Australian journalism research index 1992-97

Kerri Elgar

This is an index of Australian journalism and news media-related articles and books from 1992 onwards. The index is in two main parts: a listing by author, and a listing by subject matter in which an article may appear a number of times. Multi-author articles are listed by each author. To advise of errors or omissions, please contact the author via journ@mailbox.uq.edu.au.
