

INFORMATION FOR AUTHORS

Manuscripts in idiomatic English offered for publication should reach the editors by January 1 of the year in which their publication is anticipated. All submissions are read first by the editors, who determine whether to proceed them further to two outside referees for their evaluation, recommendations, and suggestions for revision. The review process is generally completed within four months. Authors are encouraged to send their manuscripts to NU Editorial Board, Institute of Ethnology and Folklore Research, Zvonimirova 17, HR-10000 Zagreb, Croatia.

Manuscripts should be typed on one side of A4 paper, double spaced, with ample margins, including quotations, notes, song texts, captions for illustrations, and references cited. Tables, musical examples, (black-and-white) photographs, and other illustrative material should be presented on separate sheets with notations made as to their location in the manuscript. The complete submitted material should not comprise more than 25 pages. The manuscript should be accompanied by an abstract of up to 100 words and brief biographical data on the author. The author is asked to submit a copy on a Macintosh or IBM-compatible computer disc.

References should appear within the text e.g. (Ladin 1995:44), and later, as References cited, alphabetically by author and chronologically for each author. All terms in foreign languages should be typeset in italics. For References cited please use the following examples as a model:
