NT 601 Intermediate Greek  
 NT 601 Intermediate Greek  
 Spring 2009 – Dr. Mulholland

**PERSPECTIVE:** "That which we speak, we speak not in words imparted by human wisdom, but in (words) imparted by the Spirit, interpreting spiritual things to spiritual persons." (1 Cor. 2:13). With this single sentence, Paul encapsulates the vital role of language in the communication of the profound realities of God's realm of being. Obviously Paul understands language functioning on two levels, the human level and a deeper, spiritual level. This course presumes that it is impossible to plumb the depths of the spiritual level without a comprehensive grasp of the use of language at the human level.

**PURPOSE:** We will seek in this course to offer to God a discipline of study of the Greek of Luke and Acts that will engender a greater comprehension of first-century Greek at the human level which will enhance a richer experience of the spiritual level being conveyed by Luke.

**PARTICULARS:** I prayerfully expect that your faithful stewardship and discipline in this course will be used of the Lord to enable you to acquire the following knowledge and abilities:

1. Knowledge of all Greek words used 50 or more times in the New Testament.
2. Ability to recognize and know the use of all the tenses and moods of the Greek verb.
3. Ability to understand and translate accurately the various uses of the genitive and dative cases.
4. Ability to diagram complex Greek sentences.
5. Increased ability to sight-read the Greek New Testament.

**PROCEDURES:** The following will provide some of the scholarly disciplines of loving obedience and stewardship through which I trust the Lord will enable us to actualize His purposes for this course:

1. Texts: Nestle-Aland, *Novum Testamentum Graece*

Bruce M. Metzger, *Lexical Aids for Students of New Testament Greek*  
Herbert W. Smyth, *Greek Grammar*
