FOR IMMEDIATE RELEASE:

SUMMER OF EXCELLENCE OFFERS SOMETHING FOR ALL AGES

CHARLESTON, IL--Mail-in registrations are now being accepted for Eastern Illinois University's Summer of Excellence for children ages 4 and up through adults.

The theme of this year's program is "The Aventure Series." Sponsored by Eastern's School of Adult and Continuing Education, the series will feature 34 classes, ranging from fiddling, dancing, clowning, painting, and drawing to acting, story telling, singing, jewelry-making, sculpting, and fishing.

Classes will be held Monday through Thursday on the Eastern campus and will run on a staggered series schedule with the first group beginning June 8 and the final offering concluding July 23.

-more-

Program Director Kaylin Johns said classes are small, allowing participants to learn and explore in a friendly, non-competitive nature. Instructors are selected for their interest and knowledge of subject matter and their ability to develop courses that stimulate participants' imaginations and enrich the learning experience.

"In one class, children will learn how to take a picture with a camera made from an oatmeal box and then develop the film into a photograph. In another, they will learn how to build their own rockets from kits and then launch them. A new class for parents will teach them how to better communicate with their teenagers," Johns said.

Course fees range from \$24 to \$72. A limited number of need-assessed and general scholarships are available to students.

For scholarship information and a complete listing of summer offerings and registration form, call the School of Adult and Continuing Education at 581-5116. Mail-in registrations only will be accepted.

NOTE TO THE EDITOR: Attached is a listing of Summer of Excellence classes.

Following is a listing of the Summer of Excellence classes including course title, age levels, dates, times and instructors and class costs.
