THOMAS ALTON (AL) HILL

Head of METTLER TOLEDO
NORTH AMERICA

Al is currently Head of METTLER TOLEDO North America where he and his team are responsible for all sales, marketing, customer support, and field service operations in the US and Canada. He joined METTLER TOLEDO in 2000 as the General Manager of the US Industrial Division Market Organization. Additionally, Al served as the Head of the Global Vehicle Weighing Strategic Business Unit and has been a plant General Manager in Columbus.

Prior to joining METTLER TOLEDO, Al worked in the Microelectronics Division of IBM, and was based in Boston, Massachusetts, and Fishkill, New York. Al started his career with IBM in Industrial engineering and production management. During his tenure with IBM, he held positions in sales & marketing, operations, and was a fabrication plant operations manager.

Al graduated from the University of Alabama with a Bachelor of Science in Industrial Engineering, completed Graduate work in Industrial Engineering at Iowa State University, and earned his Master's in Business Administration from Baruch College, City University of New York.

Al resides in New Albany with his wife Laura and has two children in college.
