THE MINUTES OF THE MEETING OF
THE REGENTS OF THE UNIVERSITY OF NEW MEXICO

June 6, 1969

The Regents of the University met at 8:30 a.m. on Friday, June 6, 1969, in the Council Room of the New Mexico Union.

Present: Mr. Arturo G. Ortega, President
Dr. Lawrence H. Wilkinson, Vice President
Mrs. Frank A. Mapel, Secretary-Treasurer
Dr. Norris E. Bradbury
Mr. Walter F. Wolf, Jr.

Also present: President Ferrel Heady
Dr. Chester C. Travelstead, Academic Vice President
Dr. Sherman E. Smith, Administrative Vice President
Mr. John Perovich, Vice President for Business and Finance
Dr. Harold W. Lavender, Vice President for Student Affairs
Dr. George P. Springer, Vice President for Research
Mr. John N. Durrie, University Secretary
Mr. Van Dorn Hooker, University Architect
Mrs. Margie Taylor, Public Information Office
Mr. Bill Montgomery, Albuquerque Journal
Miss Blakeley, Albuquerque Tribune

Also present for portions of the meeting: Mr. George Pearl, of the architectural firm of Ferguson, Stevens, Mallory & Pearl; Mr. Bill Turner and Mr. John Heide, graduate students; Dr. M. H. McMichael, Director of Continuing Education.

Mr. Ortega asked for any changes in the minutes of the meeting of May 10, 1969, noting that paragraph 3 on page 2 of the summarized minutes had already been changed by memorandum to the Regents. Mr. Wolf suggested a further change in paragraph 3 of the section entitled "New Mexico Medical Foundation," this change being to substitute the words "the original incorporators" for "a board of incorporation." With these changes, it was moved by Mr. Wolf, seconded by Mrs. Mapel, that the minutes be approved. Carried.

Minutes of Meeting of May 10, 1969

A list of candidates for degrees to be awarded conditionally at the Commencement Exercises this evening was presented to the Regents. The list had received the conditional approval (subject to the satisfactory completion of academic requirements) of the Faculty on June 4 and was recommended by that body to the Regents.

Honorary Degrees

Thomas Lafayette Popejoy -- Doctor of Laws

Stanislaw Marcin Ulam -- Doctor of Science

Robert Wendell Young -- Doctor of Laws

Mr. Durrie said that the total number of candidates was approximately 2,190, compared with 1,917 in 1968, with the breakdown roughly as follows: 1,500 bachelors, 525 masters, 41 Juris Doctors, 15 Doctors of Medicine, and 106 Doctors of Education and Doctors of Philosophy.

Taking special note of the awarding of an honorary degree to President Emeritus Popejoy, Mr. Wolf moved, seconded by Dr. Bradbury, that the foregoing list be approved, subject (in the case of the bachelors and masters) to the satisfactory completion of academic requirements. Carried.

At their August 24, 1968, meeting, the Regents approved the construction of an addition to the library of the Harwood Foundation in Taos. Funding was to be from a \$7,000 bequest from Mrs. Sally Imhof, "with additional funds being raised by benefits, appeals, etc., subject to the assurance that the University would have no financial obligation."

Harwood
Foundation
Library

On January 18, 1969, the Regents approved a loan to the Harwood Foundation, in an amount not to exceed \$10,000. Collateral for the loan was to be a bequest of approximately \$15,000 from the estate of Jack Danciger of Fort Worth, Texas, with settlement of the estate expected within two years. The \$10,000 loan, plus the Imhof bequest, would permit the Foundation to proceed at once with the library addition.

The Harwood Board subsequently learned that the estate settlement might well be delayed until 1976, and on April 15, 1969, the chairman of the Harwood Advisory Board notified the University Secretary that the Harwood Foundation thereupon released the University from its promise to loan the sum in question (i.e., up to \$10,000).

With this background, Dr. McMichael informed the Regents of a proposal by the Harwood Board to construct a smaller library addition than the one proposed earlier, the cost of construction not to exceed \$10,000 plus \$950 in architectural fees. It was proposed that this project be financed through Harwood savings funds already in hand and by a \$1,500 loan from the Harwood Library Board to the Harwood Foundation.

It was moved by Mr. Wolf, seconded by Mrs. Mapel, that the construction of the library addition be approved, with the understanding that the University is in no way liable for repayment of the \$1,500 loan referred to above. Carried.

Agreement
with
Albuquerque
Metropolitan
Arroyo Flood
Control
Authority

Mr. Perovich informed the Regents of a proposed agreement with the Albuquerque Metropolitan Arroyo Flood Control Authority relating to the extension of the South Diversion Channel in the vicinity of Stadium Boulevard. Mr. Perovich explained that an acre-for-acre trade of land would be involved in order to provide the necessary right-of-way to the Authority and that it would benefit the University to have the Channel extended as proposed.

It was moved by Dr. Bradbury, seconded by Mr. Wolf, that the agreement be approved. Carried. (It was noted that the agreement bore the approval of the University attorneys.)

Building
for Depart-
ment of
Athletics

The Regents having approved the design of a new building for the Department of Athletics at their May 10, 1969, meeting, Dr. Smith requested their approval of budget and funding, noting that a consequence of the Athletic Department's move to the South Campus would be to release 11,602 square feet of space in Johnson Gymnasium which is badly needed by the Department of Health, Physical Education, and Recreation. Dr. Smith said that the new building would have 19,500 net assignable square feet and that the estimated total project cost of \$738,000 would be funded from the residue of the 1966 University System Bond Issue.

It was moved by Dr. Wilkinson, seconded by Dr. Bradbury, that the budget and funding of the new building for the Department of Athletics be approved. Carried.

Addition to
University
Arena

Dr. Smith also submitted detailed budgets and other summaries relative to the addition of 3,350 gross square feet to the dressing room wing of the Arena. He said that the estimated total cost of the project was \$81,100, with funds being derived from the residue of the 1966 University System Bond Issue. Dr. Smith also informed the Regents that construction bids for the project had been opened on June 4 and that the low bid of \$65,908 was submitted by K.L. House Construction Company. This bid being under the estimated construction cost of \$70,000, Dr. Smith recommended acceptance.

It was moved by Mr. Wolf, seconded by Mrs. Mapel, that the budget and funding of the addition be approved. Carried. Subsequently, it was moved by Mrs. Mapel, seconded by Dr. Wilkinson, that the low bid be approved, and that the construction be authorized subject to approval by the State Board of Finance at its June 16 meeting (the Board of Educational Finance having already approved). Carried.

Dr. Smith reported to the Regents concerning the meeting of the Board of Educational Finance on June 2 and particularly with regard to the funding of the new building for the Law School, discussed by the Regents at their May 10 meeting. Referring to a letter from Dr. McConnell, Executive Secretary of the BEF, to Mr. Ed Hartman, Secretary of the State Board of Finance, Dr. Smith indicated that the BEF had approved the University's request to proceed with the building project under the revised budget, subject to the following stipulations: \$59,000 approved by the BEF from the 1969 State Bond Issue; \$135,295 recognized by the BEF as first priority in allocation of the 1971 State Bond Issue; and eligibility "without prejudice" to apply for the remaining \$310,115 from 1971 State Bond Issue funds, with no commitment being made by the BEF. Dr. Smith said that the revised budget for the Law Building, as well as the additional allocation of \$59,000 will be submitted to the State Board of Finance on June 16.

The Regents examined a model of the proposed Faculty Office-Classroom Building, to be located at the northern end of the Zimmerman Field area. Dr. Smith noted that the budget and contents of the building had long since been approved by the Regents, the Board of Educational Finance, and the State Board of Finance and that the design had been approved by the Campus Planning Committee on May 5.

Faculty Office-Classroom Building

It was moved by Dr. Wilkinson, seconded by Mrs. Mapel, that the revised design be approved, with thanks to the architect (Mr. George Pearl) for his efforts. Carried.

The Regents examined a revised budget summary for 1968-69 and a proposed budget summary for 1969-70.

Mr. Perovich and President Heady noted that the 1969-70 budget was extremely restrictive, particularly in the area of salary increases, those for faculty being limited to an average of 4½ to 5 per cent and those for clerical, maintenance, and crafts personnel to about 8 per cent, both figures being considerably lower than the University's request. Also noted was the fact that very few new faculty members are budgeted against an anticipated increase of 5 per cent in the student body enrollment. Relative to a question from Mr. Ortega about the Library, Mr. Perovich said that the budget would permit no gains in acquisitions. Discussion then centered on damage to library books, particularly the removal of pages, and it was suggested by Mr. William Turner, a graduate student, that it might pay the University to provide free copying service. Dr. Wilkinson said that he would be glad to pay the rental of a copying machine for trial use during the summer months, except for the cost of paper.

It was moved by Dr. Bradbury, seconded by Mrs. Mapel, that the summary budgets be approved. Carried.
