Deb -

Should I call her  
or just show up?

Is it 7:00 Am?  
Where?

Donna

Donna -

I would call her  
and put her on the spot.  
She runs that business at  
the corner of 197 + Carding Machine -  
People Connections - or something warm  
and fuzzy like that. I think its at her  
house.
