GPSA Council Ad Hoc Constitutional Committee  
December 16, 2010

- Committee convened and discussed overall goals, including:
  - o Update GPSA Constitution to reflect current practices
  - o Improve accessibility and functionality for GPSA members
  - o Edit and reformat the document so that all articles are in the same format
  - o Research peer institutions and develop an understanding of the best practices of similar models
  - o Separate the Constitution and Bylaws into two separate documents so that it is clear what is Constitution and what is Bylaws
- The Committee drafted a proposed outline for the Constitution that would group related information into single articles (ex: all Executive functions to be grouped in Article II).
