Report to the Alumni

The Bulletin · Moorhead State Teachers College

MSTC Calendar — Fall 1954

September 15-17 — Freshman Orientation

September 20 — Classwork Begins

October 15-16 — Homecoming

8 p.m., Friday — Coronation of Queen, Burning of "M"

11 a.m., Saturday — Parade

12 Noon, Saturday — Organization Luncheons

2 p.m., Saturday — Football Game

6:30 p.m., Saturday — Alumni-All College Banquet

9 p.m., Saturday — Homecoming Dance — Jules Herman's Orchestra (As usual, alumni are invited to attend: the charge \$2 a couple. We can't usually afford a band like this, but our distinguished alumnus is giving us a break. The students have raised some extra money to hire an outstanding band, and this is a chance for the alums to make this the best Homecoming Dance we have ever had.)

October 21-22 — MEA in Minneapolis

5:30 p.m., Thursday, October 21 — MSTC Alumni Dinner at the Curtis Hotel - \$2.50. Please make reservations with Alice Corneliussen, MSTC.

1954 Football Schedule

September 11, Saturday — MSTC 7 — Huron College 0

September 18, Saturday — Concordia Away, 8 p.m.

September 25, Saturday — Bemidji STC Home, 8 p.m.

October 2, Saturday — St. Cloud STC Away, 8 p.m.

October 9, Saturday — Winona STC Away, 2 p.m.

Oct. 16, Sat. — Mankato STC (Homecoming) Home, 2 p.m.

October 23, Saturday — (Open date) MEA conference

Oct. 30, Sat. — Michigan Tech. (Houghton, Mich.) Away 8 p.m.

Nov. 6, Sat. — Westmar College (LeMars, Iowa) . . Away 8 p.m.

Scholarships to MSTC

In most state colleges, like MSTC, there is a recurring danger that the practical aspects of the work being done may over-emphasize the "institutional" side of the college at the expense of the human side.

No one connected with MSTC is likely to forget that it is an institution established and maintained by the State of Minnesota to insure a supply of competently trained teachers for the public schools of the state. But preventing such a college from becoming only an efficient, soul-less mill for turning out trained teachers should be the continuing concern of its students, faculty, alumni, and friends. Because a de-personalized institution is not likely to graduate well-rounded teachers, this may also be the concern of the state; but the job of humanizing such a college can only be done by human beings, not by a state, or a legislature, or a board, or an administrative policy.

Several years ago the students of MSTC took an important step in this direction when they initiated the present freshman scholarship program. This was their answer to the teacher shortage problem. It was also a genuine testimonial to their faith in the college and a real contribution to the human side of this teacher training institution.

The idea of giving scholarships to deserving and outstanding high school graduates is a comparatively new one at MSTC. The plan first began in 1952, when the money raised by the Alpha Epsilon Song Fest was designated for such a purpose. In the spring of 1952 the nearly \$500 raised by the annual

variety show was used to give scholarships to five entering freshmen.

Although the plan was hampered because proper machinery had not been set up to secure applications from and information about the best available applicants, the program was considered so successful that the proceeds from the Song Fest have since been ear-marked each year for the same purpose. Since then the faculty has raised another \$500 each year, and a like amount has been contributed annually by the MSTC Bookstore.

In 1953-54 the freshman scholarship system was launched on a much larger scale. Money was made available for seventeen scholarships, including one (the Cupler Memorial) on a permanent basis.

Last year the Cupler Memorial Scholarship was given to Rae Iverson of Alexandria, Minnesota, daughter of Ralph Iverson, well-known MSTC alumnus. Rae, in addition to being one of the best freshmen scholastically (2.4 average), was an active leader. She had one of the main roles in the freshman play.

Most of the other scholarship students had excellent scholastic and activity records. One of them was Barbara Caughey of Perham, Minn., who was the top ranking freshman of the year and winner of the Tainter Memorial Award.

Among the other top freshmen who came to MSTC on scholarships were Mary Coyne, Graceville, Minn.; Kay Thompson, Morris, Minn.; Jeanne Johnson, Parkers Prairie, Minn.; Lois John-

son and Ralph Burke, both of Crookston, Minn. All of these students had straight B averages or better in their first year at MSTC, besides doing well in extra-curricular activities.

Through the effort of students and faculty, with some outside help, money was raised for twenty freshman scholarships for the coming school year. Because more publicity was given to them and a greater effort made to secure as many good applicants as possible, the scholastic and achievement level of the applicants for scholarships this year was much higher than ever before.

Although this meant that many deserving high school graduates had to be turned down, it also meant that the scholarships were given to an exceptionally select group, including a number of valedictorians and other top students, both in scholarship and school activities, from the high schools of this area.

Freshman Scholarship Winners for 1954

High school seniors receiving scholarships this year under the Alpha Epsilon Scholarship Fund are Dolores Jane Goodyear and Darlene Ann Goodyear, Glenwood; Neil Arthur Sussenguth, Breckenridge; Rosseta Tefft, Elbow Lake; and Marion Kay Hopkins, Richville; all in Minnesota; and Jo Anne Hajny, Barney, North Dakota.

The Faculty Association Scholarship Fund has awarded five scholarships to: Helen Eleanor Edner, Campbell; Marlene Louise Sievert, Crookston; David R. Pansch, Graceville; Ellen Joan Ode-

gaard, Lake Park; and Doris Schuster, Wheaton; all in Minnesota.

Recipients of the Bookstore Scholarships are: June Beverly Johnson, Alexandria; Vera Jean Way, Hancock; Mary Ellen Kjelstrom, Lancaster; Janet Marie Murray, Wheaton; Clifford H. Strommen, Wadena; and Nancy Jenson, Fergus Falls; all in Minnesota.

The Janet Cupler Memorial Scholarship has been awarded to Delsie Darlene Charais of Fisher, Minnesota. The Dr. Ella Hawkinson Memorial Scholarship, to be awarded annually to a Campus High School senior who plans to attend MSTC, has been given to Joanne Baugh of Moorhead.

One additional scholarship, provided by the Owl fraternity, has not yet been awarded. The fraternity has voted to award a scholarship to one incoming freshman with athletic as well as scholastic ability.

The scholarships cover tuition and fees for one year and are open to both men and women. The awards are based on scholarship promise, leadership, financial need, and moral character.

This year the method for awarding scholarships has been revised. Each student applying for a scholarship is carefully considered by the scholarship committee. In applying for a scholarship, the student must be placed in nomination by either his high school principal or superintendent. The nominee must submit a letter on his educational plans and vocational ambition.

Along with the letter of application from the nominee and references from school and community leaders, the scholarship application consists of a nomination blank and a standard Minnesota College Association blank.

Janet Cupler Memorial Scholarship

The first permanent freshman scholarship to MSTC was presented to the college by Mr. and Mrs. A. W. Cupler of Fargo, as a memorial to their daughter, Janet Cupler.

Miss Cupler was born in Fargo on June 14, 1913. After attending Fargo High School and graduating from Starrrett School for Girls in Chicago, she took her bachelor's degree from the University of Chicago. She received the masters degree in journalism from the University of Minnesota in 1947.

After graduating from the University of Chicago, Miss Cupler was employed by the Cuneo Press, Chicago and later worked in the advertising and editorial departments of the Western Newspaper Union in Chicago. One of her duties was conducting a women's column for the papers affiliated with the organization.

During and after World War II she was in the national headquarters of the American Red Cross in Washington, D. C., doing publicity work on war fund campaigns.

After World War II Miss Cupler did graduate work at Minnesota and free

lance writing in New York and Washington. She died of a heart attack in Washington on July 2, 1953.

Arthur W. Cupler, senior partner in the law firm of Cupler, Tenneson, Serkland, and Leahy, has been practicing law in Fargo since 1906. He is a charter member and past president of the Fargo Lions Club, past potentate of El Zagal Temple of the Shrine, a former Fargo alderman, and has been president of the North Dakota State Bar Association. At present he is president of the Board of Trustees of the North Dakota Conference of the Methodist Church.

Mrs. Arthur Cupler (Clara Undseth) received her bachelor's degree from M. T. C. in 1931 and her masters from Teachers College, Columbia University, in 1936. She was a supervisor in the college laboratory school from 1931 to 1944. Mrs. Cupler is a member of Gamma Nu sorority, Lambda Phi Sigma, Kappa Delta Pi, Delta Kappa Gamma. In 1954, she received the Gullick Award, national recognition of her leadership training work for the Campfire Girls. She has

Mrs. A. W. Cupler

Janet Cupler

Arthur Cupler

been active in this organization during the past thirty years.

The Janet Cupler Memorial Scholarship was presented to MSTC on August 20, 1953. A perpetual endowment fund was set up by the investment in \$3000 par value Northern Pacific Railway Company prior lien 4% bonds. Pursuant to a written trust agreement between Mr. and Mrs. Cupler and the Governor, Auditor, and Treasurer on behalf of the State of Minnesota, the income from the trust fund is to be paid annually to MSTC to provide this scholarship each year.

A copy of the trust agreement is on file in the business office of MSTC as well as in the office of the state Auditor, and can be followed by persons desiring to create scholarships, awards, or gifts for any college purpose. This document, which conforms to the provisions of the Minnesota statutes providing for the investment and administration of such perpetual trust funds, establishes a legal pattern that can be followed by other donors without expense to themselves or to MSTC.

Dr. Ella Hawkinson Dies

Dr. Ella A. Hawkinson, member of the MSTC faculty from 1920 to 1947, died in St. Paul on January 27, 1954, following a three months illness.

Miss Hawkinson left MSTC in 1947 to teach history and political science at Hope College, Holland, Michigan. She was awarded a Fulbright lectureship in Norway for the school year 1952-53. She worked at the Trondhjem Institute of Technology and the University of Oslo.

On her return she went to Oregon to conduct a summer workshop in international education at the Southern College of Education, Ashland, Oregon. While serving as a consultant in secondary education for the state of Oregon,

she was forced to resign her position last October because of illness.

Miss Hawkinson spent a few hours visiting friends on the campus last September before going out to Oregon to take up her new position.

The first woman on the MSTC faculty to get her Ph.D. (from Minnesota, in 1941), Dr. Hawkinson is credited with virtually founding the Campus High School, a gradual process effected during the 1920's. She was also the co-founder of Lambda Phi Sigma, local education fraternity, the first honorary fraternity on the campus.

As a memorial to her, an Ella Hawkinson Memorial scholarship has been set up. The nucleus of the scholarship fund is the sum of nearly \$400.00 left in the treasury of Lambda Phi Sigma, which has now been superseded by Kappa Delta Pi, national honorary education fraternity, and money for these scholarships pledged by Campus High School faculty, students, and alumni. If the scholarship is to be a permanent one, however, additional memorial contributions will be needed from Dr. Hawkinson's former students and friends.

Dr. Ella Hawkinson

alogue also lists a page of other fees and special fees, ranging from \$1.00 to \$20. Over a period of four years these increase the cost of education by a sizeable sum.

Students confronted with the problem of choosing a college must select either a public institution supported by state funds or a private college supported by tuition, endowments, and voluntary donations. The cost is invariably lower in the public college. The difference in cost between these two types of institutions, amounting approximately from \$300 to \$500, can be considered equivalent to a scholarship of this amount. This scholarship is available to every graduate of an accredited high school whose residence is in Minnesota. For out-of-state residents, the additional annual cost is only \$15.

Even though the cost of education for students in the Moorhead State Teachers College is nominal in comparison with the actual cost and in comparison with the cost in private denominational colleges, nevertheless it is sufficient to prevent many capable young men and women from entering college. Their limited financial resources deter some capable high school graduates from taking the initial step to enroll in college. Experience proves, however, that many students who receive financial aid for their first year of college work find the financial means to continue their education throughout the other years.

The generous contribution Mr. and Mrs. Cupler made to establish a scholarship in memory of their daughter is described elsewhere in The Bulletin. The Alpha Epsilon Fraternity, the Owl Fraternity, the MSTC Student Exchange Bookstore, the Faculty of the College, and the friends of Dr. Ella A. Hawkinson have established approximately seventeen scholarships to be awarded to freshmen

annually. Many additional scholarships should be provided in the future for worthy and deserving students by the alumni and friends of the College.

Faculty Alumni

Fifteen MSTC alumni are currently on the college faculty. Eight of them are supervisors in the College Laboratory School, and seven teach in the College. Four of them have their doctors degrees and seven others their masters. The alumni faculty members are:

Bernice Anderson, '24, '53, third grade teacher and supervisor; Donald N. Anderson, '41, M.Ed. (U. of Minn.) Campus School physical education and coaching; Alice Corneliusen '27, '32, M.A. (Teachers College, Columbia), Principal, College Elementary School; Dorothy Ann Dodds '45, A.M. (Colorado State College of Education), kindergarten; Monica McCarthy DuCharme '35, sixth grade teacher and supervisor; Dr. Allen G. Erickson '29, '34, M.A. (University of Minnesota), Ed.D. (Oregon), remedial reading and speech.

Dr. Clarence Glasrud '33 M.A., Ph.D. (Harvard), Chairman, Division of Language and Literature; Grace Gregerson '37, A.M. (Chicago), education; Ruth A. Hanson '41, M.A. (Univ. of Minn.), fifth grade teacher and supervisor; Arthur J. Nix '52, music; Orda Olson Pederson '52, sixth grade teacher and supervisor.

Dr. Thomas Edison Smith '40, M.Ed. (Univ. of Minn.), Ed.D. (Univ. of N. D.), health, physical education, coaching; Lyl R. Solem '24, '29, M.A. (Colorado State College of Education), College High English and social studies; Marie Sorknes '26, M.A. (Univ. of Minn.), education; Dr. Marlowe E. Wegner '41, M.A. (Univ. of Minn.), Ed. D. (Univ. of N. D.), industrial arts.

News of the College

MSTC Acquires More Land

Fourteen and a half acres of land lying just east of the campus became MSTC property last February. The tract lies between 6th and 9th Avenues South and extends a block and a half east from 14th Street.

During the 1953 session of the Minnesota legislature \$40,000 was appropriated for the purchase of this land. The final purchase was the result of year-long negotiations between the State and the owners.

Final plans have not yet been made for the use of the land. The tract was seeded this summer and many people connected with the college feel that the main athletic field should be located on this plot.

College Building Needs

With the additional land allowing room for expansion, one of the first requests MSTC will make of the State Legislature is an appropriation to provide permanent stands for athletic contests.

Two other long-standing projects that will come up at the 1955 legislative session are the addition of a second story to the college library and the expansion of Weld Hall. The Weld Hall project involves re-wiring, enlargement of the stage, and additional space for the industrial arts, science, and instrumental music departments.

Fifth Year of Work Leads to Masters Degree

By authority of the State Legislature a fifth year program, leading to a Master of Science in Education degree, was established in the five state teachers colleges in the summer of 1953. The program is designed to improve the quality of class room teaching, and the degree is offered in both the elementary and secondary teaching fields.

At Moorhead State Teachers College, thirty-nine students have enrolled for graduate work to date. These students come principally from an area of one hundred miles surrounding the college. Practically all are experienced teachers in the field.

Most of the graduate work is offered during the summer sessions for the benefit of those who find it difficult to commute during the regular school year.

The program is under the direct supervision of the Council on Graduate Professional Education. Students are required to work in three areas: in the field of specialization, in professional education, and in a third field other than the first two. The last requirement provides the means of encouraging the student to broaden his educational background.

College Night Program

During the school year 1951-1952 MSTC began an experiment in adult education that is well-known to most alumni living in the Fargo-Moorhead area, the "College Night" program.

The program was so successful that it has been continued, with two ten-week sessions offered each year. Enrollment has run from a low of 119 to a high of 186.

The courses that have drawn the most people are Oil Painting, Travelers Spanish, Hobbies and Crafts, and Human Growth and Development. Enough people have enrolled for the Great Books classes to keep them on the schedule each term.

The future of the "College Night" program is uncertain. It has admittedly been a valuable public relations venture. However, the faculty members who teach the courses have given much of their free time to put over the program and they are willing to continue only if the people of the community show real interest in having "College Night" continued.

Nemzek Heads Alumni Association

Alex J. Nemzek, Jr., '30, was named president of the MSTC Alumni Association in an election conducted by mail this summer. Elected to a one-year term, Sliv succeeds John Ingersoll, '32, who was named to a term on the Alumni Board. Also named to the board this summer were H. K. Eklund '26 and Keith Woods '50.

Holdover members of the board are Vincent Murphy '40, Mrs. Ernie Anderson (Bernice Cronquist '24, '53), Neil Wohlwend and Marco Gotta '38, and Tom Manley '50.

Jennie Owens, now retired, is secretary of the board. Dr. Clarence Glasrud '33 is faculty alumni representative.

World War II Veterans Annual

The 1946 *Dragon*, MSTC annual was a special veteran's edition, dedicated to the 500 men and women who served during the war. There are service pictures of some 200 of them. There are still about 50 of these annuals left on hand. If you do not have a copy and want one, it will be mailed to you for the asking. If you wish to pay for it, do it this way: send any contribution you can afford to help set up a Veteran's Scholarship honoring the 25 MSTC men who were killed in the war.

The State of the College

MSTC is currently improving and expanding in at least three important ways: in the qualifications of its faculty, in enrollment, and in the physical campus.

With freshman applications running more than fifty over any previous year, this fall should see an entering class of 300 and a total on-campus enrollment of 700 students. The 20 scholarships awarded give special assurance that the freshman class will include many outstanding first year students.

This student body will be taught by the best qualified faculty in the history of the college. More than one-third of its members have earned doctorates and at least three others have educational training that equals the doctorate.

The twenty-two faculty members who have their doctorates earned them in the following institutions: Harvard, 2; Chicago, 3; Columbia, 2; Michigan, 1; Wisconsin, 2; Illinois, 1; Minnesota, 1; Iowa, 4; Syracuse, 1; Pennsylvania State, 1; Oregon, 1; Colorado State College of Education, 1; North Dakota, 2.

Nine New Faculty Members

L to R. Top: Elinor Mohn, Joseph Satin, Richard Jensen, Allen Page, Orda Olson Pederson; Bottom: Monica McCarty DuCharme, Lloyd Watkins, Paul Tasch, Laurence MacLeod.

Nine faculty members have been added to the staff for the coming year to replace members who retired or resigned, and to fill in for three members of the regular faculty who have sabbatical leaves: Mason Boudrye, Roy Domek, and John Jenkins.

Mrs. Monica McCarty DuCharme (MSTC '35) will be sixth grade instructor and supervisor in the Campus School. She replaces Grace Gregerson, who has been transferred to the Division of Professional Education in the college.

Richard B. Jensen has his B. S. from the University of Illinois and has done his graduate work at the Colorado State College of Education in Greeley. He will teach social studies and assist in athletics in the college high school, replacing Floyd Temple.

Mrs. Orda Olson Pederson (MSTC '52) will be second grade instructor and supervisor in the Campus School, replacing Mary B. Williamson, retired.

Dr. Allen D. Page will replace Dr. James Perlman in the field of natural science and physics. He took his B.A. from Ripon, his M.A. from Ohio State, and his Ph.D. from Wisconsin.

Dr. Paul Tasch, who taught at NDAC last year, will fill in for Mason Boudrye in the field of biology and natural science. He has his B.S. from CCNY, an M.S. from Penn State, and a Ph.D. from Iowa.

Laurence R. (Larry) MacLeod will fill in next year for Roy Domek as head basketball coach and physical education

teacher. He took his B.S. from Mayville STC and his M.A. from Colorado State College of Education.

Miss Elinor V. Mohn will replace Mrs. Virginia Wilder as Dean of Women and director of the women's dormitories. A graduate of Convick, Minn. HS, she has both her B.S. and M.A. from Minnesota and has done additional graduate work at the University of Washington.

Dr. Lloyd I. Watkins will teach communications and speech, replacing Ethel Tainter, retired. He has his B.S. from Southeast Missouri State College and both his M.A. and Ph.D. from the University of Wisconsin.

Dr. Joseph H. Satin has been added to the faculty to teach humanities and communications. He has his B.S. from Temple University and his M.A. and Ph.D. from Columbia.

Four New Doctorates at MSTC

Werner E. Brand, principal of the campus high school at MSTC, received the degree of doctor of education at the summer commencement at Colorado State College of Education at Greeley, on August 19. The degree was in secondary education. Brand took his masters degree in mathematics at the University of North Dakota. Before coming to MSTC in 1943, he taught at Hawley and Halstad.

Allen G. Erickson received his doctor of education degree from the University of Oregon on June 13, 1954. His work was done in remedial reading and corrective speech. Erickson, who graduated from MSTC in 1934, began teaching

L to R. Top: Allen Erickson, Nels Johnson; Bottom: Werner Brand, Marlowe Wegner.

speech at the college in 1946. He spent the past year with his family at Eugene, Oregon, on a sabbatical.

Nels N. Johnson of the MSTC art department, who joined the faculty in 1939, received his doctor of education degree from Pennsylvania State University on August 7, 1954. His field of specialization was art education. Before coming to MSTC, Johnson taught at Northern State Teachers College, Aberdeen, South Dakota, from 1931 to 1939. He received both his B.A. and M.A. degrees from the University of Iowa.

Marlowe E. Wegner, who graduated from MSTC in 1941, will receive his doctor of education degree from the University of North Dakota in January 1955. His major field was psychology and his minor industrial arts. Wegner's thesis was accepted and his orals passed on August 5. He completed his work at U.N.D. on August 20, 1954. He has taught in the MSTC industrial arts department since 1947, except for a sabbatical leave this past year.

Class Notes: News of Individual Alumni

Editor's note: The material for this section has been gathered throughout the past year. Because teachers change positions easily these days, some of the information is already out of date. This cannot be helped, unless you notify the alumni office promptly about changes of position, new addresses, etc. If some of your friends have been left out, please write us about them: we probably have lost track of them — along with thousands of other alumni.

This bulletin could not have been prepared without the use of the Alumni Directory issued in October 1952. We have included addresses in this bulletin only in case of changes or omissions. If you do not have a copy of the Alumni Directory you may still obtain one by joining the Alumni Association (\$2.00).

1891

Mrs. Thomas D. Stack (Edla Hallenberg) is very active in the activities of the Episcopal Church of St. John the Divine in Moorhead. This last August she spent a week in Minneapolis attending the sessions of the Anglican Congress, a world-wide conference held every ten years, and this year for the first time held outside of the British Isles. Mrs. Stack attended the opening session when the Archbishop of Canterbury and other church leaders addressed an audience of 10,000. She was also invited to the reception for special guests at the Congress.

1900

Leonard Erickson, L.L.B., is an attorney and travel agent at Fergus Falls, Minn.

Mrs. W. C. Aylene (Ivy E. Wagner) lives at 10447 19th Avenue South, Seattle 88, Wash.

1901

Hilbert Howe now lives at 422 South Benton Way, Los Angeles. Mr. Howe, who taught at Longview, Wash., until he reached the retirement age, is still teaching music and directing the band at Cantwell Catholic High School.

Mrs. Charles Putney (Lena Roen) is deceased.

Henry E. Johnson, who took his law degree at the University of Minnesota, is now retired. He lives at 655 - 77th Avenue, St. Petersburg Beach, Fla.

1902

Ethel B. Bell is retired from teaching and living in Seattle. She is a sister-in-law of the late Caswell A. Ballard.

Julia Sharp is a nurse living at 8 Emwilton Place, Ossining, N. Y.

Adelaide Mason, who taught at the William Penn School in Minneapolis, is now retired. After attending Moorhead Normal, she took her B.A. at the U of M.

Henry C. Mackall is head of the Minneapolis law firm of Mackall, Crouse, Moore, Helmet, and Palmer. As a prominent Episcopal layman, he played a leading role in making plans for the Anglican Congress held in Minneapolis August 4-13. Mr. Mackall has been back in Moorhead a number of times in recent years. He attended Commencement exercises on June 6, 1952, the fiftieth anniversary of his graduation. His stepmother, Mrs. Fannie Cardin Mackall, long a friend of the college, died at her home in Moorhead in July 1953, at the age of 90.

Lu Wagner has been living in Seattle the last two or three years, although she returns occasionally to visit her many friends in Moorhead and take care of her business interests in this area. Her address: 1812 - 132nd Street South, Seattle 88.

1904

George F. Barnes is retired and lives at 112 Stratford Road, Asheville, N. C. His sister, Carrie Barnes, also '04, is deceased.

Eugene M. and Oscar H. Askegaard, both of Comstock, Minn., are now retired.

Julius Skaug is practicing law at Mobridge, S. D. In 1952 he was president of the South Dakota Bar.

Mrs. Jennie Hansen (Jennie A. Parkhill) lives at Banff, Alberta, Canada. Her mailing address there: Box 275.

Martha Hannaher has retired from her position of food broker. She lives at 1101 - 5th St. N., Fargo, N. D.

1905

Mrs. Justus Bergh (Clara Aabye) is retired and living in Fargo.

1906

Anna Bjoin, 336 South Ash, Crookston, Minn., has retired but still does some substitute teaching. She is a life member of the Alumni Association.

Conrad D. Hovden, who took his B.S. in Electrical Engineering at the U of M, retired and moved to California last fall.

Mrs. W. R. Weir (Iola Jorgenson) lives at 1324 - 1st Ave. S., Fargo. Two of her three daughters received their bachelor's degrees from MSTC. An only son was killed in World War II.

1907

Edith Gibson retired from teaching in Minneapolis in June, 1953. In addition to receiving her B.E. from Valley City, Miss Gibson has done graduate work at the University of Colorado, University of Washington, Columbia University and the University of Minnesota. Her address is 2122 Aldrich Ave. S., Minneapolis.

Gjert C. Skeim is now retired and living at Twin Valley, Minn.

Mrs. J. D. Nelson (Margaret Weir), who lives at 124 - 4th Ave. N., Wahpeton, N. D., has four sons and one daughter. Their youngest son, Wesley, is serving in the Air Force.

Signe Hanson retired in 1952 from a teaching career of 46 years. For 40 of these years she taught in Fargo; for 39 she was elementary principal there. Miss Hanson is now selling the World Book Encyclopedia.

Mrs. Oliver Peterson (Susie L. Pagel) died October 18, 1953, in Miller Hospital, St. Paul. She was 65. Surviving Mrs. Peterson are her husband, a son (Wallace), a daughter (Myra Freund), and three grandchildren, all of St. Paul.

Louise Hanson, now retired, lives at 303 Roberts, Fargo.

1908

Agnes C. Brohaugh recently retired after 24 years of teaching at St. Cloud Teachers College. She lives at 1538 Eighth Ave., SE, St. Cloud, Minn.

James G. Nye is senior partner in the Duluth Law Firm of Nye, Montague, Sullivan, Atmore, and McMillan. His address: 3301 E. First St.

Mrs. Edwin T. Reed (Katherine Hartwell) lives at 1750 Brooklane, Corvallis, Ore. Mr.

Reed, who was professor of music at MSTC and later at Oregon State, died August 25, 1948.

Mrs. Eugene Askegaard (Harriet Rustad) lives at Comstock, Minn.

Mathilde Halsing is deceased.

Mrs. William Tellefson (Mayme Linnihan) is living at Marble, Minnesota.

Henry C. Megrund has been postmaster at Shelly, Minn., since 1923.

Mrs. Ulic M. Henehan (Anne Schuyler) died in Seattle, Washington, on March 3, 1954. Formerly of Fargo, Mrs. Henehan taught in the upper grades of the Seattle public schools from 1914 to 1920.

Pernille T. Wollan, who teaches in Minneapolis, lives at 901 Summit.

Ethel Tainter retired this summer after 31 years on the MSTC faculty. She will continue to be very close to the College, however: she lives just off the campus at 711 - 11th St. S., and she will continue to take an active interest in college affairs.

Miss Tainter, whose old home was at Hawley, took a Ph.B. from the University of Chicago, a B.E. from the Dearborn School of Lyceum Arts in Chicago, and special advanced work at the Columbia College of Expression in Chicago and Columbia University.

Ethel Tainter

Before joining the MSTC staff, she taught for a number of years at Fargo High. She taught speech and dramatics at MSTC from

1923 to 1954. Few alumni who had any connection with MSTC in the twenties and thirties will ever forget the series of plays that she directed during that era.

A life member of the Alumni Association, Miss Tainter established the first MSTC scholarship in honor of her parents, Wesley and Elizabeth Tainter. The award is given annually to the highest ranking member of the freshman class.

1909

Mrs. Robert Stevenson (Harriet Tomlin), Morris, Minn., teaches at Herman.

Our apologies to the classes from 1951 on. Because there is so much news of recent graduates, we will send out a special mimeographed news-letter to those classes.

If the alumni will write in about their activities, a similar news bulletin will be put out next year.

CLARENCE GLASRUDE

An Appeal

Most alumni of MSTC have had to make a real effort to get their education. For many of us the struggle to get to and through MSTC was a desperate one financially. This is an appeal for an alumni scholarship fund to bring more good freshman to MSTC, in order to do something concrete about alleviating the critical shortage of good teachers.

We can react to this appeal in several ways. We can say: we got through MSTC on our own so why can't they? No one offered us any scholarships!

But times change and today there are many immediate job opportunities that look attractive to good high school graduates. If MSTC cannot attract good people it cannot turn out good teachers, and it will not be the kind of college we can be proud of.

The generous reaction to this appeal is to help some youngster get to MSTC, as you did once yourself. The person you will be helping will need that help, and he will be the kind of person the college—and the teaching profession—needs badly just now.

If you feel this way, the alumni can join the students and faculty in the scholarship drive. If you like, designate some person or group whom you wish an alumni scholarship to commemorate.

Alumni scholarships will mean more if they bear the name of some former student or faculty member whose memory deserves to be commemorated at the college. What better way is there to memorialize them than to set up permanent scholarships bearing their names? These have been suggested, and there are, no doubt many others that might be added:

*Livingstone Lord
Samuel G. Bridges
Ella Hawkinson
Louise Stondahl*

*Dr. Harvey Monson
Vincent Schneider
The Gold Star Veterans*
