

# Use of Guidance Material for Moving and Handling People: Barriers and Facilitators - *An Experience Exchange*

**Massey University:**

Mark Lidegaard

Dr Kirsten B. Olsen

Professor Stephen J. Legg

# Agenda

1. Selected preliminary results from the Questionnaire Survey (5 minutes)
2. Experience Exchange about barriers and facilitators when using guidance material on moving and handling people (20 minutes)

## Learning objectives

- Awareness of different guidance material for MHP
- How do others deal with challenges related to MHP guidance material

# Aim of the Project

Who have been reached by the MHP Guidelines?

Who have used the MHP Guidelines?

How has the MHP Guidelines been used?

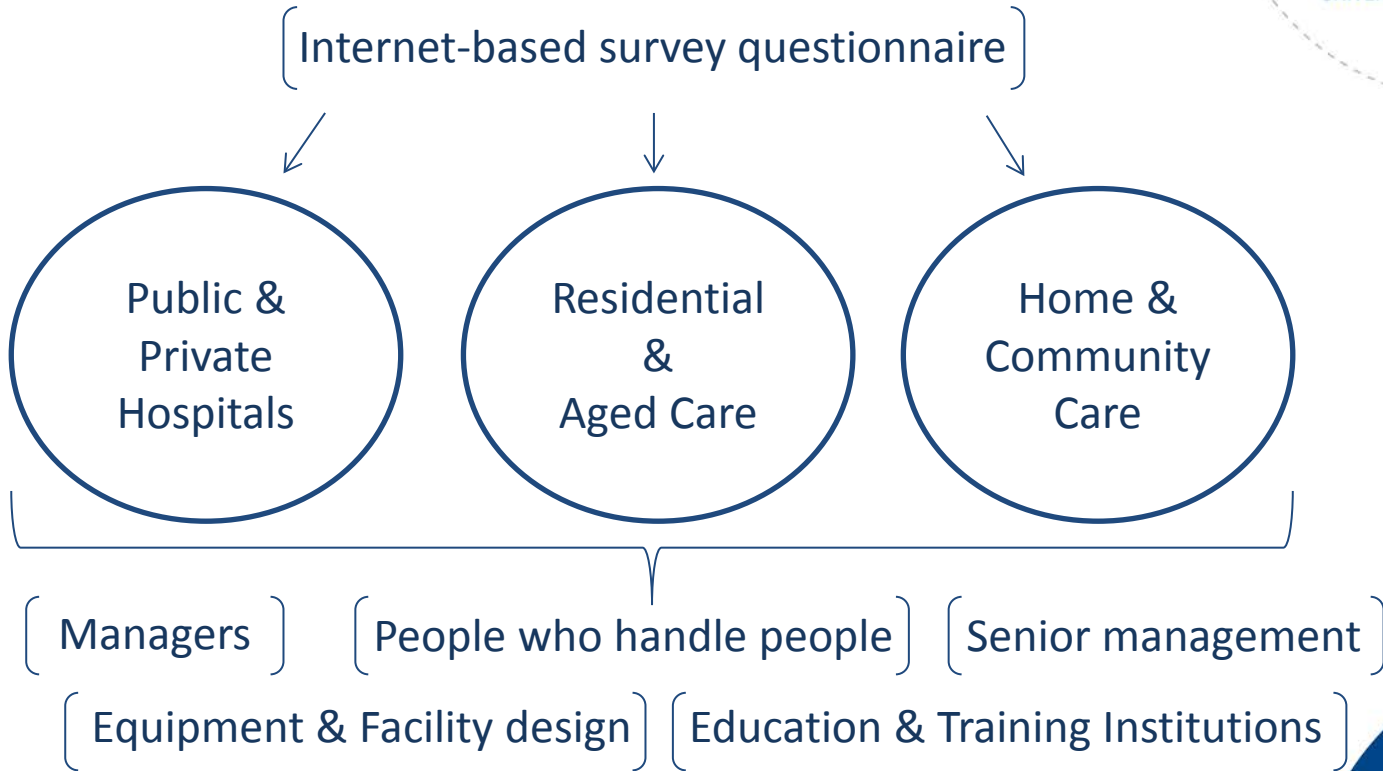

To evaluate the **Uptake, Use and Impact** of the MHP Guidelines

Has the use of the MHP guidelines reduced risk, prevalence or severity of MSD related to MHP?

Have MHP related claims at ACC changed since the launch of the Guidelines?

What has influenced the use of the MHP Guidelines?

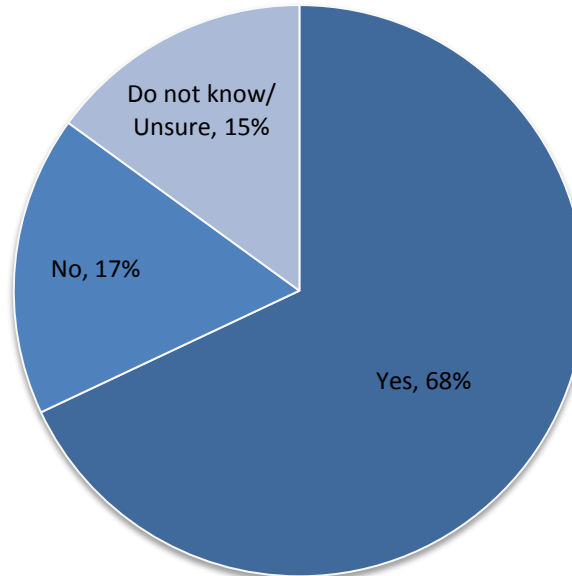

## Stage 2: Questionnaire Survey

# Preliminary results

## Awareness of any ACC guidelines for moving and handling people?

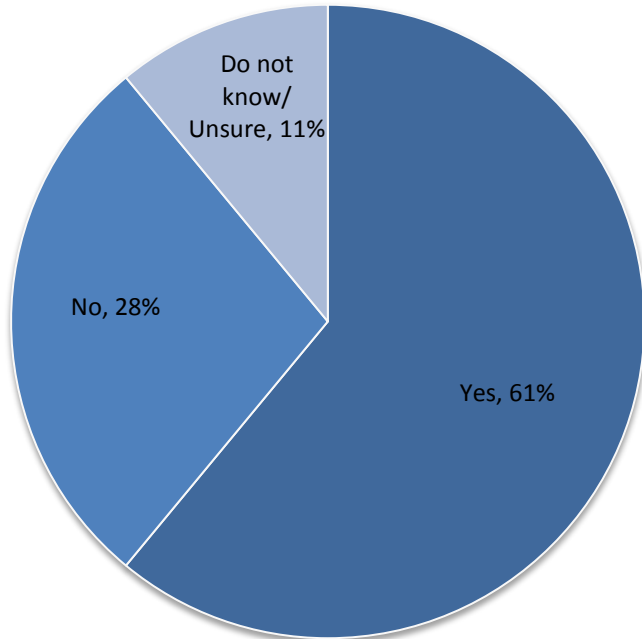

(N=306)

# Preliminary results

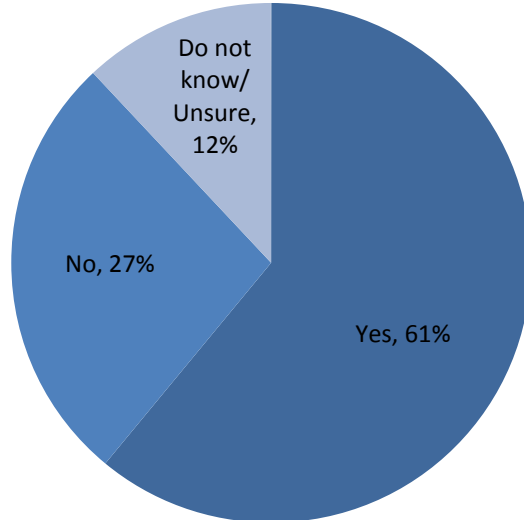

## Use of section in the MHP guidelines 2012?

(N=191)

Section	%
Techniques for moving and handling people	78.5
Equipment for moving and handling people	75.8
Risk assessment	72.2
Training for moving and handling people	62.8
Why moving and handling programmes are needed	58.9
Bariatric clients	50.4
Monitoring & evaluation	50.0
Equipment management	47.3
Workplace culture	45.3
Introduction	44.1
Organising training	43.2
Audits	42.1
Policy and programme planning	40.7
Facility design and upgrade	28.6

## Use of other MHP guidance material? (N=305)

### Other Guidance Materials used

Textbooks

O'Shea 'No lift programme'

The Home Care Guidelines

Locally developed policies

The internet and online journals

# Experience Exchange

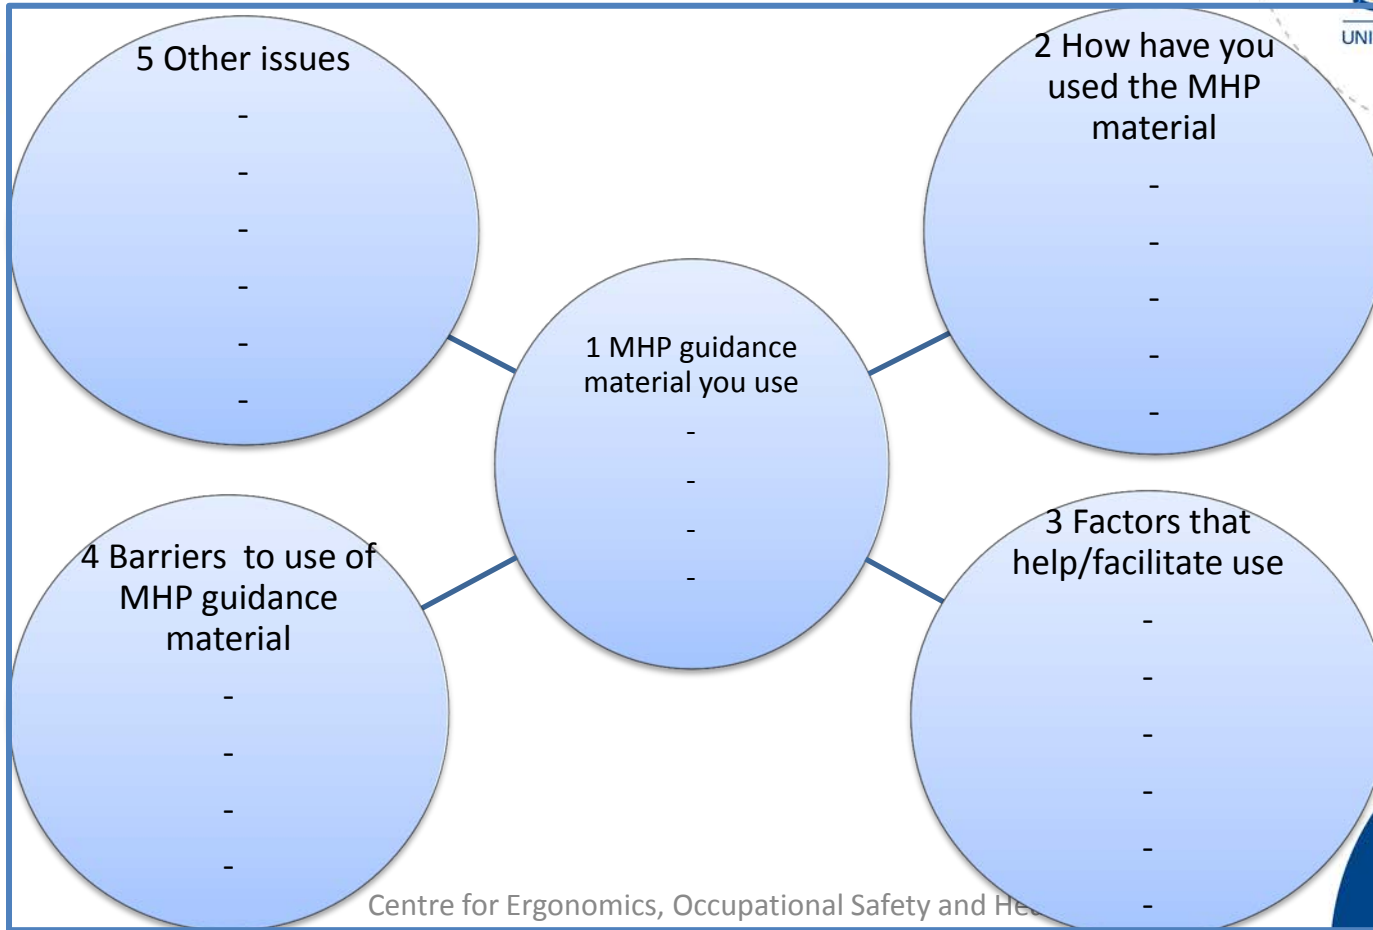

Divide into smaller focus groups 12 minutes

- Which MHP guidance material do you use?
- Describe your experience with using MHP guidance material?
  - What acts as barriers or facilitators?

Visit another group 8 minutes

# Experience Exchange

# Use of Guidance Material for Moving and Handling People: Barriers and Facilitators - An Experience Exchange
