New resources accessible via the UNE Libraries homepage
<http://www.une.edu/library>

The page has been revised and there is a link from ejournals to four journal aggregators for access to full-text electronic journals:

JSTOR
Project Muse
BioOne
Science Direct

Also, the Libraries are adding links from the e-catalog for access to full-text journals and books. This is the beginning of the second year of remote access to all databases for students, faculty and staff with a current UNE ID card. There is a separate server in place for students so the connectivity to databases remains fast. Some of the new databases and electronic resources that have been added are:

ABI/INFORM Global
Environmental Sciences and Pollution Management
eWID (Washington Information Directory)
GenderWatch
MLA Bibliography
Natural Medicines Comprehensive Database
New York Times
Philosopher's Index
Standard & Poor's Net Advantage
VetCD
Wall Street Journal
Washington Information Directory (eWID)
Women Writers Online

A new ½ time Reference Librarian, Abraham Schechter, has been hired to support the CHP move to WCC.

Library Sub-committee members are: Karen Pardue, CHP, David Koester, COM, Tom Leach and Ali Ahmida, CAS, Barbara Swartzlander, Sharon Eckert, Stew MacLehose, and Andrew Golub, Libraries. Please send comments and suggestions to any member.
