ENLACE Grant

UNM, in collaboration with the Albuquerque Public Schools and TVI, and others, have been awarded a four-year grant of \$2.3 million from the Kellogg Foundation, called ENLACE (meaning to link or weave together). The focus of the grant is to increase the educational attainment of Hispanics at the K-16 level. Northern and southern New Mexico are to be served by the Santa Fe Community College and New Mexico State University—those partners have also received a grant for \$2.6 million, meaning that the Kellogg Foundation has awarded New Mexico a total of \$4.9 million for this important purpose.

Dr. Gordon gave an update on the several administrative searches underway. Regarding the search for Vice President for Business and Finance, the committee has arrived at a group of finalists. The committee expects to release the names shortly. Regarding the search for the position of Dean of Engineering and Dean of the College of Arts & Sciences, there were three finalists brought to the campus in the past couple of weeks. Also, Dr. Joe Cecchi, (currently serving as Interim Dean at UNM), David Highland (University of Michigan at Ann Arbor), and Dr. Subrahmanyam S. COMMENTS FROM REGENTS' ADVISORS

John Geissman, President, Faculty Senate

Dr. Geissman reported on Faculty Senate issues. He announced that Beverly Burris, Professor of Sociology, has been elected as President-Elect for the upcoming academic year and a full Faculty Senate Operations Committee has been named for the upcoming academic year (Beverly Burris, John Geissman, Eric Nuttall, Polly Turner, Harry Llull, Paul Mann). At the April 24 Faculty Senate meeting, the Senate passed a resolution regarding: 2001-2002 Academic Year, Faculty Senate to review strategic plan for UNM prior to submission to Board of Regents (referred to *Faculty Handbook*). Also at the April 24 Faculty Senate meeting, the Senate also passed a resolution, proposed by Professor Peter Durato, that passed by a vote of 25-2-1 regarding: men's Olympic sports of gymnastics, wrestling, and swimming—recommends reinstatement of these sports as soon as possible. Dr. Geissman will be sending information regarding these resolutions to the Regents.

Dr. Fred Hashimoto, Professor of Medicine, gave public input in strong support of the resolution overwhelmingly passed by the Faculty Senate to reinstate men's Olympic sports of gymnastics, wrestling, and swimming.

Dr. Geissman announced another resolution entertained by the Faculty Senate in support of the "nearly unanimous vote" of the Senate in 1994 to require UNM cease participation in intercollegiate sports entirely. This resolution was not approved by Faculty Senate at the April 24, 2001 meeting by a vote of 14 against, 8 in favor, 1 abstention. Also, at the May 8 Faculty Senate meeting, the Senate entertained a series of resolutions from the Faculty Senate Library Committee regarding such issues as the removal of journals in mathematics, physics, etc. from Centennial Library and future issues concerning storage in the UNM Library System. Dr. Geissman noted the quick response and concern of the UNM Library and said actions are being taken to restore the journals.
