Dear Ms Clarke

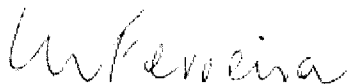

DIGITAL COLLECTION: *SOUTHERN AFRICAN JOURNAL OF GERONTOLOGY*

Emeritus Professor Valerie Moller has informed me that you have indicated willingness to digitise and upload the nine volumes of the *Southern African Journal of Gerontology* in the Rhodes University Repository. I was the founding editor of the journal (*SAJG*) and Valerie was the associate editor for all nine volumes. The journal was SAPSE accredited. Publication of the journal ceased in 2000.

Valerie and I are most grateful for your willingness and help. Please accept this letter to indicate approval for you to put the journal online.

With warm thanks.

Sincerely

Professor Monica Ferreira
