Graved with the name of LEE! Baltimore, Oct. 14, 1870. Eloquent Tribute to Gen, Lee.

In a late number of the New York Herald we find a beautiful tribute to his worth, from which we select:

On a quiet autumn morning, in the land he loved so well, and, as he held, served so faithfully, the spirit of Robert Edward Lee left the clay which it had so much enobled and traveled out of this world into the great and mysterious land. Yesterday the expressions of regret which sprang from the few who sur-rounded the redside of the dying soldier and christian will be swelled to-day into the mighty voice of sorrow, resound. ing throughout our country, and extending over all parts of the world where his great genius and his many virtues are known. For not to the Southern people aione shall be limited the tribute of a tear over the dead Virginian. Here in the North, forgetting that the time was when the sword of Robert Edward Lee was drawn against us-forgetting and torgiving all the years of bloodshed and agony-we have long since ceased to look upon him as the confederate leader; but have claimed him as one of ourselves; have cherished and felt proud of his military genius as belonging to us; have re-counted and recorded his triumphs as our own-have extolled his virtues as reflecting honor upon us - for Robert Ed. ward Lee was an American, and the great nation which gave him birth would be to day unworthy of such a son if she

The THE UNIVERSITY MEDICINES work should be done on principles well understood. No person who has not had experience in grape growing should be allowed to trim vines. We have seen many vines ruined for the following season by being pruned by persons who did not understand their business. All the bearing wood of 1871 has grown in 1870; and it is the most mature canes that have grown this year that will bear fruit next season. Cut away all the old wood where it is evident that there is too much of it; then cut away all wood of late, immature growth; also cut off the ends of all canes left-to bear fruit, some more and some less, according to the space that you want them to occupy and you prune your vines about right.

To Marriageable Girls. If a man wipes his feet on the door-

mat before coming into the room, you may be sure he will make a good domestic husband If a man, in snuffing the candle, puts it out, you may be sure he will make a stupid husband If a man puts a han kerchief on his knees while taking tea, you may be sure he will make a prudent husband. In the same way, al ways mistrust the man who will not take the last piece of toust, but prefers wait-ing for the next warm batch; it is most likely that he will make a greedy and very selfish husband, with whom you will enjoy no 'brown' at dinner, no clust at tea, no peace whatever at home. The man, my dears, who wears goloshes, and is careful about waapping himself up before venturing into the night air, not unfrequently makes a good invalid husband, that mostly stops at home, and is easily comforted with slops. The man who watches the kittle and prevents its boiling over, will not fail, my dears, in his married state, in exercising the same care in always keeping the pot boiling. The man who does not take toa, ill treats cats, takes snuff, stands with his buck to the fire, is a brute whom I would not advise you, my dears, to marry upon any consideration, either for love or money; but most decidedly not for love. But the man who, when tea is over, is discovered to have had done, is sure to make a good husband. Patience like his deserves being rewarded with the best of wives and best of mothers in law. My dears, when you meet with such a man, do your utmost to marry him. In the severest winter he would not mind going to bed

BEST SOIL FOR PEACHES.

An intelligent writer gives his opinion as follows, in regard to the soil best

adapted for peaches: I have consulted many peach growers and find but one opinion on the subject, All prefer a sandy loam, and none are willing to plant in a heavy ground; and of all the orchards which I have visited, t bave seen none on heavy soil which were successful or profitable. I have tried the experiment on heavy land, and it has proved a failure; while ne ghbors on each side, who planted on light soll less desirable trees, have, with much less care and attention, five orchards, mine is

a manifest mistake. I have a few trees on moderately light soil which appear thrifty, have dark green foliage, and are evidently beauthy and vigorous, but they are neither reliable nor profitable; they are poor bearers, and the fruit does 1 ot color well and is of inferior quality. After this experience, I muss confess that I fully endorse the practice of the more experienced planters -that proftable crops of peaches cannot be grown on heavy soil.

They are combined, with great care, from fine Chemica's, with a true knowledge of their therapeutic properties and physiological effects. Nothing cheap, impure, or poisonous, has been tolerated in their composition. THE UNIVERSITY MEDICINES are sweeping th country from Maine to Mexico, becoming the leading Health Restoratives, and rapidly superseding the old poisons, flostrums, and nauseous drugs, and their sale is becoming enormous. They are now regularly prescribed by over one thousand physicians.

CONSERVATIVE TICKET.

CONGRESS, FOR THE STATE AT LARGE, RALEIGH T. DANIEL. OF RICHMOND.

CONSERVATICE NUMBER FOR SIXTH DISTRICT HON. JOHN T. HARRIS.

INDEPENDENT CONSERVATIVE CANDIDATE, FOR SIXTH CONGRESSIONAL DISTRICT. CORBIN M. REYNOLDS. OF BOTKTOURT.

DESPOTIC GOVERNMENT

How rapidly, since the Government fell into the hands of the radicals, has it been changed from a republic of soyr ereign States to a Central Despotism One by one the guarantees of the Feder al Constitution have been destroyed and the liberties of the people swallowed up until the President, from being only the executor of the will of the people, now sways despotio power over the people, and has more power than any King or Petentate in the world!

Acting under the authority conferred upon him by the so called amendments to the Constitution, which were forced upon all the Southern States, and not adopted by an honest and fair expression of public sentiment, President Grant not only sought to control the elections in the South by sending the military to prevent protended disorders, but has any nounced his determination to send a military torce to the city of N York for the purpose of over awing the Democracy at the approaching elections. The Presi dent must know that the municipal au thorities of the city of New York have abundant power to preserve order, and that there is not half the danger of riots, if the legitimate authorities are let alone and made responsible for all disorders, that may be expected if the President should carry out his purpose to interfere. Will not the people of New York rather regard the presence of the military as s menace than as a protection?—as an unwarrantable and unjustifiable interfercace with the rightful authority of the State and the legitimate powers invested in the municipal government of the city? Taking this view of the matter, we can-"not but regard the President's course as wrong in principle and unjustifiable by anything that has yet occurred, and it persisted in, must result in a military despot sm in utter violation of the rights of the States and subversive of the libertics of the people.

We know that the President is invest ed by the Constitution with authority to 1 ROTECT a State against foreign invasion or demestic insurrection, when such aid is invoked by the Governor of a State; tut it is a monstrous usurpation of power to send troops into a State to prevent disorders or riots which he assumes may possibly occur at an election.

In this matter, we fear, the President is permitting himself to be made a tool of by his party for political purposes Let the precedent be established, and it requires but little sagacity to foretell the end. The next presidential election will we carried at the point of the bayonet !

MURDER OF JOSEPH SHUMATE. -- We clip the following details of the murder of Capt Joseph Shumate, from the Mariposa, Cali-Ipinia Free Press, of O t. 7th: - Vindicator. FATAL AFFRAY -- Last Friday evening about dask. Joh. D. Hite, Joseph Shumate and two other men were engaged in converration in front of Schlageter's Hotel, when a man by the name of C. W. Smith, familiar. ly known as 'Artesian Smith,' stepped up and intersupted their talk, when he was jushed away by Hite, and requested to leave IJpon his returning Shumate addressed him and repeated the request, final y pushing or striking him. During the scuffle Smith drew a kuife and cut at both Hite and Shumate, stabbing the latter in the abdomen, and cutting through Hire's clothes, barely scratching the skin. Shumate drew a pistol and was about to shoot Smith, but Hite wrest ed the wespon from his hand, and at the same time saying to Smith. You have cut me, you old scoundrel, and only for your gray hairs I would shoot you,' At that time neither himself nor Shumate were aware of the wound of the latter. Upon subsequent ex-mination it was found that he had received a stab about two inches below the navel. the serious nature of which soon became apparent. Doctors Turner and Bedford were summoned to attend him, and showed him all possible attention. The unfortunate men lingered till Wednesday last, in great pain anost of the time, and died a little after noon. He was a native of Virginia, and has been a tesident of Hite's tove a little over four Neare He was highly esteemed by all who knew him. Smith was arrested by Under Sheriff King and lodged in jail. On the following day he had an examination and was placed under bonds of \$1 500, in default of which he was again remaided to jill. Except being generally worthless, in emperate and a dreadful bore, Smith has never been considered in any manner dangerious to the peace of the community. He was drunk, as usual, when the stabbing was done. The weapon used was a pocket k-ile with a dirk shaped blade.

TO THE VOTERS OF THE SIXTH CONGRESSIONAL DISTRICT

FELLOW-CITIZENS:

We deem it due to the Constructive party of the District that they should understand someting of the late so-called. Conservative Convention held in Harris sonburg, and of the reasons why its nomince should not be supported by that

The Convention was held at a time when the late disastrous flood, had compelled our people to forget politics for the time, and when the ordinary means of travel were broken up. None of the counties were fully represented; some were grossly misrepresented; while others were not represented at all.

The county of Botetourt had elected six delegates to the convention, only one of whom attended, and contrary to the known sentiments of his county, cast its vote for John T. Harris, though instructed by his colleagues to vote against him under all circumstances.

Rockbridge elected five delegates who were committed to vote against Mr. Harris, pope of whom succeeded in reaching the convention, and two gentlemen, with out authority, were admitted into the convention -one of whom, Dr. Graham, voted for Harris, while the same Dr. Graham, claiming to represent Alleghany county, cast the vote of hat county for Mr. Harris, against the known sentiments of the people.

The counties of Bath and Highland were unrepresented; but a Conservative gentleman from Highland presented himself for admission, who was rejected when it was ascertained that he would not vote for Harris.

From one township in Rockingham a double delegation was admitted, whereby the voice of the true delegation from that township was stifled in the convention. and they deprived of representation.

Known radicals were admitted into the convention, and of course voted for Mr. Harris.

The county of Warren was grossly misrepresented, and the vote of that county wrs cast against Giles Cook, Esq., the most popular man of his county, and in favor of Harris.

Two delegates from Lee Township, in Shenandoab, without any authority from the people, were admitted into the convention and voted for Harris. On several ballots, including the last, the vote of Shenaudoah was cast as a unit for Mr. Harris-thus misrepresenting several townships in the county and practicing a gross fraud upon the people,

Delegates were appointed at Strasburg at a time when the flood prevented a full attendance of the people of that town ship, and they were not fairly represented in the convention. It is unnecessary, however, to recapitulate so many specific acts, when the convention is an admitted fraud and its nomination so monstrous as to shock the Conservative heart of the district, and to preclude the possibility of his support by the Conservative party.

Mr. Harris was ignominiously defeated in this district last year, partly on ac. count of his refusal to support the Walker ticket, and partly on account of his complicity with one Rev. Mr Phelps and the Radical party. Nothing has since occurred to change the views of our people in regard to him. A nomination can give him no strength. He sought to break up the Democratic party in 1858 by running against its regular nominee. the gallant and accomplished James H Skinner; whose honorable scars received in battle attest his devo tion to the section he deemed it his duty

HARRIS AS "CO OPERATOR."

Mr Harris is estopped from claiming any support as the nominee of a convention, even if it were fairly constituted, because he has never recognized in his own case the action of a party convention. He is a professional office hunter and a political freebooter-ready to cooperate with any party for the sake of office. It is true, Mr. Harris claims in his unmailed letter to Governor Letcher. (written for effect, as Letcher was known to be a good Democrati) to be a "Democrat co operating with the Conservatives "-This is the best joke of the sesson, and he is the PRINCE of CO-OPERA-TORS! In 1858, he was a Democrat co operating with the Whig party to defeat Col. Skinner, the regular nominee, and to break up the Democratic party. During the war he was a "States Rights Democrat," CO-OPERATING with the Unionists. In 1865, he was still a "States Rights Democrat," CO-OPERATING with the Radicals, Pierpoint and Charles Lewis, and as a reward for co operation received the Judgeship from them; and in 1869 he was still a "States Rights Democrat," CO-OPERATING with Wells & the Radical party to secure his election to Congress. This is the Democratic-Conservative-Whig-Republicar-Radical-Convention and anti-convention candidate for Congress.

MR. HARRIS AS A PARDON BROKER.

If there was no other objection to Har. ris, the fact that he was, in 1865, a reg ular PARDON BROKER, should deprive him of the vote of the District. The fact that he charged FIVE HUNDRED DOLLARS in a number of instances, for obtaining pardons from the President of the United States for POOR RE. BELS, which were worthless when obtained, was an outrage too grievous to be borne; and when he demanded and received from old men like John Cowan of Rockingham, eighty years of age, who never participated and was not able to participate in the war, the sum of \$500. upon the pretence of obtaining a pardon for his rebellion, he forfeited all claims to any consideration at the hands of Southern men.

"HARRIS'S COMPLICITY WITH THE RADICALS!"

It is well known that in 1869, just on the eve of the Congressional election. Mr. Harris was cooperating with the Radical party That the name of Presiding Elder Phelps was withdrawn from the Radical ticket and that of John T Harris put in its place. That be applied a new revolution has broken out in to C. Douglas Gray, a Republican leader, to leave the name of the candidate for Congress on the Wells ticket in Rock. ingham BLANK; and that his name was voted on the Radical Ticket in Botetourt, Augusta, Rockbridge, and part of Rockingham.

As evidence of Mr. Harris's complicfrom Acapulco, and the governor ity with the Radical party in 1869, we give below the certificate of Dr. Wm. S.

| McOhesney, of Staunton, one of the most | and uncompromising representat ve respectable citizens of Augusta. Other evidence will be furnished hereafter.

I, Wm. S McCheaney, do hereby certify, that some short time after the election, as of July 6 h, 1869, as between Milnes and Harris, for a seat in Congress from the 6th Congressional District, I heard Judge Hugh W. Sheffey, in a conversation with a party of gentlemen, say, as follows, viz: 'I me, with Judge Harris on the street just before the election, and was in conversation with him, when a colored man of the name of Dennis Harris approached Judge Harris and ad dressed him as follows: "Judge Harris, I have been looking for you for an hour or more. That thing is all fixed. We have had a meeting to-uight; Mr. Phelps has declined in your favor. Your name (is you requested) has been placed on our ticket; the "Valley Virginian" is now printing them for you, and they will all be ready for you by morning '-upon which Judge Harris turned to Sheffey and said : "Sheffey, please say nothing about this (meaning the approach of Dennis Harris), it will injure me in the coming election"—Judge Sheff-y saying that after the election he no longer felt himself bound to secrecy, in reference to the said approach of Dennis Harris. Given under my hand, at Staunton, this

26th of October, 1870 " WM. S. McCHESNEY. And now, fellow Conservative voters of the Sixth Congressional District, we invoke your aid in the election of CORPIN M. REYNOLDS, Esq , of Botetourt county, to the next Congress, as the only Conservative candidate now in the field and in the vindication of the Conservative party of this District, against the attempt to foist upon it a candidate odious to the party, and in whose political integrity it places no confidence.

CONSERVATIVES Oct. 81, 1870. OF ROCKINGHAM.

HARRISONBURG, VA, Oct. 31, 1870. W. H. H. LYNN, Esq.,

Editor Staunton Vindicator DEAR SIR :-- We desire to communicate to you the fact, that the Conservatives of Rockingham county are united in the purpose to vote for COBBIN M. REYNOLDS. of Botetourt, as the only Conservative candidate in this District. We intend to give him 2,000 majority over Harris in this county on the 8th day of November. We earnestly appeal to old Augusta, and the other counties of the District, to wheel into line and emulate the example of Rockingham. R. A. Gray and all other Conservative candidates have withdrawn in favor of Mr. REY-NOLDs-and will support him actively and energetically up to sundown on the day of election.

We have the most cherring assurances that Shenandoah, Page, and the whole lower Valley, will co-operate with us. The pretended Convention which assembled here is proven to be a fraud in every seuse of the word, and its repudiation is essential to the success of the Conservative cause in this District.

Yours, Respectfully, THOS. SHUMATE. CHAS. E. HAAS. JOHN C. WOODSON. G. SHEIRY. J. K. PMITH. R. A. GRAY. J. D. PRICE. WM. B. COMPTON RAN D. CUSHEN. JOHN H. RALSTON.

And a large number of other Conservatives, representing all parts of Rockingham.

TO THE Conservative Voters OF THE

SIXTH CONGRESSIONAL DIST.

HARRISONBURG, VA. October 31, 1870.

FELLOW-CITIZENS :- A few days since I ann une d myself as an Independent candidate for Congress. Since I i sued my first address.

I have visited various portions of the District and have been received with the warmest manifestatious of favor by the people.

Gentlemen: 1 have but little more to say to you. I have already told you that I am not a politician, and have never worn political harness. I have offered myself as a candidate because of the outrageous frauds perpetrated on the people by the so-called convention held at Harrisonburg on the 13th inst. That body admitted representatives with out authority from the people, and manufactured delegates who had no authority to bind the people.

In Botetourt, my own county, the wishes of my people were outrageously misrepresented, and the true representative men of the county were prevented by the flood from attending the convention.

I believe that the farming, laboring and practical interests of the District have a right to a representative, and I know that it is their wish to discard BROKEN-DOWN PRO-

FESSIONAL POLITICIANS I refer you to my record as a Southern man, as a guarantee for my conduct should you elect me as your representative.

The Prople have a right to choose, and to them I appeal!

I have always been true to my people and section, and have 'no recantations to make or palinodes to sing."

I neither ask nor expect radical support-and the enormous Conservative majority in this District (nearly 12,000) precludes the possibility of the election of an open Radical candidate with but three candidates

I come before you as an out and out Conservative, and as such am willing to stand or fall.

I am of Virginia, with Virginia and for Virginia, first, last and all the time.

C. M. PEYNOLDS TO THE CONSERVATIVE PARTY OF THIS CON GRESIONAL DISTRICT .- I have reason to beheve that false and sensational circulars are being prepared to be thrown before the pub-lic on the eve of the election It is the work of a few persons who would rather gratify bad passions than witness the triumph of the Conservative party. As your chosen candidate I feel it my duty thus to warn you, in order to defeat the Radical condidate and to foil the object of these evil doers.

Stand by the organization of your party, and time will prove that he who has been chosen as its standard bearer is worthy the high trust reposed in him.

Respectfully,

JOHN T. HARRIS,

Nominee of the Conservative Party

MONTERRY, HIGHLAND CO.

October 24, 1870. Messrs. Editors:—I want to write you a few lines on the subject of polities. We are outdone with the action of the Couvention and will not touch John T. Harris with a 40 toot pole. We had a little meeting the other day. Stephed J. Reynolds, a Radical, addressed the meeting in favor of Harris. He was sustained by Wm. W. Fleving of Nova Scotia No true Democrat will vote for Har, ris under any circumstances, but the Radicals will, as they did last year. HIGHLAND.

To the Voters of Rockingham.

FELLOW CITIZENS; -In justice to mysel and friends, I appear before you, in the pub-lic prints, in order to vindicate and defend myself from fa'se and unfounded reports, placed in circulation by designing and unscrupulous parties, just on the eve of the election, in order, if possible, to defeat my election as County Clerk.

The first of these to use the exact language of my informant, is: - That Sheffey Lowis will withdraw as a candidate in my favor. and that in the event of my election, he is to have half the benefits of the uffire."

This report is false; there is no arrange ment whatever between Mr. Lewis and my he is to withdraw in my favor, and in case of my election, receive half the benefits of the office. I have no idea that Mr. L. wis intends to withdraw.

The second is: — "Phat I have taken what

is known as the iron clad cath." This report is maliciously false, and man ufactured out of the whole cloth; for I have never sought or held a position which re quired the taking of said oath, and would not por could not have taken it under any

Again, it is urged against me, "that I am the candidate of the Southern Methodist

I am the candidate of no church. now, and have been since I was exteen years of age, a member of the Methodist Church. I naturally expect to receive a fair proper tion of the M thedist vote, and at the same time hope to receive at least some support from other denominations. Why my church relations should be brought into this contest, I am at a loss to know, unless for the purpose of exciting sectarian prejudices, and to injure me with other denominations.

I call up n my friends throughout the

county to set me right before the people, wherever these false reports have gained cir-culation, and during the few remaining days that intervene before the election, to be more vigilant and active in my behalf. From what I know and have heard from various sections of the county, my prospects for election. I think are good; and hence, these fulso. norts are circulated on the eve of the election, 1. 'he hope of injuring me.

Again I say . my friends, be active and wigilant. I assure; my fellow citiz ns. should it be your pleasu. 'e elect me your County Clerk. I hope never ... JOSEPH T. LOGAN.

HARRISONBURG, VA., Oct. 28, 1870.

FRANKAIN TOWNSHIP. October 31, 1870.

MR. EDITOR :- The election is close at hand, and we should be careful to select the right kind of man for the office of County Clerk-one who is suber, intelligent, industrious, attentive to business, courteous and accommodating, ready to transact business promptly and pleasantly with those called o the office. Such a man we find in General John R Jones, who is now before the peo ple. A large number of us farmers have done business with him during the last four years, and can bear testimony to his straight forwardness, courtesy and kindnes. man has been more pleasant to do business man has been more pleasant to do business with than Gen. Jones. He is deserving of the confidence of the people, and if he is chosen to fill the office, we can feel assured of having a Clerk who will attend to us promptly and cheerfully, and discharge the duties of the office with fidelity. A VOTER.

MR. EDITOR:-Please announce the name of GEORGE H. WILLIAMS as a caudidate for Sheriff of Rockingham at the election on the 8th of November. For twelve years previ-ous to the year 1840 Mr. Williams filled the position of miller at the mill near New Market, then owned by Mr Abraham Byrd, dec'd. In 1840 he emigrated west. One year ago last March he returned to Rocking. ham. Having rode as deputy under his bro ther-in-law, in Galia county. Ohio, he has some experience in the business. We now offer him to the people of old Rockingham to serve them in the capacity of Sher ff I elected, he pledges himself to serve the peo-ple to the best of his abilities.

MANY VOTERS.

To the Voters of Rockingham.

FELLOW-CITIZENS: - I desire to say to you that I am still a candidate before you for the responsible position of Treasurer of Bockingham C unty. I'sm'extramely sorry that my engagements in my shop will prevent me from seeing many of you before the day of election. The fall and spring are the busy seasons in my business, and I am not in a condition to lose the time from my shop that would be necessary to enable nie to see all of you, which I am very auxious to de; and if any of you should be unseen before the 8th of November, it will be because I am unable to do so.

Give me your votes, and I pledge myself to an earnest, faithful and careful discharge of all the duties belonging to the office. Again I assure you that I am still and will be a candidate for the office until sundown

on the 8th day of November.

I call upon all of my friends to be active and vigilant, hoping it may be the pleasure of the people to elect me to the office of Treasurer of Rockingham County.

I am, very respectfully.

WAR NEWS.

Bazaine and Mets have capitulated The prisoners numbered 150,000, of which 20,000 were sick and wounded. General Coffiniers, commandant of the garrison of Metz, entered a written pro test against the surrender, declaring he was abundantly able to protract the defence into the winter, and that the recent defeats of the Germans bad made it practically impossible for them to imperil the possession of the place; and also, that there were provisious in abundance, both for the army and the people. Since the 15th of October the inhabitants had received daily rations of 400 grammes of bread for adults, 200 grammes of bread for children, and 100 grammes for infants. A London dispatch says it is stated that the surrender of Buzaine has been made upon a full understanding with the Prus sian Government that the occupation of Metz and Strasbourg shall be accepted as an adequate basis for withdrawing the German armies from France and concluding a peace Republicans in London de nounce Bazaine as a traitor. The Ger-LOGAN, Esq., a candidate to the office of mans will not be ready to bombard Paris the election to be held on the 8th day of Novemburg 1870.

[Aug/7] LOGAN, Esq., a candidate to the office of Clerk of the County Court of Rockingham, at the election to be held on the 8th day of Novemburg 1870. says 'Germany, regaining Metz, has the strongest point of the line of the Moselle and must keep it.' A skirmish without any decisive result took place on th banks of the Loire, near Orleans. Thursday. It is stated by later advice that the number of prisoners taken Metz will reach 173,000 A dispan from Berlin sayt that the French G ernment had rejected the terms of pee offered by King William, but it is www.said that they will be accepted. Noting is known of the movements on the lire, except that the opposing armies armaneuvering for a great battle, which is imminent. A dispatch from Bollon states that the capitulation of Metzs expeeted to bring a speedy end to th war. -Washington Chronicle. LATER.

Additional accounts of the spender of Metz represent that the contion of Bazaine's army rendered it impoble for him to continue the delense of ac place longer. Not only the army, buthe inhabitants were on the borders # starvation, and the issue was reduced imply to one of life and death, involving untold misery. The suspicions excessed by republicans in relation to the byalty of Bazaine seem to have been blounded. Minister Gambetta, however, ppears to take the disaster too bitterly be chari table and while yet unacquinted with the details, ventures to insinate that all was not right, while he decres that "in this epoch of rascally capitations there is one thing that neither of or will capitulate; that is, the Frene republic "-In the same spirit a proamation has been issued by the minists comprising the government at Tours conly charging Bazaine with having betreed the republie; "made himself the ant of the mag of Sedan, and the accompace of the invaders." SCHOOL TROBLES IN OHIO, -Since he election in this an attempt has been made by the Ridicals to force negro children into the piblic schools upon terms of equality with the white pupils, and as consequence great excitement exists among both casses of the population. It is greatly to le regretted that so ill-ad vised a step mould have been ventured on as this, for it can only result in injury to the mijority. In saying this we do not mean to be understood as opposing the education of the negroes. On the contrary, we are most anxious to see their moral and intellectual condition improved; but we cannot behold such a movement as this without being sensible that it is calculated to injure those in whose favorit is so injudiciously made. White and black children can never be mingled. together in this country Those who attempt it will only do harm and the great est sufferers by the experiment will be those who can least afford it No Let each race have its own school and give the interior one a fair chance for improvement, but the moment a union of the two is attempted the system will be destroyed and infinite mischief inflicted on that community which tries the experim nt For the sake of the negroes in Ohio we lament the movement; but look ing on it in another light, we see very clearly that it will aid in resting the State from Radical control at the next election. -Nortolk Journal

MILLS AND MILL DAMS.

IMPORTANT INFORMATION -- The subscriber would respectfully say to those who were so unfortunate as to have their Mills and Mill Dams swept away, that he is prepared to impart information for their con-struction upon a new plan, from eight hun dred to a thousand dollars cheaper than the old plan, and at the same time secured from high water. He had devoted many years to the study of this subject—being a practical millwright and a mill owner for many years -his information is the result of personal experience and observation. For a reasonable compensation he will give full directions for building mills and constructing dams according to his plan. He may be consulted at his mill near l'imberville, Rock. ingham county, or addressed by letter at that place. PHILIP STRICKLER.

The delay in the deliv.ry of the books was unavoidable.

T e New York World says: We are told that the Republican party is the peculiar friend of education. By forcing negro equality it has broken up the State universitie of North Carolina and Alabama, white students retusing and negroes failing to attend; and the ruin of the Mississippi University comes next. There are but seventy students this year against two hundred last, and, having been menaced with negro disciples, the faculty threaten to resign. Hand in hand with this wholesale demolition of the higher institutions of learning. we do not hear that the reconstructed State governments are d ing ore for primary instruction than the payment of fat salaries to a host of interloping vagabonds.

FATAL RAIDROAD ACCIDENT -On Thursday eve ing, as the westernbound freight train on the Chesapeake and Oh o railroad had just crossed Jerry's Run, and was ascending the grade, the rear rnd of the train broke lose and run bick to Jerry's Run trest ing. The trestling gave way and four cars went down the embankment a distance of eighty. feet, killing Mr. Gay, from Greenwood Depot, Va., and a negro man named Woodson, and wounding Mr. Shappard, of Waynesboro', Va., and Mr. Heppard, of Afton, Va.-Richmond Dispatch.

THE SPANISH THRONE -The Duke of Aosta, second son of Victor Emmanuel, has accepted the candidature for the Spanish crown, subject of course to the ratification of the Cortes. As his sister is the wife of the King of Portugal, the three royal families will thus become closedrawn together. The selection, if indeed Spain must have a king, is said to be unexceptionable. The liberal atmosphere in which this young man has been educated will fit him for a fair trial of constitutional government in Spain.

NEW YORK, October 29 .- The effect of the surrender of Metz upon the French people at home, may, perhaps, be imagined from the language of the best journals.— The Courier des Etats Unis of today says: 'If, unfortunately, it is true-if Bazaine has surrendered, his is a name henceforth d tested and devoted to execration. If Bazaine dealt this blow it would kill him; but let him be killed, not as a soldier, but as a dog.' And so the papers go on in this rambling style.

George Chahoon has been, after a Jong and full investigation of the facts, found guilty of obbing the Commonwealth in the Haunstein estate case, and his punishment fixed at four years in the penitentiary. A clearer case of guilt was never established in a criminal court; and the public is surprsed at the leniency of the jury in their award. The jury was composed of twelve as respectable, intelligent and honorable men as could be selected in the city of Richmond .-Enquirer.

Washington, Oct. 27 .- A circular from the Revenue Department directs the Assessors to demand from lignor dealers a statement of their stock of brandy, gin, rum, whiskey, high-wines, alcohol, and fruit brandies on hand, outside of bonded warehouses. Imported and domestic liquors must be separated. The statement is required on the 15th of November.

CINCINATI, Oct 28 -The official census of Olincinnati is 218 900. Besides this there are 33,853 persons who live outside the City limits and do buisness in the city. The total census in the counties composing the sou-thern district of Ohlo is 1,407 793.

Dividend paid Policy Holders, April 1st, 1869. Forty per cent.

This Company has met with a success beyond all parallel in Life Insurance, and offers to the Southern Public a Home enterprise equal to any and surpassed by none.

Commenced active operations about Nov. 1, 1867. Assets 15th Sept. 1869, \$2,000,000, now much increased. Policies issued over 11,000. It has paid \$81,000 for losses, and in every instance has waived the ninety days time and paid at once.

It advises the payment of ALL CASH premiums, because then dividends will continually decrease each next payment until nothing will be required, and the policy may be a source of income; but it will allow one-third lean on all policies.

It requires no notes for loans of the part of premiums, but endorses the loan of its policies until absorbed by dividends or policy is payable.

It has no restrictions on residence or travel. All its policies are non-forfeitable, and the rights of parties guaranteed on the face of the policy, as part of the contract.

It has the following valuable feature which no other company gives. The late war taught many the penalty of being separated from the Home Office, by having their part payment forfeited. "The Piedmont" guards against this in her policies, and in event of separation from its office by any intervention, guarantees to such all the right of non-forfeiture paid-up-policy, surrender value and reinstatement, as though there had been no intervening cause.

Its investments are made for the benefit of Southern advancement. It brings money to our people—keeps money with our people. Then why should they continue to impoverish themselves by sending money off which can as easily—as safely—as profitably—be spent at home?

The PIEDMONT asks all who wish to insure to compare its rates, terms and progress.

Notifies the people of the Valley that he is AGENT for the above named Company, and recommends it as safe and liberal. Address,

B. A. HAWKINS, Agent.

s, unquestioned, and very clearly unquestionable. I have come amongst the good people of Harrisonburg to live with them, and help forward the town, and I am well persuaded I have the good wishes and kind feeling of all the best citizens of the town.
