1981-82, "the year of the building"

The year of the building program" may be what the 1981-82 schoolyear will be labeled. Students, faculty, administrators, churches, and community organizations have all had a part in the furtherance of Olivet Nazarene College. We have witnessed the construction of two buildings on campus this year, the Larsen Fine Arts Center and the President's home, realizing that these additions to our campus are building blocks in the advancement of the ongoing purpose here. Planned also to enhance the campus as well as enrich future students' education, are the Parrott Field House and a Men's dormitory.

College, "the best years of

But surely more than the construction sites will be remembered when we reflect in later years on 1981-82. Friendships, events, academics, and religious experiences will inevitably be at the forefront in our minds. "The best years of our lives" will be the real label for our college years — a point of reference where every year will be measured from or compared to. In looking to the future, we all have our own individual building programs. The "college years" are a foundation upon which the remainder of our lives is built.

our lives...

Olivet, our foundation materials...

Just as a builder chooses the best materials for the structure according to the specific needs and plans for that structure, we have chosen our foundation materials — Olivet Nazarene College. We have chosen Olivet above multitudes of other schools. We could have chosen a school in sunny, oceanside Miami or San Diego, but instead we survive blustery snow storms and ice covered sidewalks in Kankakee. We could have chosen a school closer to home to cut back on living expenses and to be at Mom's dining room table for homecooked roast beef. But instead, we dine on SAGA meals, share dorm rooms with strangers, and travel hours to get back to campus for a 7:30 class.

Some might think we have been foolish in making the choice to come to Olivet, yet so many people have started here their freshman year and then gone away to another school only to end up returning to Olivet. There is a reason and a purpose in the existence of a school such as ours.

Christ, the cornerstone on which

is built all of our successes...

Just as the building program on our campus is for the betterment of Olivet as a college, our individual building program — our choice in coming to Olivet — is for the betterment of our futures. We have built stores of knowledge from professors and textbooks, experience from activities and training, relationships with God and peers. What has been built in each of us will equip us for demanding, exhilarating professions. Christ is the cornerstone. On Him is built all of our successes. The motto of Olivet, "Education with a Christian Purpose," was probably the underlying reason why we chose Olivet. May a Christian purpose live forever in our minds and continue to be the basis for all of our future building plans.

"You are members of God's household, built on the foundation of the apostles and prophets, with Christ Jesus himself as the chief cornerstone. In Him the whole building is joined together and raises to become a holy temple in the Lord. And in Him you too are being built together to become a dwelling in which God lives by His spirit." — Ephesians 2:19-22.

In Dedication

Born and educated in Flint, Michigan, Harlow Hopkins made his musical debut in the high school band and orchestra. In 1949, he began a music major at Olivet specializing in clarinet. He is noted as being the first student ever selected to direct Orpheus in a piece while on tour. (This year Orpheus once again performed that piece, "How Lovely Is Thy Dwelling Place," by Brahms.) While a senior in ONC he was selected Who's Who in American Colleges and Universities. Upon graduation, Dr. Walter Larsen offered him a position at Olivet, and so he taught part-time in '53-'54 and began full-time in '54-'55. Serving his country in the Army, the last 13 months of duty were spent traveling Europe with the Seventh Army Symphony which promoted goodwill between the United States and European countries. During this time he also continued to work on his masters degree at America's Conservatory of Music in Chicago. He received his masters degree in '56 after typing the thesis during Army leave.

Dr. Hopkins then returned to Olivet in 1957 and began his 25 year span as director of band. During '68-'70 he conducted the Kankakee Symphony and since '72 he has played first clarinet in the Kankakee Symphony.

In the '73 and '74 academic years he was named "Outstanding Educator" and in '74 was an Olivet Alumni Layman "O" Award recipient. He also received his doctorate in 1974.

Dr. Hopkins has many goals for the enrichment of the music department at Olivet. He has always hoped for the Larsen Fine Arts Center and the National Association of Schools of Music membership, especially since Dr. Walter Larsen applied for membership in the Spring of '57, but with his death the decision was tabled and never reviewed.

His hope to continually upgrade and maintain a high level of quality in education is evident in every area of responsibility he holds on this campus. His twenty-five years of dedicated service for the Lord and Olivet is deeply appreciated. As a token of our respect and gratitude we dedicate this sixty-ninth volume of the AURORA to Dr. Harlow Hopkins. Respectfully,

The Students, Faculty, Administration, and friends of Olivet Nazarene College

Leslie Parrott, Ph.D. College President

The 1981-82 academic year will always be known as the year of construction on the Larsen Fine Arts Center. Heavy duty trucks, mud which sticks and falls and blights the campus streets, delays, great moments of progress as the skyline changes, and forever raising funds are only forerunners for a myriad of decisions on the finishing and furnishing of the building.

But when it is finished, a new era begins in fine arts with the first in a long line of concerts, programs and recitals by the music people in the 600 seat Kresge Auditorium. The new Brandenburg Art Gallery will be a place to display the work of artists who have communicated on canvas. Drama will have a quantum leap forward in this new facility. It has been a dream a long time coming, but the time has come.

The 1981-82 academic year will also be remembered as the year of construction on the Hardy C. Powers President's Home on campus. This stately house will be an addition to campus architecture, making it possible for the president to be involved more fully in campus events and to entertain groups at home. However, the house is built so it can one day be taken over for a counseling center or some other campus need when another president may prefer to live off campus.

Next year, 1982-83, is the Diamond Jubilee Year. But in many ways, this year has been the launching pad for Olivet's 75th Anniversary celebration; a year to remember.

WHAT WAS, WHAT WASN'T, WHAT STILL IS

The year began with everyone wearing congeniality and new topsiders. Tan and thin, ready for the new beginning each school year offers. We grew up over the summer or "got it together" — we were ready to habitize the new changes. Anxious to see old friends, apprehensive to see some. Self-inflicted vows of "this is my all A year", "the year to stay organized," or "I'm saving all my cuts until the end of the semester."

WHAT WAS — Three stooges, backgammon, "General Hospital", charades, firecrackers in Dr. Dean's class, a short lived earring fad, Pac-Man, Princess Di fanatics, touring the construction sight of the President's new house, and beating Anderson was in.

It was acceptable to go to girls' volleyball games, Sunday School and piranha feedings.

The norm was to be over-dressed if you had socks on, so 'air-hosing' (no socks) was a regular sight. You were under-dressed if you didn't have a polo player, crocodile, or Calvin Klein insignia on. College means you've outgrown iron-on church camp tags and you mature to wearing clothes with someone else's name on the pocket.

While the Dodgers were winning the World Series, Reagan was talking of war, and AWAC sale became reality — *Glimmerglass* gave front page coverage to the new washing machines.

WHAT WASN'T — Stolen books from the library, pranks in chapel, Sunday dinner without jackets, or a Gaither concert.

WHAT STILL IS — College campus' have the "never-get-betters," the guys who won't date, everyone is too busy and everyone has to hear about everyone else's busy-ness, choral union, cliques, those eternalized ten pounds. Students still go through homesickness, sophomore blues, room-check, and senioritis.

New buildings, new profs, another class of "best looking freshman girls," and new goals, but we'll always return to a year of "significance."

Commencement Exercises of 1981

Mothers with handkerchief in hand . . .
Fathers busting their buttons with pride . . .
Girls trying to keep caps pinned on . . .
Guys in long flowing robes . . .

These were some of the sights in front of Benner Library on May 25, 1981, the day the class of 1981 graduated from Olivet Nazarene College.

On this beautiful sunny day, Dr. Leslie Parrott shook the hands of 331 students who had anticipated this moment, for what seemed like a lifetime, but was only four years.

Throughout days of commencement activities, there were many exciting moments. The baccalaureate sermon was given by Dr. Parrott and the evening message was given by General Superintendent, Dr. William Greathouse.

The events that took place during those few days were a culmination of hard work and determination.

Congratulations to the class of '81!

CHANGING OUR ATTITUDES

HOLINESS CRUSADE

"Holiness unto the Lord" was the theme of the 1982 Holiness Crusade, which ran from February 3rd through February 7th. Dan Steele, of Kansas City, Kansas sparkled as the song evangelist for the Crusade. In addition to his special music Mr. Steele spearheaded an excellent volunteer choir which averaged well over sixty in attendance. Dr. Dennis Kinlaw, President Emeritus of Asbury College, waxed eloquent delivering inspiring messages which changed many lives through the convicting power of the Holy Spirit. This is the first time Olivet has had the Crusade on its campus but Olivetians hope this will be an annual event.

Fun at the Follies

In September students took a weekend off to participate in the annual Ollies Follies, an event where students from each class compete against each other. Friday night, the girls played volleyball, while the guys played flag football.

Saturday was spent tossing balloons, and eggs, building pyramids, and whirling hula-hoops. Also, various relay races were run and the highlight of the day was a tug-of-war.

On Saturday evening students displayed their talents in a variety show where each class had representatives performing a musical number or a skit. A pie eating and jello slurping contest enabled audience participation. When the points were tallied, the Sophomore class was the overall champions, followed closely by the Seniors, Juniors, and Freshmen respectively.

Seniors' Late-Night Party

When the Seniors have a party, they have a good one. It all began at 7:30 at the First Church of the Nazarene in Kankakee. It was an evening packed with entertainment and fun. At the Bonfire the fun included "s'mores", singing, and the "pan game". Inside during the Disney films they crunched on popcorn and other munchies. Then later after a rigorous volleyball game they had a great buffet of fruit, vegetables, crackers and cheese. After some singing around the piano, a horror film, and a massive clean-up, they concluded the exciting evening with a devotional by class chaplain Judy Johnson.

Clubs Enlist New Recruits

It was an exceptional club day this year. Many people signed up for each club and wanted to get involved. This year there was a new club added to the list — the ski club. They set up an interesting booth with pictures of snow-covered slopes and ski runs. Each club did a great job of decorating their booth which made for a better club day.

“On the Radio”

A highly anticipated event on Olivet's campus, which took place October 15 and 16, was Orpheus Variety Show featuring selections "On the Radio." After weeks of individual preparation, auditions were held to select the finest acts to make up a truly remarkable and memorable musical extravaganza. A wide gambit of stars performed on stage some of which included, Sonny and Cher, Carol Burnetts' "Pigeon Lady," the Orphites, and various "original" pieces. The Star Spangled Banner, a traditional highlight, opened the eventful evening. The talent of the Orpheus members shone through in their acting, singing, and in the fabulous costuming and staging of segments. The grand finale, imitating "Boy From New York City" by the Manhattan Transfer, brought the crowds to their feet clammering for more.

LATE LATE SKATES

Again this year the cheerleaders sponsored a late skate to raise money for their traveling expenses to and from the athletic events.

The rollerskating nights always seem to be a favorite of the student body and many people turned out for the event.

NURSES TRAIN TO SAVE LIVES

Cardiopulmonary resuscitation (CPR) is a life-saving skill that all nursing students are required to master. CPR training is taught in the "Nursing of Adults class" during the junior year in the nursing program. After successfully performing CPR on "Annie" the practice mannequin, students are eligible for certification by the National Heart Association.

'Tis the Season to Be-Witching

October 31, was a cold, dark, dreary night. What could be more bewitching for the annual Halloween events sponsored by the Junior Class. The evening began with a mysterious, as well as lengthy journey into the seclusion of Aroma Park.

The first leg of the trek found each bevy stumbling through a maze of utter darkness and things that went bump in the night. As the light at the end of the tunnel dimmed, the plot thickened with the viewing of a film, Edgar Allen Poe's, "House of Usher."

As the film came to an end, the doors opened and again each group of guinea pigs were whisked away for a "Walk in the dark." Although the woods were infested with goblins, witches and executioners, all seemed to survive the ordeal and relax around the bonfire with hot chocolate, cider and donut holes.

On the previous Friday, the 23rd, the campus was alive with ghost, goblins, crayons, Snow White and the seven dwarfs, not to mention the polo player on horseback. Trick-or-Treaters of various description were let loose in the dorms to gather candy and kisses, and if appropriate, play tricks. The big round-up occurred in the cafeteria where the Freshman Class sponsored the Halloween party. A splendid time witnessed by all.

HOMECOMING 1981

Homecoming 1981 was a tremendous, exciting event at ONC. Comments by alumni, faculty, students and other visitors went something like this:

"Having a fantastic time, better than ever!"

"There are so many activities to choose from I can't decide, and they're all terrific!"

"I'm so proud to be associated with a college like this."

"Isn't it great to see how God is watering the seeds that were planted in the hearts of so many students here at Olivet over the years!"

"Education with a Christian purpose pays off!"

"Every time I stand and sing the Alma Mater I'm made more aware of how much a part of my life Olivet Nazarene College has played."

"FOR EVERYTHING THERE IS A SEASON"

As the parade made its way along the route from The First Church of the Nazarene in Kankakee to the campus, many people along the street enjoyed the color and excitement of its 35 different entrees.

The theme for this year's homecoming parade was "For everything there is a season." The winners of the float competition were: Pre-Law Club (1st place club), Sophomore Class (1st place Class), Jr. Class won the grand prize.

“TARTUFFE”

One of the greatest comic satires ever written, “Tartuffe” by Moliere, was the drama department Fall production. The play was staged in Reed Auditorium to crowded audiences during homecoming weekend for Alumni and the following week for students.

“Tartuffe” takes a satirical look at religious hypocrisy in the 17th century but is timeless in its message that warns us against imposters. The plot revolves around a hypocrite who cons the head of a household into giving him everything he owns.

The production was directed by Professor Nancy Kendall and Mike Malone. Both were pleased by the outcome of the performances as well as the unusually large amount of new talent at Olivet. “I am excited about the future of drama at Olivet,” says Malone, “This production will stimulate interest in this area of the arts.”

ALUMNI CHEER FOR THE TIGERS

The Tiger basketball season opened with two Homecoming games on Friday night. Olivet defeated Northeastern, Illinois by a score of 82 to 72. On Saturday night, Olivet and Loras College played a close game, with the Tigers coming out on top by a score of 73 to 67. Record crowds filled the stands at BBCHS for both of these exciting matches.

Good experience and new recruits made the 1981 ONC wrestling team one of the finest. In the season opener, the ONC Grapplers took on the University of Chicago, defeating them 36 to 15. Fans, both young and old saw a demonstration of skill and determination as team co-captains Joe Nugent and Steve Klock lead the team to victory.

SACRED SELECTIONS

The Homecoming Concerts offered a variety of musical entertainment for the audience during the weekend. At the Sacred Concert on Friday night, selections were performed by the Alumni, Viking Male Chorus, Treble Clef, Orpheus Choir, Concert Band and Orchestra. Highlights of the evening were Alumni Soloists Kathryn Jorden, Suzanne Slaughter, Tim Gluck and the Treble Clef Choir singing 'Old Irish Blessing' in sign language. Receiving the prestigious Alumni "O" Awards for their outstanding service were Mrs. Carolyn Lunn, Layman, and Dr. Joseph Nielson, Ministerial.

POPS AND POPCORN

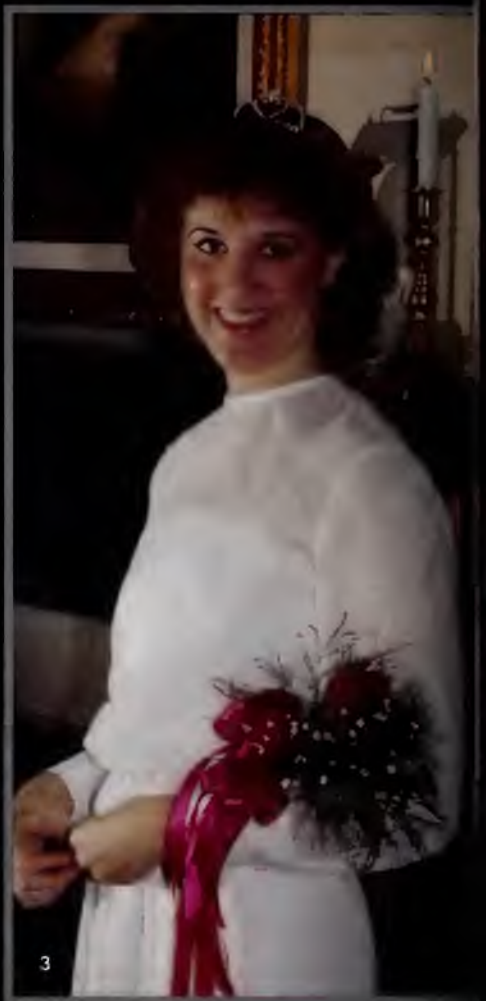

On Saturday night at the Pops Concert, the audience listened to the College Orchestra and the Alumni Pops Chorus. While sitting at small tables covered with red checkered tablecloths, listeners ate popcorn and peanuts, enjoying selections from "West Side Story" and "Fiddler on the Roof." The audience participated in a singalong, a medley of eight folk tunes arranged by Ovid Young.

THE 1981 QUEEN JANET CAMPBELL AND HER

This year's coronation was considered one of the best in homecoming history. The students voted Miss Janet Campbell to be crowned queen. Janet is a nursing major and plans to graduate in the spring and work in the field of terminal illnesses. Her court consisted of four beautiful girls: Brenda Frey, Shelly Neal, Missy Zelinski and Marcia Cruzen.

GENERAL ARNOLD BROWN DAY

It was an honor this year to have the international leader of The Salvation Army, General Arnold Brown, on our campus for a day.

General Brown brings the skills of a preacher, administrator, writer, broadcaster, music composer, conductor, and public relations expert to his demanding tasks as the international leader of the Salvation Army from headquarters offices in London, England. His officers commend him as an outstanding communicator of the gospel and the ministry of the movement.

During the chapel service an honorary doctorate degree was conferred upon General Arnold Brown by the president of the college, Dr. Leslie Parrott.

O CHRISTMAS TREE

Everything seemed to transform on campus the weekend of December 13. After the social committee got its hands on Ludwig to decorate for the All School Christmas Party no one would have guessed it was the same place students go to play Pac-Man and eat pizza grinders. Sprites were Christmas, girls were clad in red, green, and black, and guys made major overhauls on their attire and manners.

The evening was dedicated to Mrs. Beverly Lee, director of Student Affairs; she and Dr. Parrott were given Christmas gifts from the student body and the night began.

A good party consists of panic, last minute changes, and involvement. It was a good party.

Clubs were involved in the Christmas Tree Decorating Contest (won by AURORA for their lace bows and baby's breath), the entertainment for the banquet involved Concert Singers, a brass trio, and a toyland play by elementary children. An old Christmas tradition was rekindled and a yule log was lit in the quadrangle area by Mrs. Parrott and ASG president Juli Crabtree.

The transformation was sudden and everyone was back to eating pizza grinders in cords Monday, but the weekend will long be remembered.

MESSIAH . . . MARVEL OF MUSIC

"Master Musicians Handbell Choir", under the direction of Marla Kensey, opened the 1981 performance of 'Handels Messiah' with some mellow yuletide selections. Soloists for the performance were Steve Gould and Gary Davey, tenors; Jana Friend and Rhonda Moreland, altos; Kim Kirkpatrick, soprano and Greg Yates, bass. The choral union and orchestra also enhanced the performance. A responsive audience applauded vigorously for the director, Professor Joseph Noble, showing great appreciation.

TWIRP WEEK GOES HAWAIIAN

This is the week that guys wait by the phone for that special girl to call, while those special girls get butterflies in their stomachs trying to get the nerve to ask out that tremendous guy.

M.R.A., W.R.A., and the Social Committee are responsible for the activities during this week of embarrassment and excitement. Activities include nights of bowling, ice cream socials, concerts, Hawaiian dinners and the famous Luau where five freshman girls are indoctrinated into Olivet.

RAGS AND RUGGED COWBOYS

This year several groups sponsored new and exciting kinds of parties. One night it seemed as if hobos and bums had taken over Ludwig Center when the senior class sponsored the Poor Party. Featuring poor planning, poor entertainment, poor jokes, and poor food consisting of bread and water. Everyone had a good time pretending to be poor for a night. (Some of us didn't even have to pretend.)

Later in the year M.R.A. sponsored the biggest gun-slingin', cattle rustlin' western night Olivet has ever had. Amidst a sea of hats and boots in the cafeteria, students participated in singing and a lot of good old-fashioned fun.

CONCERT IN THE "QUAD"

Take a warm evening, Tim McGuire and his band, and what do we get? Good music in the Quad! This was a good break from studies and a good time to relax and listen as the pre-band (the Olivetians) and Tim and the band ministered.

The first concert of the year was the Sharrett's. A family group from Georgia, who sing original compositions, four part gospel, and "Imperial-style" sacred music. The audience was sparse, but the spirit and enthusiasm was high.

MESMERIZED BY MIME

In an effort to introduce a different type of entertainment to the campus, the Social Committee sponsored a professional Mime who has entertained colleges throughout the country. Steven Ivicich performed an excellent show filled with interesting and amusing routines.

WITTY COMEDY COMES TO CAMPUS

John and Vickie Jo Witty are a Christian Comedy Team that preach the gospel in an unusual way. The audience sees a hypocritical Christian, a troubled business man, a psychiatric patient, and a 50's rock group all in one show. The Witty's hit "home" in areas of every Christian's life.

CHAPEL CHECKERS

Chapel checkers is not a game you play during chapel on a red and black squared-off board. Chapel checkers are those dedicated few who tabulate when we attend and when we cannot attend chapel services. Three days a week, Tuesday, Wednesday, Thursday, is all we see of them, but much more goes on behind the scenes as Mrs. Beatty and her "helper", Bill Slattery, keep track of the attendance records, repair Bibles and songbooks, rearrange disheveled chairs and take calls and nurses excuses.

SPRING REVIVAL

"Holy Spirit, be my guide" was a song sung at every service of the Spring Revival, March 2-7. Through the ministries of Dr. Steven Manley and Gary Moore, the Holy Spirit moved upon our campus reviving souls and establishing commitment.

PETE CARLSON CONCERT

To conclude the Twirp Week activities, the Women's Resident Association sponsored a concert featuring Pete Carlson. Pete blends his musical talent with his desire to share his faith in Christ. He has an uncanny sense of getting the attention of the audience and keeping their minds directed toward God. The students that attended the concert said that it was a great Christian experience and that they really felt involved in it.

BATTLE AT BACKGAMMON

Everyone manned their playing boards as the Backgammon tournament rolled into action. A select and experienced few battled it out until Mike Parsons triumphed in the end as the winner. The second and third place winners were Gary Babich and Mike Chandler. The tournament was sponsored by the sophomore class.

BEYOND THE CORNFIELDS

Bright lights, a cool breeze, and a carnival atmosphere describe the greatest city in the Midwest, Chicago. "But there's nothing to do, no place to go, no place to eat," is often heard on this campus. Chicago offers every kind of activity from exciting to extravagant.

If you are tired of hamburgers, pizza, and tacos, Chicago has every kind of food for every kind of price. It seems that people have just forgotten the most scenic, cultural, and fun place since Disneyland.

As for places to go, there are things to be seen and done. If you've never seen the Windy City from one of the world's tallest buildings, then visit the John Hancock or the Sears Tower Observatories. On a clear day you can see forever, and at night the city shimmers with a diamond-light.

If you like museums, Chicago has two of the finest. The Museum of Science and Industry has many interesting exhibits: tour a submarine, visit a functioning coal mine, or walk through a heart. The Field Museum of Natural History located on Lake Shore Drive is another day long adventure. Why not study some of the creation at the John G. Shedd Aquarium, the Adler Planetarium, or even the Lincoln Park Zoo?

There is an endless list of things to do that can't be done anywhere else. Take a late night boat cruise around Lake Michigan, a horse-drawn carriage around the city, a private plane ride over the city, or just walk around Michigan Avenue and window shop. Water Tower Place, Saks Fifth Avenue, Gucci, and I. Magnin are wonderful stores — but for most of us, the Loop offers the right price.

For those of you who enjoy the performing arts, there are Broadway plays, musicals, music festivals, and art shows all over the city. The Shubert Theater, the Blackstone Theater, Arie Crown Theater, the Stadium, and the Amphitheater are always hosting fine entertainment for a special night. "The Chicago Art Institute houses one of the finest collections of art in America, especially the French Impressionist sec-

tion," says Prof. Harvey Collins, chairman of the art department. Also, the Hyatt Regency on Wacker Drive provides free jazz on Friday nights.

The Chicago Public Library's Cultural Center regularly sponsors seminars, workshops, and free demonstrations on the arts and there is always an exhibit at McCormick Place, whether it be an auto show, flower show, of computer conference.

Chicago also has every professional sport on the circuit. Soccer, football, baseball, basketball, and hockey are seasonal events that are frequently visited by ONC students.

Chicago has a virtual smorgasbord when it comes to restaurant selection. There are hundreds of sandwich shops, delis, and standup cafes that serve an excellent meal. But for those of you who want to go to a nice restaurant, there are plenty of choices.

We'll start with medium prices. The "Lettuce Entertain You" restaurants are all famous for an excellent menu and an interesting atmosphere. The great Gritzby's Flying Food Show serves a reasonably priced meal in an art-deco atmosphere. R. J. Grunts, a more casual atmosphere, seems to be one of the best. "They have a salad bar that will knock your socks off

and a super relaxed atmosphere. The meal you get far outweighs the reasonable price," says Dave Taylor, a senior who frequently visits Chicago restaurants.

For a little bit of Mexico in the City, try Guadelaharry's which specializes in every kind of Mexican dish. Gino's East will bring you a little closer to Italy with its house specialty. Sandwiches are excellent for the price. These restaurants cost approximately \$15 to \$20 for two.

A little higher priced, but well worth the money is our next category. Berghoffs, a German Restaurant with an 1898 atmosphere, is among the 10 finest restaurants around. "It is famous for having the best "inland" seafood and their steaks are excellent" says Taylor. Sweetwater has a wonderful menu and excellent atmosphere although it is a little louder. Meals from these restaurants run \$30 to \$40.

In our final category, we have the special restaurants. Meals here cost from \$45 on up. Arnies, which requires reservations and a suit and tie provides constant dinner music along with excellent food. The 95th, which is on one of the top levels of the Hancock Building, requires a jacket and has one of the most breathtaking views of Chicago for its atmosphere. The Ritz, in the Ritz Carleton, has piano music, walking violinists, and gourmet cuisine that is the finest in Chicago. For the special times, make it one of these three.

Chicago is the cultural hub of the Midwest. So often we think that there is nothing but cornfields surrounding us. Well, just beyond the tassels — far enough away but close enough to enjoy — is a great place to have a great time and a good meal for every kind of appetite.

All signs indicated that the 1981 Tiger Football Season was set, but somehow the form just didn't gel. The year promised to be hard, and it told the truth, with easier competition dropped from the schedule the gridiron threatened to be a foreboding place to spend a Saturday afternoon. To look at a team that finishes 4-5 you automatically think "losing season," but there was more to this season than just cold, stark numbers that make people yell when they see them flash up on a scoreboard.

There was determination, and dedication, but most of all there was that "never give up" attitude that tended to instill in players and fans alike the thought that just maybe it was a winning season after all.

With three games of over 100 yards rushing, and two games with 150+ yards passing, accompanied with three games of 50% completion of passes, you begin to conceive of an effective offense. The Defense contributed with not allowing 100 yards through the air in six games, also sacking the opposing QB at least twice in seven games.

The Tigers had been disappointed five times during the year, and with some fairly impressive stats to their credit they took their game on the road for one final confrontation . . . The time is 1:45 pm on Saturday, October 31. The place is Anderson College. The event is the final 1981 season football game.

"Quoth the Raven... 'Never- more!'"

"Our kids are gutsy; they play tough!"

1. Raven offense is piled up by the Tiger "D." — **L. Borst.** 2. Mitch Combs makes a valiant effort for extra yardage. — **L. Borst.** 3. Doug Gallup offers protection for Tim Johnson's halfback pass. — **L. Borst.**

As the 500 Olivetians gathered in the heart of the Church of God camp they were a little more than apprehensive. And not without good reason! Any minute their ONC Tigers would take the field under an extreme set of disadvantages. To list but a few: the Anderson College Ravens had gone undefeated in the 1980 season and were on the road to doing it again; the mighty Ravens had a set of All-Americans gracing its front line — these saviors were embodied in Gary Wood, nose guard, and Chuck Rhudy, defensive tackle; the opposition was ranked third nationally in the NAIA Division II; not a little troublesome was the fact that the Tigers were playing in their Mecca of sorts; but the straw that broke the back of our pre-game psyche was the 500 yards-per-game average that this awesome Raven offense had racked up. And, as if this apprehension wasn't intense enough, the first five minutes of the contest did little but increase this anxiety and insecurity.

Those in the stands didn't see any significance in ONC winning the toss and electing to receive but after the first play of the game this realization hit them like a loaded freight train.

The line of scrimmage was the 20 yard line. Senior Steve Auch was at the helm. The ball was snapped. Auch rolled. The ball was fumbled. Anderson recovered. Four short plays later the Ravens hit pay-dirt. The extra point attempt was blocked. Score: 6-0 Ravens. The next Tiger drive began and again they were unable to move the ball but a fine punt by Ernie Vandersteen drove the Raven starting blocks back to their 14 yard line. The next play was an 86 yard touchdown pass, the second longest in Anderson College history, from Tim Meschke to Mark Gittens.

This type of performance plagued the Tiger offense all afternoon. The redeemers of the squad were Tim "Truck" Johnson with several excellent rambles and a sensational halfback pass, Dave Bruce with his touchdown leap, and Butch Stafford with his two crucial extra points. But now we must turn from the mediocrity of the offense to the superb defensive performance.

Never has the Tiger defense been more awesome, more indomitable, more overwhelming! It would even be difficult to choose one over another on the merit of his performance. On three separate instances inside the 5 yard line we left them frustrated. The Tigers could have written the book on "goal-line stands." It was picture-perfect. Once the ball changed hands after a foolish Raven fourth down conversion attempt. Again the ball was coughed up only to be recovered by ONC on the 2 yard line. And again, the ball was intercepted by Senior Safety Mark Stuck. Other fine performers were Steve Peachy, nose guard; Steve "Satch" Sanders, linebacker; and several of the Ravens will remember the punishment meted out by Linebacker Bruce Brown.

When asked to what he attributed the loss, the Anderson Coach said it was a superhuman effort on the part of ONC. Actually, on this particular Halloween, the Tigers preferred the "treat" and left the "trick" for the humiliated Ravens.

14-13 Another Winning Season

"We told them before the game let's not fear these guys, just go out and play hard, keep your composure and things will turn out pretty good for us."

1. Senior Guard Keith Peachy moves through the zone defense to set up a play against North Central. — D. Nale. With their double-coverage, Pat Martin and Skyler Hasselbring force a turnover. — D. Nale.

In the beginning it looked like another typical Olivet Varsity Basketball season . . . but, as it turned out, it was very atypical. As the season ensued Olivetians settled back comfortably expecting their Tigers to wipe the boards clean as they had done in the past. And the first two games, the Homecoming season openers, did little but settle the fans in a little deeper. In two nights we embarrassed both a strong Northeastern Illinois University team and a equally capable Loras College squad. Even after the Cagers dropped four of the next eight the fans weren't too alarmed.

Then, with this 6-4 record, three

things happened to cause the feelings of impending doom to increase. The Tigers lost all upon whom so much of the offense depended, hit a bit of a slump and, upon returning home, the squad dropped five of the next seven. The season seemed lost for sure!!

Not so!!! If you attribute the losses in California to jet lag, the five losses a mid-season slump which every team has now and again, and consider the fact that when Skyler Hasselbring went cold Jon Hodge got super-charged, your faith in the mighty Tigers will again attain its unsullied sheen. And, as if yielding fruits to our faith, our (yes, we still claim them) Tigers finished

the season with a respectable 14-13 record after winning six of the final seven games. Good job, Tigers!!

There were some highlights of the season that should be mentioned. Somehow Coach Ralph Hodge finagled

It's Still The Year Of The Tiger

"I thought we played real well against an excellent team. We haven't beaten them in four years, but we did what we had to do. It was a real team effort."

— Ken Richardson, ass't coach

1. Jon Hodge takes a short shot against North Central. — D. Nale 2. Daryl Nelson and a Dutchman vie for rebound position. — T. Deckard.

a matchup with Eastern Illinois University, the first time Olivet has ever played a major university team. The Tigers made a respectable showing only losing to the greatly superior EIU squad by 11 points, most of which were scored in the last five minutes. We have to mention the two games against Illinois Benedictine and how we made fools out of them beating them by

seven the first away and by two on our home floor. Finally, there was the golden opportunity to play in the Silver Dome in Pontiac, Michigan. And, as if this was good enough, our Cagers wasted the nationally ranked Spring Arbor team 87-69.

What will happen to the Tiger Cagers next year? From the looks of things it will be a long season. With four of his top six

graduating, his quarterback of three years, Keith Peachy, who tied Don Barr's single game assist record of 16 in the game against Concordia; the Tigers will miss Pat Martin's hot outside shot; and who can match Daryl Nelson when it comes to meteing out punishment under the boards. Hopefully Coach Hodge can find the new talent and give us another exciting season next year.

DEDICATION, PRIDE, AND SPIRIT

Mona Duplessis threatens, "Tigers can take care of you." — **D. Ellis.**

The fact that a large part of the varsity football and basketball squads was new did not hold this year's ONC cheerleaders back. Under the leadership of Junior Captain Pam Gard, and sponsor Jill Erickson the cheerleaders displayed a group attitude of enthusiasm and dedication.

The squad's theme, "Shine for Christ," was aimed at putting Christ first in each individual life, allowing a Christian spirit to flow among the group — and it did.

Lots of hard work and long hours, beginning a week before fall classes even started, payed off in an exciting year for the cheerleaders. Some highlights of the year included cheering the Tigers on to victory against number 1 ranked Anderson and being able to travel with the basketball team to the Silver Dome in Pontiac, Michigan to cheer the Tigers for their humiliation of a highly ranked Spring Arbor team.

Growing experience among new squad members and continuance in the effort to "shine for Christ" promise an even better and more spirited next year for ONC Cheerleaders.

1981 was a building season for the Women's Softball Team. Despite the disappointing 8-9 record, the team did achieve certain goals. As Coach Brenda Patterson stated, "The win/loss record was not important; it was whether we did our best."

Considering the fact that only six of the thirteen players were former letter winners and five were freshmen, the season was quite respectable.

The trip to Tennessee during Spring Break helped establish and develop team unity, which was a dominant characteristic of the year.

Most Valuable Player, Diane Gamble, was the only graduating senior, so the 1982 team should be strong. Attitudes are good and anticipation is high for the coming season.

— Laura Geeding

Women's Sports Come To Fruition

In 1966 when the Board of Trustees approved a trial program of men's intercollegiate basketball, women were not yet part of the program. However, in the spring of 1966 the first unofficial women's tennis team played in an intercollegiate tennis tournament at Concordia College. This was the beginning. In 1968 the women's basketball program started with a schedule of two games. By 1971 the ladies were playing a 9 game schedule which has gradually

increased to a full schedule of 20. The biggest boost to women's athletics has come from Title IX. More equality has come in budgets, practice times, and equipment as a result. We are continually getting higher quality women athletes from the high schools. A current trend in women's sports at Olivet is for greater specialization in a single sport. This gives us a greater number of participants in our program at Olivet this year than ever before.

This year's tennis season opened up enthusiastically with four strong returning players and added strength from the new recruits. However, the team finished with a disappointing record: only one win and fifth place in conference play. This record did not reflect the caliber of play offered by the ONC team though, as many of the single and double matches went the full three sets before the

winner was determined.

Looking at individual honors, Karen Melgaard received the Most Improved Player Award while First Seeded Tamme Akridge was voted MVP. These two seniors will be missed as the coach, Carol Doenges, tries to put together a team for next year.

Rejecting one shot by Brenda Marshall was not enough to keep the Lady Tigers from pouncing on TCC. — **T. Gorman.**

The 1981-82 team was strong, reflected positive attitudes, displayed unity and depth. Individual honors were awarded to Cindy Campbell and Brenda Marshall, both ranked in the NAIA district top 20. Brenda Marshall also shared captain honors with Cathy Cheek.

Unfortunately all of those important factors could not balance out the inconsistency that plagued the team. Hitting 48% from the field against George Williams one week only to turn around and hit 21% against Illinois Benedictine vividly points out the problem of the women cagers.

The team is losing two very fine players in seniors Lanette Sessink and Michele Sauter. However, the strength of the freshmen and sophomores on the team exhibit the potential of the team in the future.

From the outset they knew that year would be a tough one for the ONC netters, but team spirit, hard work and some outstanding athletic ability brought this year's record to 8-15, much improved over last year's disappointing season. The Tigers faced strong opposition at several tournaments, but played more than commendable ball. With six returning lettermen and several freshmen pitching in, Coach Patterson felt the team had new depth that had been lacking in previous years.

Two lettermen receiving honors were Lynette Sessink and Sue Brady, who were named to the NIIC all conference team. Sue was also nominated for the NAIA. It was a good volleyball season and Coach Patterson says she was pleased with her team's performance. With all lettermen returning, she feels next year the team will be even stronger.

STITCH-BALLERS DO THE JOB IN '81

To say it was a good year would be correct, but being correct just does not do justice to the season the '81 Tigers put together.

You want to talk stats? O.K., let's talk running, 91 stolen bases; and don't forget hitting, .279 team average; and don't leave out fielding, .953 team average. An intrinsic part of any team is pitching, 2.76 team E.R.A., and we scored 159 runs while allowing the opponents only 102. As for a record, the Tigers posted 21 wins against 12 losses, and, pertaining to team honors, they intimidated league opponents by winning all 13 league games.

You should be starting to visualize the type of year these diamond-men assembled. To enhance your vision, however, one must look at the first year helmsman Gary Newsome. Coach Newsome came to Olivet in September of 1980 looking at future prospects and he incorporated an extensive conditioning program throughout the winter

months to insure himself of a capable squad to face the rigorous spring schedule that lay waiting to test their metal. One look at the statistics will show that they came through the fire unscathed.

To put the frame on this mental picture you must be aware of the individual honors of this team. ONC placed five on the All-League roster, while Daryl Slack went All-District with a 9-4 record, a 1.53 E.R.A. and 64 strikeouts. The team selected as the MVP's Jeff Habedank and Al Brillhart who held the team steady with their senior prowess. And putting a well-earned feather in his newly acquired hat was Gary Newsome being named District Coach of the Year.

Looking Back to when they boarded the vans for their Florida spring trip, the coach handed each player a practice T-shirt; it said, "Tiger Hustle Baseball." They lived up to it!

D. Allen. — **T. Deckard.**

Although this year was started with some apprehension, it ended on a successful note as evidenced by the six school records that lay broken and battered at the end of the season. The team, with its new momentum took 8th out of the seventeen teams at the National Christian College Track Meet with an individual second place in the high jump by Dave Malone.

The new records set made the talent embodied in the individuals of the team obvious. Mark Reader broke two of the long distance records with a 4:05.7 for the 1500 meter run and a 15:27.6 in the 5000 meter run. Dave Malone elevated the goal for upcoming hurdlers by completing the 110 meter high hurdles in 15.9 seconds. Steve Auch speared the javelin record with an impressive 177'11" toss. And not only could these men perform well individually, but they shattered two relay records: the 400 meter relay was completed in a blazing 43.8 seconds by Jeff Killion, Bill McElroy, Mark Outcalt, and Dan Cook; then, outdoing themselves, Bill McElroy, John Buuck, Steve Auch, and Dave Malone stunned the time keeper by completing the 1600 meter relay in 3:30.0

Individual honors included Jeff Killion — M.V.P.; Mark Reader — Top Runner; and Dave Malone — Top Field Event.

The 1981 Soccer team was young. They were inexperienced. But they were eager and the first few games of the season gave them the experience they lacked and they played well together. So well in fact that they achieved several firsts in ONC Soccer history. Their 4-12-1 record, if isolated, would indicate an unsuccessful season. However, if the age of the program and the 1979 record of 2-12 is taken into consideration that first impression can not help but improve. Also the difference between goals given and goals made was the lowest it has ever been. The high point of the season was the recordbreaking embarrassment of Lincoln Christian; Olivet defeating them 8-0.

Individual honors for this young team were numerous. Tim Weeks shattered the record of goals scored in any one game by scoring three against St. Joseph's College — a performance that got him a place on the NIIC all conference team along with teammates Bill Cooke and Dale Gibson. Tim Weeks

also distinguished himself by finishing second in the NAIA District Records by scoring a total of 20 goals for the season. Other honors included Bill Cooke receiving the MVP Award and Dan Wiens the Most Improved Player Award.

Although the team will miss the three graduating seniors (Captain Dale Gibson, Phil Fuller, and Morey Smith), Coach Culp anticipates an even better season next year.

MAT-MEN TURN GLADIATOR

The left hand is poised, unquestionably in control, just above the opponent's elbow. The right arm forms an iron-like girdle around the waist with its indomitable muscles ready for the ensuing struggle. The anticipation increases as the referee raises his hand. The scream of the whistle announces the start of a conflict — a lonely conflict — which will leave both beaten and bruised but only one victorious. The one unfortunate enough to be on bottom strives for freedom only to be

beaten back into submission by a mighty animal — the Tiger! These gladiators who are occupying this arena become the focal point of attention — nothing else seems important — but the intensity of the battle doesn't allow the adversaries time to think about fans. An eternity passes with each second. As the end draws near each of the originally finely sculptured muscles becomes molten as a result of the lactic acid and oxygen-starved blood coursing through the engorged veins. The horn

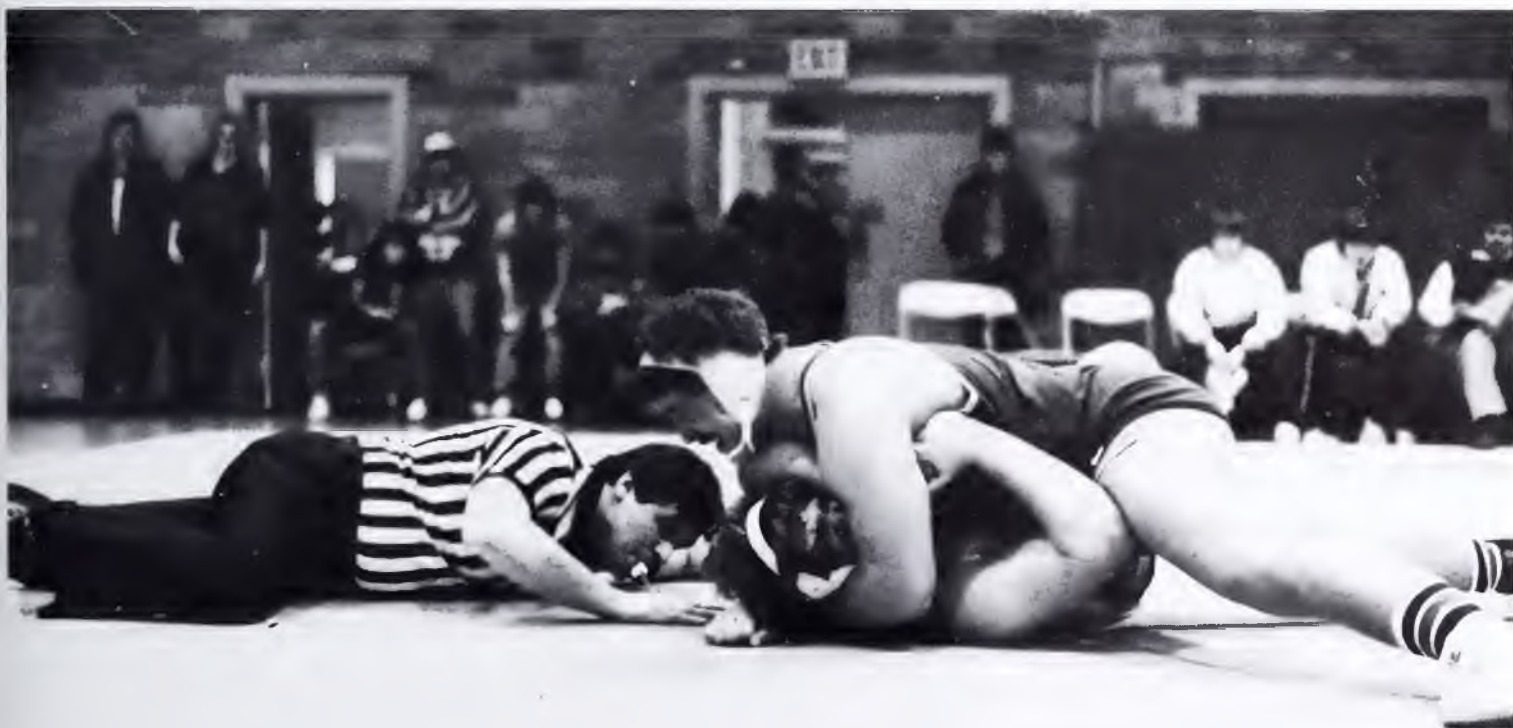

sounds. The end has arrived. The warriors collapse. The score unknown. But the respect for each other is immense. The two shake and the victor's hand is raised but as they leave the battlefield the standing ovation welcomes both, champions in their own right, home.

Want something to do on a week-night? How about Intramurals? Who are they for? Everyone! The director of the program, Coach Gary Newsome, has expanded the program this year in order to accommodate more students. New sports involved this year are bowling, indoor soccer, a 3-mile-run, a Ping Pong tourney, and a Foosball tourney. Of course there are still the old standbys in the program: Coed volleyball, and basketball, Men's basketball, wrestling, and Men's softball.

The primary purpose of the program is to enable students to build good working relationships with others while also offering varied forms of recreation.

Physical Education Center

When Olivet Nazarene College opened its doors on the new campus in Kankakee, the excitement over Birchard

Gymnasium was self-evident.

From a basement gymnasium with a low ceiling and a dirt floor in the administration building of "old Olivet" — to a small above ground gym built by President A. L. Parrott — to a full scale gym with a regulation size playing floor, running track, swimming pool, and auxiliary rooms was almost too much to be true.

But that was 1940. Enrollment was less than 400. Now with more than 2,000 students, the most overworked and inadequate building on campus is Birchard Gymnasium. It is scheduled from 8:00 A.M. to 10:00 P.M. and sometimes earlier and later. Many people do not try to attend the games for the seating is dramatically limited. Much needed intramural programs and physical education classes are sharply restricted. Birchard was

a great gym in its day, but age is showing, badly.

Now there is a vision for a new physical education center to be located east of Chalfant Hall, west of Snowburg Athletic Park and south of the parking lot.

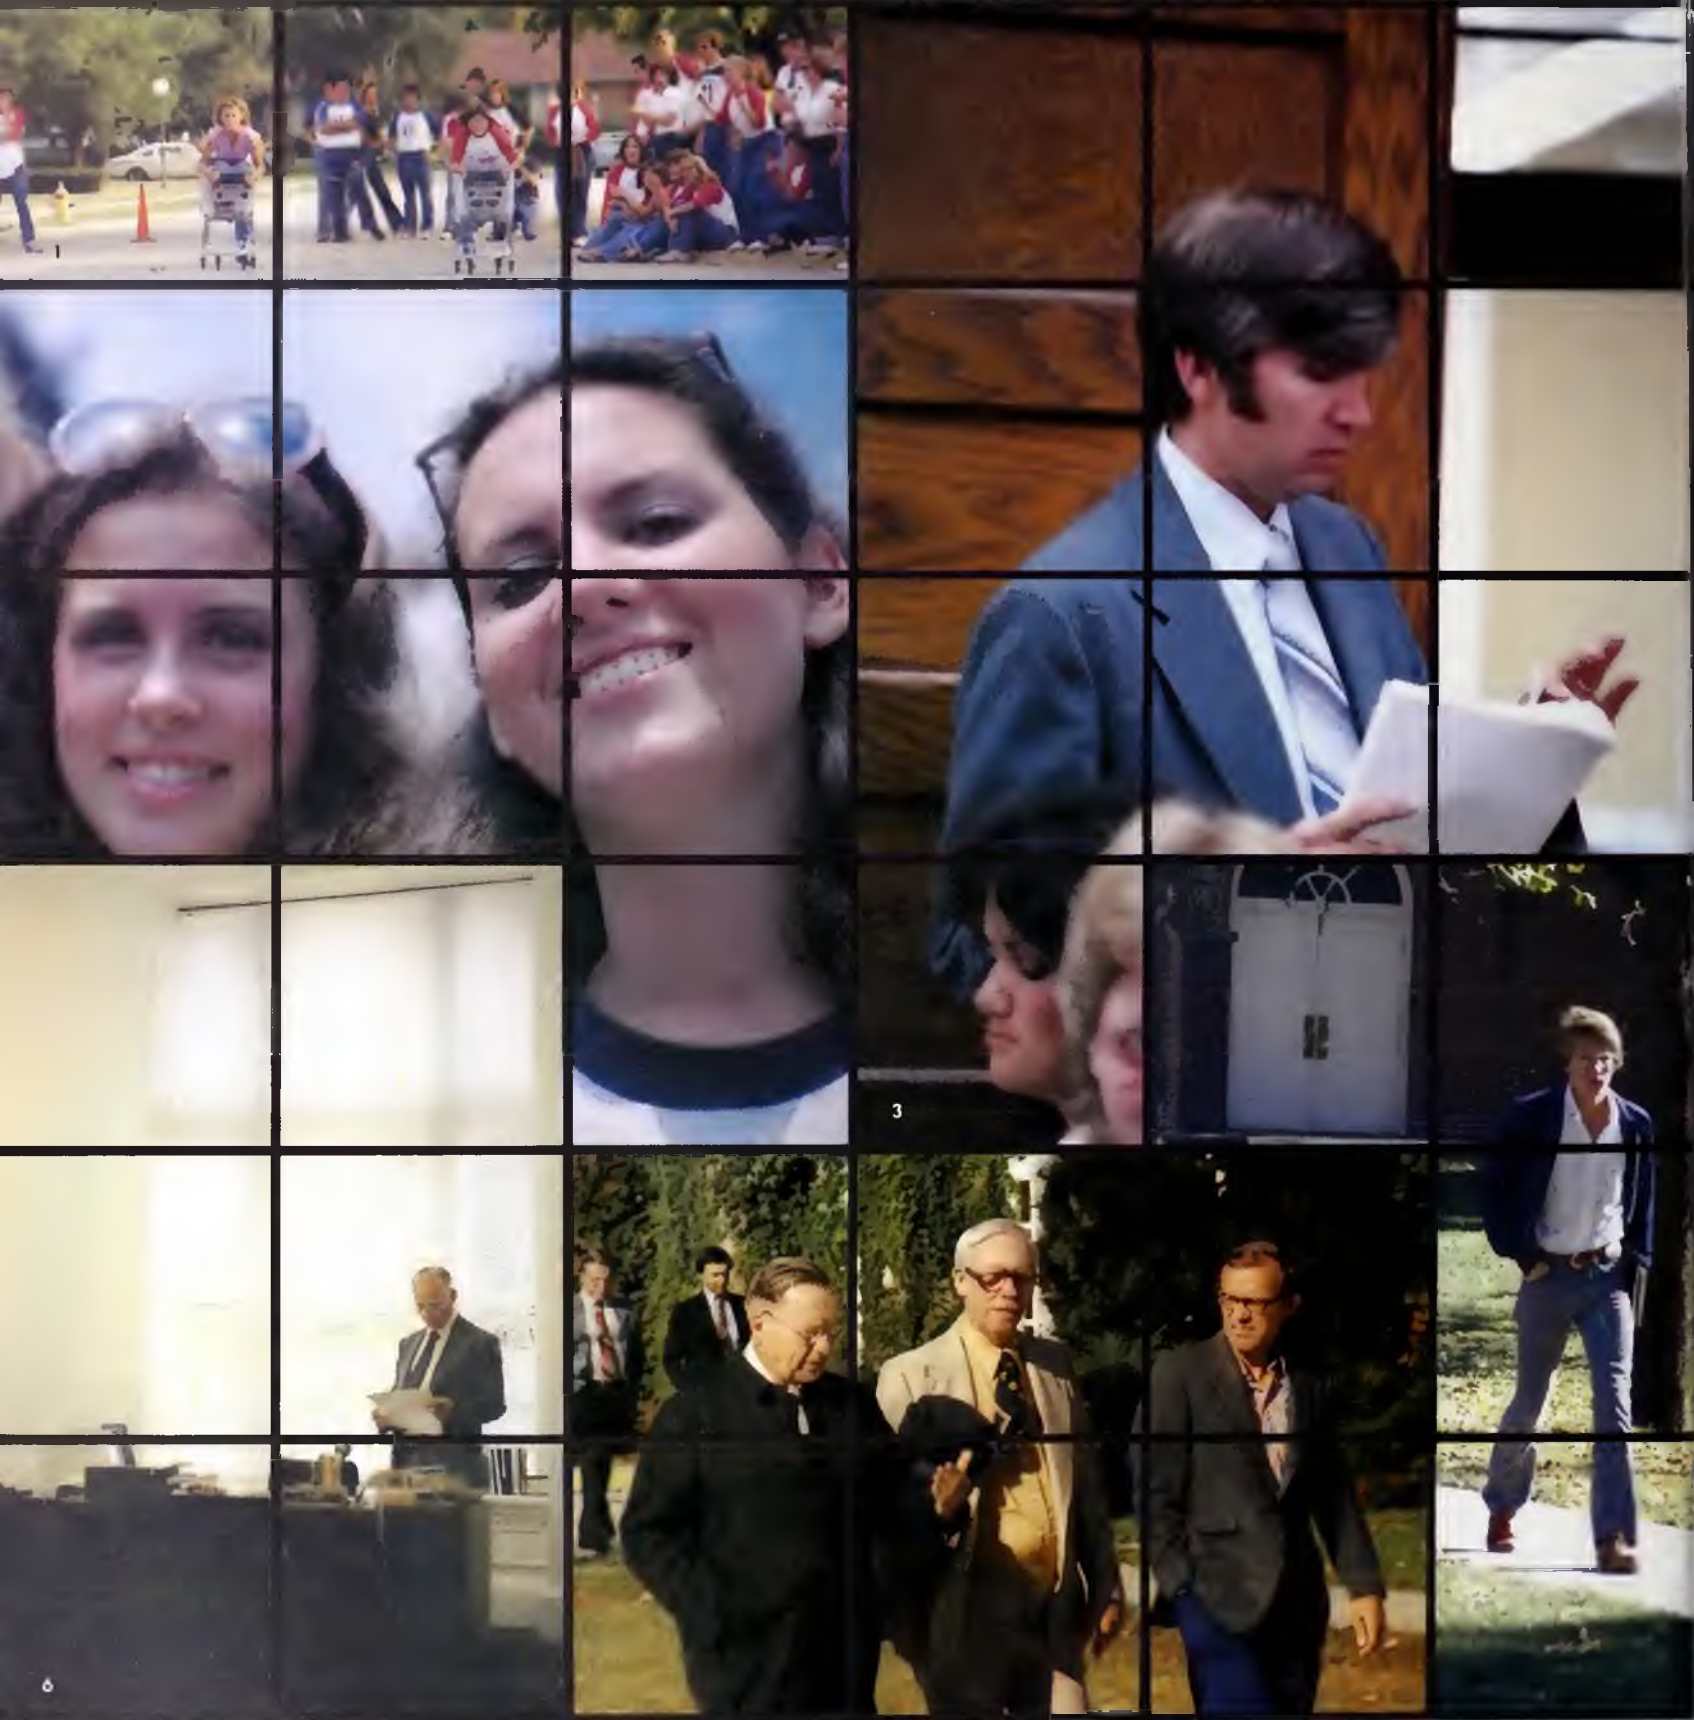

If the national economy had not developed in an uncertain way in 1980 and 1981, the new Les Parrott Physical Education Center would be under construction. The trustees had planned to construct the fine arts center and the gym both could be dedicated during the 75th Diamond Jubilee Year in 1982.

The Larsen Fine Arts Center is on schedule, and the gym is next in line for take-off as soon as the national economy makes it possible for a prudent decision to be made on a ground-breaking date.

LARSEN AND ROTC ADD

The Larsen Fine Arts Center is the new building presently under construction which has been long awaited for and dreamed about. Scheduled for completion by the start of the 1982-1983 academic year, the building will provide vitally needed classrooms for the Fine Arts Department. Presently, the Department's class sessions are spread throughout the campus, being held in Burke, Chalfant, Wisner, Reed, and Goodwin. The building will contain nineteen sound-proof practice rooms and four studios for the Music Department and a gallery for the Art Department. The gallery's uses will include the displaying of paintings, drawings, sculptures, and ceramics. Dressing rooms and prop rooms will be available for the Drama Department in the productions it will present in the new auditorium. Seating approximately 585 people, the new auditorium will be twice the size of Reed Auditorium, the facility the Fine Arts Department has used for a long time. In addition to increasing the quality of the presently offered courses, the Department is looking into the possibility of expanding the number of majors it provides.

The Reserve Officer Training Corps (ROTC) is a new program which was born into Olivet's curriculum this 1981-1982 academic year. The infant program is presently an extension program of Wheaton College with the hopes of eventually becoming independent. During the first two years of the ROTC program there is no obligation for the student to enter a branch of the armed services. ROTC gives an opportunity for young people to become aware of what the armed services are all about. ROTC is especially beneficial to students who are unsure of where their interest lies; it provides a focal point. During the third year of the ROTC program students must sign a six-year contract if they are to continue in the program. This contract offers a wide variety of benefits including the opportunity to receive academic scholarships for colleges. ROTC also benefits Olivet by giving the school another way to recruit students. Olivet is the only Nazarene College with the program. The Reserve Officer Training Corps helps transmit the important message of the armed forces that "Uncle Sam Needs You."

BOARD OF TRUSTEES

The Board of Trustees oversees the continuation of the values and policies of the college. Members of the Board participate through such things as fund raising, recruitment, and public relations. Olivet's trustees are chosen on the basis of their commitment to the ideals and priorities of the college instead of on the basis of personal wealth. The men who compose the Board of Trustees represent the ten districts of the central educational region for the school.

ASG

Associated Student Government is the foundation for student organization and the center of student concern. Building rapport with administration, keeping students active, and upgrading academic opportunities are important objectives of ASG.

SPIRITUAL LIFE

Prayer band, Dr. Parrott's revival, and inspiring chapel services left an underlying spiritual current buzzing among the students all year. Prayer Band was filling Kelley Tuesdays and Thursdays and the campus had a new tone spiritually. We saw the moving film "The Years of the Beast" and one day after chapel we were called hypocrites by other Christians. We turned to each other to discuss the events in spiritual, moral, and intellectual ways. There was spiritual life at Olivet this year.

SOCIAL LIFE

Social Committee doesn't sign its name to every event, the members don't get credit hours, and no one knows how many times the Christmas tree fell down on them before finally getting it balanced. They gave us their time, sweat, and ruined their coats flocking trees for us. New groups were brought to campus and new gimmicks were tried to satisfy the demand of the student body. Some events were a success that will be remembered a lifetime. Thank you social committee — whoever you are.

STUDENT COUNCIL

Student Council consisted of 13 students representing the Olivet student body. Student Council is the open line to the ASG executive staff and the administration. Student Council members are elected in April for the upcoming year. They approve nominations for executive staff and govern over the Olivet policies and constitution of various groups. The 81-82 council broadened their concerns by sponsoring a Fast for Poland, raising \$790.00, and a World Hunger Week.

Urban Ministries

Students involved in **Sunrise** are planning on full time mission work, or interested in the work of mission fields. Through physical, financial, and spiritual ministries the Sunrise project deals with Urban Ministries.

Lifesong is an opportunity for the members to use their talents to minister.

Evangels provide an outlet for Christians on campus to tell needy people about Christ. This year Evangels went to three nursing homes, a mental health hospital, a boy's home, and Kankakee county jail. A childrens' Church was also conducted.

2

Ministerial Fellowship gives experience to students working in the ministry. The fraternizing among members promotes confidence and leadership.

There are six traveling groups and one on campus group involved in **Disciples in Drama**. They performed on campus December 3. Drama is a new form of ministry and gives people a chance to travel and use their talent witnessing.

WRA

The Women's Residence Association provides the opportunity for Christian fellowship through social activities. This year WRA sponsored a Twirp Week both semesters and Twirp Days during the January term. Homecoming and the Queen's Coronation was the high point of the fall semester, while Parent Weekend, co-sponsored with MRA, in the Spring was another great success. Prayer breakfasts, flower sales, a shopping day for Christmas gifts with MRA, an evening of Christmas films, Open dorms, and special activities, were part of the list of events that made for a great year. As the WRA motto says, "There is a Beauty . . . it lies in simple things."

A women's dorm, the Eunice Williams Hall, was built in 1949 to provide every convenience for comfortable, home-like living. The four story, double winged structure has 111 spacious rooms for the girls to add their individual touches to. The building has a laundry, prayer chapel, and large lounge decorated in a classical French Italian design. Williams began as the girl's dorm on campus and now houses only freshman girls.

MRA

Mens Resident Association started the year off with a hayride and kept up the momentum all year. They sponsored "Monday Night Football" on wide screen T.V., members were shown the film "The Cross and the Switchblade", and they participated with WRA in several other events. MRA is an organization for the men on campus to unify and make their association important to the campus' social events.

AURORA

What is Aurora?

- Sixty-nine consecutive volumes of the yearbook
 - Sparsely attended Sharrett's concert
 - 5337 Monday thru Saturday Basement of Ludwig
 - Texas in the summer
 - A winning Christmas tree
 - Layout sheets during finals week
 - A shortage of layout sheets
 - No club presidents being on campus
 - Two pictures each of 2100 people you have yet to meet
 - Wondering where the pens are "Do you have kleptomania?"
 - Hoping we have enough money for one more color page
- Is it worth it?
We'll be back next year.

Glimmer- glass

Glimmerglass produced 15 issues for Olivet this year. In its Forty-first year Glimmerglass has expanded its well-rounded-overview of capturing news on campus. With thirty staff members they were able to cover news, entertainment, information, and all other aspects of campus life.

1. GLIMMERGLASS EXECUTIVE STAFF l. to r.: Ass't edito-S. Thompson, sports editor J. Cundiff, editor in chief K. Desollar, business manager J. Bornemann, ass't. editor K. Kiefer, (not pictured) — **T. Varsity Club

Varsity Club's purpose is to emphasize interest in intercollegiate sports. There are 170 lettermen at Olivet and all are eligible members of the Varsity Club. The group is two years old and quickly becoming a prestigious organization for athletes to be a part of.

Ski Club

Ski Club is two years old and growing. The Club's activities and membership are gaining momentum. This year the club raised money to strengthen the organization. Weekend trips to Alpine Valley and Olympia Resorts were activities planned for members to improve skiing and have fun.

DRAMA

The drama club is a talent filled organization that truly recognizes the "world's a stage." The club's purpose is to further students' interest in drama and to provide the members with activities to express their talent and creativity. Goals for the school year were to start a children's traveling group and they are building for next year's group — hoping to feature a oneact play a month.

PLANETARIUM

For lack of nothing better to do and having to keep my brother entertained I took him to a planetarium show at Homecoming. We were shown galaxies and super novas, universes, milky ways, and various constellations. I was amazed to discover there was actually someone that knew about this "stuff."

The planetarium has more outreach to the community than any other project on campus. Not recognized as a chartered club, the planetarium workers deserve recognition working in this "outreach" program.

The planetarium creates a new show every year, last year they featured "Saturn, as seen by the Voyager." 30,000 stars are shown in the planetarium atmosphere, and every show makes reference to The Creator. Under the directorship of P. Fleming the operators are required to put in 75 hours of work before working with the Spitz Free Floating projector, estimated worth 500,000 dollars. The planetarium was built with Reed and was vacant for five years. It reopened with the purchase of the new projector.

PRE-LAW

Membership of pre-law club has doubled since its beginning two years ago. The club focuses on the student that is planning to enter law school. Preparation for the Law School Admissions Test (LSAT), and procedures on entering law schools are highlighted through guest speakers, discussions, and other informative sessions.

Business Club

The Business Club, the largest and most active club on campus, is designed for business majors to associate with other people in their field. There are several activities planned for the members: Business club picnic, special speakers, fund raisers, and a monthly news letter that was started this year.

Miller Business Center, a single story brick building near Birchard gymnasium, served as a cafeteria and a banquet location in 1940. In 1954, Miller opened "The Nook," the hang-out for students. In 1963 the cafeteria served candlelight dinners every night. Miller today serves as the financial administration building, housing the offices of Financial Aids, Students Accounts, Payroll, Buildings and Grounds, and purchasing.

SASS

By observation and experiment the Society of Associated Science Students promotes the science knowledge on campus. An annual money-maker that SASS sponsors is Computer Dating — their biological experimental contribution to Olivet students.

SHEA

The Home Ec Club was featured Homecoming weekend in a style show with the theme "For Everything There is a Season." Clothes made by the girls were styled that represented different seasons and the appropriate styles. The club gives Home Ec majors experience in fashions, culinary, and general home keeping.

WISNER HALL FOR NURSING EDUCATION

Nursing

Nursing Students in Action is the governing body that facilitates communication between students and faculty. This year the club held the annual health fair, senior nursing students banquet, and the candlelight service for sophomore nursing students.

ΣΤΔ ΚΔΠ

The two honor societies represented at Olivet are Sigma Tau Delta and Kappa Delta Pi. Sigma Tau Delta is for English majors and minors with a 3.0 GPA. Kappa Delta Pi is based on the qualities of scholarship, personal standards, distinction in achievement and contribution to education. Co-sponsors of Kappa Delta Pi are Sally Spruce and Harvey Collins. Advisor for Sigma Tau Delta is Gunnell Jordan, winner of the president's award for outstanding achievement.

ΔΚΛ

Circle "K" strove for a new revival within the group. Increasing in membership and activeness, the club took steps to become one of the most involved organizations on campus. Circle "K" sponsored a blood drive, YMCA fun nights for children, a Kiwanis night at a home basketball game, and they tutored kids at surrounding grade schools. Circle "K" reached off campus and showed its awareness of needs in the community.

MENC

Music Educators National Conference is part of a nationwide club for music educators. MENC sponsored master classes, Chicago Symphony french hornist, Dale Clevenger, and a career seminar for music majors. MENC fills some of the voids that are not covered in normal course work, it provides experience and opportunity for students who are gearing their future music work towards teaching.

SEA

Students planning teaching careers are given extra opportunities outside of the classroom to learn more about teaching methods and ideas and concepts that influence education today. Through seminars and special workshops Student Education Association enables the members to gain extra awareness in their future profession.

WKOC

Under the sponsorship of Professor D. Toland, WKOC provides a variety of programs for the campus and surrounding community. WKOC serves as a training ground for future broadcasters, "Times are changing and so are we" sets the standard for the members to develop their broadcasting skills.

1. **MENC OFFICERS** front row l. to r.; sec., M. Miles; v. pres., D. Klien; pres., S. Myers; chaplain, A. Futrell; pub., D. Smith; back row; treas., P. Raue; pub., S. Gould; sponsor, J. Noble — T. ORCHESTRA

It was Homecoming and not a single orchestra member could be found. They were all in Chalfant — All weekend long. The pops concert, the sacred concert, the soloists to rehearse with, and the alumni choir. Then time for the Messiah and they were into strenuous lengthy rehearsals again. Under the direction of Matthew Airhart, they performed five concerts this year. "They are an exciting group of serious musicians who strive to enrich the cultural life of the college," says Director Matthew Airhart.

BRASS CONSORT

The Brass Consort is a select group of 8 brass players brought together to perform the very best brass repertoire available. Each year the ensemble gives concerts on the campus and in the community, performing music from the 16th century to the present day. Directed by Matthew Airhart, the Brass Consort is committed to the highest standards of musical performance.

CONCERT SINGERS

Concert Singers have survived the 70's and are keeping in line with the times in the 80's. This small select group, dedicated to close harmony and praising through legitimate choral literature, has survived the singing group population explosion and changes in directors and personnel to bring the campus fine entertainment from sixteen voices. Concert Singers highlighted the year singing at the annual Christmas Banquet. First Semester they were under the direction of Joe Noble until second semester when Dr. George Dunbar returned from his sabbatical in Dallas.

ORPHEUS

Orpheus began the year with a "get acquainted" retreat and the big question was "What theme would the seniors use for their dinner this year?" Underclassmen saw leis and mumuus showing up and the secret was out — a Luau. Dr. Hopkins brought the group back from the Aroma Park retreat to prepare for the church tours in the fall.

The annual Orpheus variety show in October gave the campus a break from studying, with entertainment, laughs, and popcorn. Under the direction of Dr. Hopkins first semester, Orpheus toured Michigan and sang in College Church with the Chancel Choir.

Dr. Dunbar returned from his sabbatical in Dallas and immediate rehearsal time was called as Orpheus was to sing at the Silverdome when Tigers went to play before a Pistons game.

Orpheus members prepared for the banquet, and spring tours, the last benediction was sung, the music put away, and the robes turned in. You feel depressed, but you can cheer yourself up by saying, "I was part of the Orpheus Experience."

CONCERT BAND

The Olivet Concert Band began each rehearsal with mandatory breathing exercises and calisthenics: running from the 1:55 class, up the stairs to your room, grab your instrument that weighs more than you do, run to Chalfant, warm-up, run up the steps to the platform, and begin rehearsal. But it was well worth the run. Dr. Harlow Hopkins and the band performed a wide variety of programs in a wide variety of settings, ranging from traditional hymn arrangements for church tours to the music for Commencement concert.

Stage Band

Stage Band is pioneering into a new sound at Olivet. The new sound is also a new beginning. The two year old group began as a token organization for the music department and have now stepped out on their own. They are directed by Dave Fodor from Herscher High School.

Larsen

Wear and tear of students shows all over campus. The steps in Burke are worn down and Chapman is no longer thought of as a dorm; rather it is considered an initiation.

The first step for a building to be accepted on campus is to receive a nickname. We no longer hear Eunice Williams Girls Dormitory, but just good old "Williams." Nothing more, nothing less. One word can tell all. The word "Chapman" can mean leaky showers, banners, stealing food, and overheating. Chapman is a mandatory building to Olivet.

I referred to the construction site on campus as "Larsen." I was startled by the sound of it. It really is going to be a part of Olivet. It won't be considered a project — it will be a stable standard part of Olivet. Names will appear on bathroom walls, music will be lost, practice rooms will be scarce, and the building will contain a good share of memories.

Larsen will be as much a part the Olivet community as Chapman is — the initiating process has begun.

Treble Cleff

Treble Cleff choir has been an excellent representative of Olivet both in song and spirit. The choir has had an active year under the direction of Marla Kensey. Fall semester included a tour of Indiana and the spring semester featured a retreat, the variety show, and two tours.

Vikings

The Viking motto "For Thee We Sing" was the basis of unity for the male chorus. Their director Joe Noble said "It was important to the group to have a degree of camaraderie and develop lifetime friendships."

This year the group toured three weekends during the school year and raised money for robes in the future.

An annual event began as Orpheus challenged Vikings in a football game and lost. Not to be defeated they challenged Orpheus and won.

A Tiger Snowsculpture. A wicked winter left the campus in inches of snow, ice and sub zero temperatures. Down-filled jackets, scarves, gloves, pink noses, snow balls, and messages in the snow were common sights as students tolerated the bitter cold.

Be True to your School. School spirit is displayed on car windows, hats, scarves, jackets, t-shirts, banners, key rings, pens, notebooks, and stationery. Why not proclaim it — Olivet is my school, and I am proud.

— B. Thompson.

Final Exam

We've come a long way! With approximately 209 exams, 83 textbooks, 2163 Saga meals, 378 laundry loads, 363 chapel services minus 35 chapel cuts (or 328 chapel attendances)* behind us, we can look upon these experiences of the past four years as building blocks of our future — our foundation.

We've studied hard, played hard, and prayed hard. Are we ready to meet the challenge before us?

*E.G.E./Editor's Gussed Estimates

LEFT. 1. Cheryl Bacon and Linda Whitney help each other traverse the treacherous ice-covered sidewalks — **T. Deckard.** 2. Business Club President, Rhonda Knox's leadership example influences club member, John Hursh — **T. Deckard.** **RIGHT.** 1. Senior men gear up for Ollie's Follies — **S. Vanande.** 2. Bookin' it. — **D. Ellis** 3. Snaking their way from chapel with snow squeaking underfoot, students head for their 10:40 classes. — **T. Deckard** 4. We gather together for chapel — **T. Deckard.** 5. Paul Moon and MarDee McSwain find comfort in each other's knowledge. — **T. Deckard**

With diploma in hand and pride in our hearts, we leave Olivet to take on the world. Prepared for success, yet aware of the possibility that we might fall flat on our faces; whatever it takes, giving it our best shot, we'll make it. Our foundation is firm and the mortar is set between the blocks — ready for service.

LEFT: 1. Emilie Bassett watches passersby from Parrott Hall. — **D. Taggart.** 2. Going home — **T. Deckard.** **RIGHT:** 1. Old Man Winter showed no mercy on the campus. — **T. Deckard.** 2. Springtime turns one's cold winter thoughts to happy smiles, picnics, green grass, and colorful balloons. — **M. McSwain.** 3. The Beginning. — **T. Deckard.**

The Editor's Page: Probably not many people read it, since it says the same thing (sort of) every year. An editor always talks about how hard the year was trying to juggle studies, classes, friends, and yearbook responsibilities all at the same time. And then the editor usually talks about the way deadlines are met or nearly met under pressure. But then there are the thank you's to everyone who had anything to do with putting the book together. Then finally maybe there would be a challenge to the students, a wish of good luck and prosperity, and the editor's signature.

I will not conform totally to the ways of the past! I had fun, so I will not tell you of the times when trying to get pages out of the section editors was like pulling teeth. I enjoyed it, so I will not tell you about what my professors must think of me because of my studies, or that my roommate hardly ever saw me between the hours of 8:30 am and midnight. I had fun, so there must be a reason for my joyful memories of the AURORA. I must say thanks to the following people: Lane, Tom, Daryl, Lynn, Dan, Mary, Leah, Polly, Lisa, Mark, all of the staff people, Dick and Bob, Rev. Lee, Dr. Finger, Dr. Parrott, Rev. Wickersham, Jeff, Cyndee, Linda, Ken, Rhonda, Mom, Dad, all four of my sisters, and God.

Now for the final word: Thanks to all of you students for allowing me to be your yearbook editor for the past two years. I have thoroughly enjoyed it, and the experience and knowledge and fellowship I have gained through it is priceless. This book has helped me capture and hold on to memories of this — my last year of college. I only hope that it is a blessing and a witness to you, as it reminds you of the good things Olivet offers.

With sincere respect,

Gloria Wickham
