Thus, it is most suitable that the health center at Moorhead State be named for Mr. Hendrix not only as a recognition of his devotion to the University, but also as a symbol of his accomplishments throughout this state.
