## Preface

The course is intended for general public who wish to learn to speak Mandarin for everyday conversation purposes. The course module has been specially edited for non-native undergraduate students. The course module designed is based on the format of the Chinese Proficiency Test named as *Hanyu Shuiping Kaoshi* (HSK) level 2, China. It contains ten lessons and each lesson consists of the following parts:

- a) two short conversational texts;
- b) new vocabulary;
- c) language skill practices including speaking and additional new words;
- d) notes for certain language items;
- e) comprehensive exercises including pronunciation, listening, reading, writing and sentence structures.
- f) audio files are included.
