2011	484	168	233	486

Jul-14 ■ 2013 ■ 2012 ■ 2011

Growth of Objects in Digital Commons

	2011	2012	2013	Jul-14
■ Total full-text objects	441,345	696,426	1,045,570	1,269,605
■ Total submissions	636,767	1,052,275	1,421,189	1,679,104

■ Total full-text objects   ■ Total submissions

Total downloads

Year	Total downloads
2011	52,901,392
2012	107,016,225
2013	173,322,067
Jul-14	226,465,464
WE are on the move…

- Often, you have good ideas, we want to hear them!

  - We strive to foster an environment and relationship of open sharing, and receptivity of ideas

- Often, we have good ideas, at the micro, and macro level

  - we sincerely hope they add value to what you are doing:

"World Wide Impact with the Purdue e-Pubs Institutional Repository"
