

Best Graduate Schools Annual Peer Assessment of Law Schools Intellectual Property Law

As part of its spring 2015 report on graduate and professional schools, U.S. News & World Report is conducting a survey to identify the law schools having the top programs in intellectual property law. All law schools accredited by the American Bar Association that offer the J.D. degree are considered in this survey and are listed on the following pages by state. This survey is being sent to a selection of faculty members involved in intellectual property law programs. Law schools supplied the names of these faculty members to U.S. News in summer 2014. Your participation in this survey is greatly appreciated.

Survey Instructions:

- 1. Review the entire list of law schools **before** beginning the survey. The law schools are listed on the following pages by state and in alphabetical order.
- Identify up to fifteen (15) schools that have the highest-quality intellectual property law courses or programs. In making your choices consider all elements that contribute to a program's academic excellence, for example, the depth and breadth of the program, faculty research and publication record, etc.
- 3. Mark your selections by placing an 'X' in the box to the left of the identification numbers of the schools you have chosen.
- 4. Return the completed survey in the postage-paid return envelope provided by **November 5, 2014**. If you have misplaced the envelope, please return the survey to: Angela Foster-Woods, Ipsos, 222 South Riverside Plaza, Chicago, IL 60606-5809.
- 5. Keep a copy of your completed survey for your own records.
