

## DEXTER YAWN

A photo series about the leisure of Dexter Lawn on Cal Poly's campus. Dexter Lawn is a home to all varieties of people and majors, but it welcomes everyone the same. It has no boundaries, despite the confined grass spaces. This space, utilized to energize and bring together the minds of Cal Poly, is a home and comfort zone to many.

This series was captured over the course of a year and shows the passing days of Dexter Lawn. Shot using 35 and 120 films on various cameras. Personally developed and scanned.
