7000 See Intra-Squad Tilt; Coach Unveils Double Wing Play

By Brooks Currey

A crowd of 7,000 football fans saw a hard running Cherry team knock out a 32-18 decision over Lobo team members of the Silver squad on Zimmerman Field last Friday night.

It was a wide open game with Fullback John Watson ripping off spectacular yardage on each carry. Watson, all-state at Hobbs in 1948, showed astounding skill in the open field end of the game and threw several neat passes during the fray.

Quarterback Bill Guiney, Cherry team, played an excellent game in the linebacker spot. On the defensive platoon, Guiney tackled hard and low to hold down any scoring ideas of the Silver group.

The debut of the double wing met with approval of the fans at its first showing. Even more interesting than the new plays, was the showing of fundamentals—blocking and tackling. When possible, both teams tackled low and hard and the blocking was improved over last year's play.

Fumbles, through lack of time, were instrumental in halting scoring marches of both teams. Despite this and other wrinkles that can be ironed out, Coach Dud DeGroot and staff have favorably impressed local followers with their work on the gridiron.

Polls Draw 1667 In Close Race

By Ed Glaser

Joe Passaretti was elected student body president yesterday as the Campus Party captured a majority of five of the nine Student Council seats in the general elections.

The Campus Party held its edge, getting two out of three athletic council seats at the same time.

A total of 1667 students turned out for the election.

In the hotly-contested presidential battle, Passaretti garnered 835 votes, edging by 61 ballots his USP opponent Fenton Kelley. Approximately the same margin of difference in voting strength figured in all races.

Elected to the Council on the Senior ticket were Passaretti (CP), Kelley (USP), Molly Mullane (CP), and Jay Rosenbaum (USP).

New junior council members will be Gypsy Jo Bennett (USP), Al Eisenberg (CP), and Eddie Driscoll (CP).

Voters chose Shirley Williams (USP) and Dave Reynolds (CP) to the Council from the sophomore class.

Jack Fillingham (USP), Paul Shodal (CP), and Jack Davis (CP) were elected to Athletic Council positions.

With the exception of the student body president race, returns were almost identical with last year's results when the Campus Party also won a five to four majority. Last year, however, the United Students Party took the presidency.

The only incumbent council-member who ran, Gypsy Jo Bennett, was returned to office.

More than 100 ballots were completely invalidated, as voters mis-marked their votes.

Twelve persons, headed by Dean Howard V. Matheny took nearly four hours to count the complicated Hare method. The election committee was composed of senior council members, Khatali, and Mortar Board.

Unofficial Campus Party spokesmen were, of course, jubilant at the returns, but registered no surprise at the outcome. Student Body President and USP party chairman Bill Fields congratulated the victors for waging a clean race and pledged minority cooperation next year.

The polls were open from 8 a. m. to 5 p. m. yesterday as party workers flooded the campus with literature. For more than a month both camps waged one of the strongest campaigns in UNM history.

The 1667 turnout was short of the all-time record, but was considered "high" by election workers.

Rodey's 'Peer Gynt' Opens at 8:30 Tonite For Ten-Night Stand

By Bill Wade

After weeks of rehearsals and construction involving more than a hundred students and faculty members Henrik Ibsen's satirical drama "Peer Gynt" will open its 10-night run tonight at 8:30 in Rodey Hall.

Ibsen created the play from Norwegian folk legend, and it was first presented in 1876. In it are many of the characteristics that have made "Hamlet" and "Faust" such notable highlights in theatre. Through the central character of Peer is expressed the human weaknesses and disillusionment which man shows in his struggle with life. Dave Hayes is Peer in Part I and in Part II, Don Chilcott.

The rest of the cast is made up by: Barbara Eager, Jack Main, Dorothy Dabney Kehoe, Ted Thorson, Lois Roberts, Al Hadley, George A. Ramsey, Jr., Yvonne Yarcho, Bill Greene, L. B. Wallerstein, Bob Combs, Vernon Goldizen, Barbara Griffin, Bill Blanc, Molly Woods, Sally Cook, Mark Wright, Phyllis Burk, Nancy Ann Fishback, Nancy Hadden, Isle Jenkins, Anne Kelsey, Lois Reed, Martha Weeks, Martha Mills, Jennifer Masley, and Sandy Bettin and Dan Large.

Edwin Snapp, as director, has had the job of developing the acting and blending the dancing and music into the final show. Dorothy Davies Miller is dance director, and has a record of work in such past University Theatre hits as "Dark of the Moon" and "The Fireman's Flame." Kurt Frederick, conductor of the Albuquerque Civic Symphony, has been directing an orchestra of 21 and a chorus of 6 in the music of Edward Grieg.

Costume designs were drawn by Robert L. Klein and set designs by Klein and Bill Greene. Nadene Blackburn leads lighting and costume crews, and Technical Director James H. Miller is in charge of scenery.

WSSF Drive Begins . . .

Sacrifice Meal Marks Drive's Start

By Clint Smith

World Student Service Fund drive begins in earnest throughout the campus today.

Plans for boosting the drive have been mapped out, according to Barbara Wykes, general chairman of the drive, sponsored this year by Kappa Alpha Theta sorority.

Plans include a sacrifice supper tonight at all student sorority and fraternity dining halls. It was put over by Sue Ann Stevens.

Other plans include a fund-raising drive at the honors assembly in the gym Wednesday evening at 7:30. It is to be entitled "Faculty Goes Wild," and will be caricatures of favorite faculty members, each one imitating himself.

The poor faculty will also give their all Thursday noon in the

SUB, when they will auction themselves off to do menial labor for those who "buy" them for the day.

The WSSF was originally formed in 1937 to help students in the ravaged countries in the Far East. After World War II, it was extended so that it now includes 40 nations throughout the world. Countries behind the iron curtain, of course, are not permitted by Russia to accept aid.

Among the officers of the national WSSF are Dr. George N. Shuster, former president of Hunter College and Dr. Kathrine McBride, of Bryn Mawr.

National drive last year netted \$485,000. Goal this year is \$600,000.

Committee heads this year at UNM are Nancy Rhodes, Gypsy Jo Bennett, Jerome Biddle, Carolyn Koch, and Lee Arnett.
