**CAMPUS MINISTRY SEMINAR WITH TIM ELMORE
CM 601 (1 OR 2 hours credit) – JANUARY 2005**

Dr. Chris Kiesling
Asbury Theological Seminary
(859) - 858-2382
e-mail: c_kiesling@asburyseminary.edu
Office Hours: By appointment

In order to accommodate Tim Elmore's schedule we will meet all day Friday, January 14 from 9:30 a.m. to 5:30 p.m. and Saturday, January 15th from 8:30 to 12:30. Tim will be with us all day on Friday and I will be teaching the remainder of his material and leading discussions on Saturday.

REQUIREMENTS:

- I. Attendance at all meetings of the seminar, Friday and Saturday.
- II. Reading of all required texts:
 - a. Certain Trumpets: The Nature of Leadership by Gary Will
 - b. Next Generation Leader: Five Essentials for Those Who Will Shape the Future by Andy Stanley

For those taking the class for two hours of credit – also read
c. Leadership and Self Deception: Getting Out of the Box from the Arbinger Institute

Also recommended as supplemental readings for the class are Tim Elmore's books **Habitudes I and Habitudes II**. These and other books will be available for purchase at the seminar or if you would like to discover more about Tim, his books, and his ministry search his website at growingleaders.com

- II. **Summative paper (10-12 pages for folks taking the class for one hour credit and 20-24 pages for those taking the class for two hours credit) that ties together seminar presentations and discussions with readings for the class. The summative paper can be proportioned however you would like, but it should address the following three questions.**

- A.** Develop a strategy for creating a leadership culture. Although it is possible to complete this assignment hypothetically, the application for such a strategy will necessarily need to become contextually sensitive and specific. Therefore, it may work best for you to assume a ministry that you are currently a part of, or have previously been involved with. Drawing from the material in this seminar, discuss what changes you foresee need to be made and how you would go about facilitating those changes. Identify potential barriers to those changes and the principles that would be essential to see the change toward a culture of leadership come about.
- B.** Choose five of the habitudes that seemed to best resonate with a need in your life, in the ministry that you are currently involved in, or in a situation/relationship that you are currently aware of. State how the habitude relates to this particular situation, what insight it provides, and what change it calls for to better the situation!
- C.** From the other text(s) that were read, provide an abbreviated book review stating what you regard as the author's primary reason for writing this book, what they say about the particular position they espouse, and offering your critical response to their position. As a result of reading this text what were you caused to conclude?

Summative paper is due by January 24. See Dr. Kiesling if this deadline creates a problem for you. Turn in the paper with an addressed envelop returnable to you through the SPO, or to another address if you are leaving campus.
