Subject: RE: URGENT, Your Publication - 'Virulence potential of group a streptococci isolated from...'

Hi Jenny,

My current address is of course ANU and the work for this publication was done at my earlier Institute .

Please do not hesitate to contact for any further information.

Kind Regards
Harpreet

Importance: High

Hello Vohra

I am gathering the publications data for the 2011 HERDC reporting year and we need a statement from you about your ANU affiliation while writing the item(s) listed below. The Journal mentions your current address is ANU; hence, we need to clarify with you if you did the research leading to this publication here or at another institution?

A response to this email (reply to all) affirming your affiliation is sufficient.

I certify that I carried out the research leading to the following publication whilst I < was affiliated / a Staff / a student > at the <department>, Australian National University.

Publication Category: C1: Journal article meeting HERDC requirements

Publication title: Virulence potential of group a streptococci isolated from throat cultures of children from north India

Author: Vohra, Harpreet, u4218083

Notes: Please provide an affiliation statement that research was carried out at ANU. Or was research leading to this publication done at another institution?

Many thanks

Jenny Taylor
