DEDICATION

The Editors and Staff of the *Fordham Environmental Law Report* wish to dedicate this, our first Volume, to those students who came before us and whose interests spurred the creation of this new publication at Fordham.

To those who founded the Fordham Environmental Law Council and created the Environmental Newsletter; to those who later revived the Newsletter in order to create a more formal publication addressing the increased developments in environmental law; and to the following Editors from the Fordham University School of Law classes of 1987 and 1988:

Derek J.T. Adler
Michael A. Guzzo
John E. Tsavaris II
Julie A. Lumpkin Moran
Philip L. Hirschhorn

We, the current Editors and Staff of the *Fordham Environmental Law Report*, extend our heartfelt thanks and appreciation for your hard work, support and encouragement.

Special Thanks

The Editors and Staff of the *Fordham Environmental Law Report* would also like to express our appreciation to our faculty advisor, Professor Joseph C. Sweeney, for his encouragement and advice. We also wish to express our thanks to John D. Feerick, Dean of Fordham Law School, Associate Dean Georgene M. Vairo and Assistant Dean Robert J. Reilly for their acknowledgement and support.
