LIST OF TABLES

Table		Page
1.1	Distribution of respondents according to demographic characteristics	10
1.2	Interpretation of strength of correlation (Cohen, 1988)	12
2.1	Respondents' age and ethnicity	18
2.2	Reading materials preferred by respondents (gender)	19
2.3	Reading materials preferred by respondents (race)	19
2.4a	Media preferred by respondents	21
2.4b	Media preferred by respondents (gender)	21
2.5	Media preferred by respondents (race)	22
2.6	Activities in classroom	24
2.7	Learning activities	27
2.8	Use of ICT for homework	27
2.9	Use of ICT for homework	28
2.10	Respondents' preference to daily activities in English	30
2.11	Why students like English lessons	30
2.12	Why students do not like English	31
2.13	The importance of studying English	31
2.14	The importance of studying English (gender)	32
2.15	Respondents' age and ethnicity	34
2.16	Level of education of respondents	34
2.17	Reading materials preferred by respondents	35
2.18	Language of preferred reading materials	35
2.19	Literary practices of primary teachers (gender)	36
2.20	Media preferred by respondents	37
2.21	Language used on the media	38
2.22	Pedagogical practices and language preference	39
2.23	Activities in the classroom	39
2.24	Teaching practices	40
2.25	Teachers' practices in lesson planning	40
2.26	Media used for teaching English	41
2.27	Mean scores of media used for teaching English	42
2.28	Activities in class	43
2.29	Activities in class	43

2.30	How respondents learn English	44
2.31	Correlation of challenges faced by teachers	46
3.1	Respondents' profile	49
3.2	The respondents' English language grade	50
3.3	Modes of literacy practices	50
3.4	Modes of literacy practices	52
3.5	Literacy practices in school (%)	55
3.6	Literary practices in school (mean scores/gender)	56
3.7a	Learning activities	59
3.7b	Learning activities (mean scores/gender)	59
3.8	Use of ICT for homework	60
3.9	Use of ICT for homework (mean score/gender)	60
3.10	How they learn English at school	62
3.11a	Importance of studying English	62
3.11b	Importance of studying English (mean score/gender)	63
3.12	Why students like English lessons	65
3.13	Why students do not like English lessons	65
3.14	Modes of literacy practices (mean scores/gender)	70
3.15	Teachers' pedagogical practices	73
3.16	Correlation of challenges faced by teachers (Spearman)	76
4.1	Distribution of teachers according to age group	86
4.2	Distribution of teachers according to ethnic group	86
4.3	Distribution of teachers according to level of education	86
4.4	Distribution of teachers according to English language grade in SPM	87
4.5	Distribution of teachers according to MUET result	87
4.6	Distribution of teachers according to the grade of English 1119	87
4.7	Distribution of teachers according to duration of service	88
4.8	Do you read book(s)?	88
4.9	Language of books read	89
4.10	Do you read comic(s)?	89
4.11	Language of comics read	89
4.12	Do you read magazine(s)?	90
4.13	Language of magazines read	90
4.14	Do you listen to radio?	90
4.15	Language of radio channels	91
4.16	Do you watch television?	91

4.17	Language of programmes	91
4.18	Do you access the computer?	92
4.19	Language used in computer activities	92
4.20	Activities with the handphone	92
4.21	Language used with the handphone	93
4.22	Mean scores of literary practices of Mathematics and Science teachers (Primary & secondary teachers)	93
4.23	Literary practices of primary school Mathematics and Science teachers (gender)	94
4.24	Literary practices of secondary school Mathematics and Science teachers (gender)	94
4.25	Challenges faced by teachers	95
4.26	Challenges for primary and secondary Mathematics and Science teachers (gender)	96
4.27	Challenges for secondary Mathematics and Science teachers (Spearman)	98
4.28	Challenges for primary Mathematics and Science teachers	101
4.29	Teachers' pedagogical practices	104
4.30	Mean scores of secondary and primary Mathematics and Science teachers' pedagogical practices (gender)	106
4.31	Frequency of using types of teaching activities	107
4.32	Use of ICT in assignments	107
4.33	Teachers' learning of English	109
4.34	Teachers' beliefs about teaching and learning	110
5.1	Ethnic distribution of teacher trainees	115
5.2	Literary practices of teacher trainees of IPG	116
5.3	Titles of books read (English and Malay)	117
5.4	Titles of magazines read (English and Malay)	118
5.5	Titles of comics read (English and Malay)	119
5.6	Titles of TV programmes (English and Malay)	120
5.7	Important facets of learning the English language (teacher trainees)	123
5.8	Learning activities	124
5.9	Use of ICT tools	125
5.10	Reasons for learning English	127
5.11	Preference for English	127

5.12	Studying English	128
5.13	Ethnic distribution of lecturers	129
5.14	Literary practices of IPG lecturers	130
5.15	Titles of books read (English)	131
5.16	Titles of magazines read (English and Malay)	132
5.17	Titles of comics read (English and Malay)	132
5.18	Titles of TV programmes (English and Malay)	133
5.19	Preference for English	134
6.1	Distribution of total university students by gender and ethnic group	137
6.2	Distribution of students according to year of study	138
6.3	Distribution of grades for SPM English and English 1119 (%)	139
6.4	Distribution of results for MUET (%)	140
6.5	Literary practices of university undergraduates	141
6.6	Frequency of reading books, comic and magazines (%)	143
6.7	Percentage of languages that students read (%)	143
6.8	Frequency of listening to the radio and watching the television (%)	145
6.9	Percentage distribution of languages students listen to and watch (%)	146
6.10	Use of computers and handphones among university students (%)	148
6.11	Conceptual teaching approach adopted most commonly by teachers	150
6.12	Frequency of activities employed in teaching and learning English	151
6.13	Frequency of ICT use by students	154
6.14	Types of language learning strategies employed and their frequencies	154
6.15	Mean scores of language learning strategies (gender)	155
6.16	Frequency of students' perception of English lesson (like)	158
6.17	Students' perceptions of English lessons (dislike)	159
6.18	Percentage of students' perception of the importance of English	160
6.19	Literary practices of university lecturers	165
6.20	University lecturer's pedagogical practices (gender)	170
6.21	Correlation of challenges faced by university lecturers (Spearman)	173
