SUMMARY

Yuliani. S200090014 COMPATIBILITY OF STUDENTS' WORKBOOK FOR SECOND YEAR STUDENT OF SMA IN SURAKARTA AND BASIC COMPETENCIES OF SCHOOLS' CURRICULUM ACADEMIC YEAR 2010/2011. Research Paper, Muhammadiyah University of Surakarta.

This study is aimed at examine the compatibility of students' workbook for second year student of SMA in Surakarta and basic competencies of schools' curriculum academic year 2010/2011. The result of the study is expected to contribute to evaluate the compatibility of basic competence of the students' workbook and basic competence of school curriculum academic year 2010/2011.

The researcher took 2 students' workbooks. The books are used by second year students of Senior High School in Surakarta on the first and second semester. The researcher gets the data of this research from the document. The techniques of collecting data are observation and documentation. The technigue of analyzing the data are comparative descriptive which observes one variable objectively, systematically, and comprehensively by correlated with other variable.

The result of the study shows that Students' workbook used by second year student of SMA in Surakarta is very good judgement. The book "Inovasi 11A" is very good judgement in the oral skill because there are 60% category in the excellent judgement. Those categories are clearance, compatibility and excercise. While. the written skill is excellent judgement because from six categories there are 50% or three categories are excellent judgement. Three categories consists of clearence, compatible and excercise. The judgement oral skill of the book "Inovasi 11B" is good. On this skill, this book is poor of excercise there are not category which are excellent judgement. The written skill is excellent category. It is caused of 67% of the category is excellent judgement, and 33% is good category. It means that this book is strength on the written skill and less on oral skill.

These books can be used to improve students' English skill and help the students to develop their English knowledge. It means that the teacher and educator knew the quality of every workbook. They choose appropriate supplementary material to help them gain the aims of national education.
