

Handbook of Population Data For Ohio
Counties, 1960

Compiled by
Wade H. Andrews

Department Mimeograph Bulletin A.E. 357
Department of Agricultural Economics and Rural Sociology
of the
Ohio Agricultural Experiment Station

TABLE OF CONTENTS

I. Population

A. General Statistics

- Table 1. Rank of Counties by Number of Rural Farm Population for Ohio, 1960 and 1950.
- Table 2. Rank of Counties by Percent of Rural Farm Population and Total Population.
- Table 3. Rank of Counties by Percent of Rural Population of Total Population.
- Table 4. Number and Percent of Persons by Age, Sex, and Residence for Ohio, 1960.
- Table 5. Number and Percent of Population by State Total, Urban, Rural, Rural Farm, and Rural Non-Farm for Ohio, 1900 to 1960.
- Table 6. Rank of Counties by Percent of Urban Population of Total, Ohio, 1950-1960.
- Table 7. Rank of Counties by Percent of Rural Population of Total Population, Ohio, 1950-1960.
- Table 8. Rank of Counties by Percent of Rural Non-Farm Population of Total, Ohio, 1950-1960.
- Table 9. Rank of Counties by Percent of Rural Farm Population of Total Population, Ohio, 1950-1960.
- Table 10. Rank of Counties by Percent of Gain or Loss in Total Population, Ohio, 1950-1960.
- Table 11. Rank of Counties by Percent of Gain or Loss in Rural Non-Farm Population, Ohio, 1950-1960.
- Table 12. Rank of Counties by Percent of Loss in Rural Farm Population, Ohio, 1950-1960.

B. Age

- Table 13. Percent of Population Under 15, 15 to 64, and 65 and over, by Residence, Ohio, 1910-1960.
- Table 14. Rank of Counties by Percent of Persons Under 5 Years of Age of Total Population, Ohio, 1950-1960.
- Table 15. Rank of Counties by Percent of Persons Under 15 Years of Age of Total Population, Ohio, 1950-1960.
- Table 16. Rank of Counties by Percent of Persons Under 15 Years of Age of Urban Population, Ohio 1950-1960.
- Table 17. Rank of Counties by Percent of Persons Under 15 Years of Age of Rural Non-Farm Population, Ohio 1950-1960.

- Table 18. Rank of Counties by Percent of Persons Under 15 Years of Age of Rural Farm Population, Ohio 1950-1960.
- Table 19. Rank of Counties by Percent of Persons 15-64 Years of Age of Total Population, Ohio, 1950-1960.
- Table 20. Rank of Counties by Percent of Persons 15-64 Years of Age of Urban Population, Ohio, 1950-1960.
- Table 21. Rank of Counties by Percent of Persons 15-64 Years of Age of Rural Non-Farm Population, Ohio, 1950-1960.
- Table 22. Rank of Counties by Percent of Persons 15-64 Years of Age of Rural Farm Population, Ohio 1950-1960.
- Table 23. Rank of Counties by Percent of Persons 65 Years of Age and Over of Total Population, Ohio, 1950-1960.
- Table 24. Rank of Counties by Percent of Persons 65 Years and Over of Urban Population, Ohio 1950-1960.
- Table 25. Rank of Counties by Percent of Persons 65 Years and Over of Rural Non-Farm Population, Ohio, 1950-1960.
- Table 26. Rank of Counties by Percent of Persons 65 Years and Over of Rural Farm Population, 1950-1960.

C. Sex Ratio

- Table 27. Rank of Counties of Sex Ratio of Persons 65 Years of Total Population, Ohio, 1950-1960.
- Table 28. Rank of Counties by Sex Ratio of Persons 65 Years and Over of Urban Population, Ohio 1950-1960.
- Table 29. Rank of Counties by Sex Ratio for Persons 65 Years and Over of Rural Non-Farm Population, Ohio, 1950-1960.
- Table 30. Rank of Counties by Sex Ratio for Persons 65 Years and Over of Rural Farm Population, Ohio, 1950-1960.

D. Education

- Table 31. Rank of Counties by Median Years of School Completed by Persons 25 Years of Age and Over for Total Population, Ohio, 1950-1960.
- Table 32. Rank of Counties by Median Years of School Completed by Persons 25 Years of Age and Over of Rural Farm Population, Ohio, 1950-1960.
- Table 33. Rank of Counties by Percent of 16-17 Year Olds in School of Total Population, Ohio, 1950-1960.

E. Health Facilities

Table 34. Rank of Counties by Ratio of Physicians to Total Population Ohio, 1950-1960.

Table 35. Rank of Counties by Ratio of Hospital Beds to Total Population, Ohio, 1950-1960.

II. Housing--Rural Farm

Table 36. Rank of Counties by Percent of Rural Farm Housing Units in Non-Dilapidated Conditions, Ohio, 1950-1960.

Table 37. Rank of Counties by Percent of Rural Farm Housing Units Having 1.00 or Less Persons per Room, Ohio, 1950-1960.

Table 38. Rank of Counties by Percent of Rural Farm Housing Units Reporting 1.01 or More Persons per Room, Ohio, 1950-1960.

Table 39. Rank of Counties by Percent of Rural Farm Housing Units Reporting Hot and Cold Piped Water Inside the Structure Ohio, 1950-1960.

Table 40. Rank of Counties by Percent of Rural Farm Housing Units Reporting No Piped Water, Ohio, 1950-1960.

Table 41. Rank of Counties by Percent of Rural Farm Housing Units Reporting Exclusive or Shared Bathtub or Shower, Ohio, 1950-1960.

Table 42. Rank of Counties by Percent of Rural Farm Housing Units Reporting No Bathtub or Shower, Ohio, 1950-1960.

Table 43. Rank of Counties by Percent of Farms Reporting Telephones, Ohio, 1950-1959.

Table 44. Rank of Counties by Percent of Farms Reporting Home Freezers Ohio, 1950-1959.

III. Agriculture

Table 45. Rank of Counties by Percent of Farms Which Are Commercial Ohio, 1950-1959.

Table 46. Rank of Counties by Percent of Farms Which Are Other than Commercial, Ohio, 1950-1959.

Table 47. Rank of Counties by Average Value of Farm Land and Buildings Per Farm, Ohio, 1950-1959.

Table 48. Rank of Counties by Average Value of Land and Buildings Per Acre, Ohio, 1950-1959.

Table 49. Rank of Counties by Average Value Per Farm of Farm Products Sold, Ohio, 1950-1959.

Table 50. Rank of Counties by Percent of Farms Reporting \$10,000 or more Value of Products Sold of Farms Reporting Sales, 1950-1959.

Table 51. Rank of Counties by Percent of Hired Farm Workers of Total Farm Workers, Ohio, 1950-1959.

Table 52. Rank of Counties by Percent of Males Employed as Farmers and Farm Managers, and Farm Laborers and Foremen of Total Males Employed, Ohio, 1950-1960.

Table 53. Rank of Counties by Crude Index of Employment Potential of Farmers for Non-Farm Work, Ohio, 1950-1959.

IV. Industry.

Table 54. Rank of Counties by Percent of Total Employed Engaged in Industry other than Agriculture (includes Fishing, Forestry, and Mining), Ohio 1950-1960.

Table 55. Rank of Counties by Percent of Total Employed Engaged in Manufacturing, Ohio, 1950-1960.

Table 1. Rank of Counties by Number of Rural Farm Population for Ohio 1960 and 1950.

State	Total 1960 ^a	Rank 1950	Total 1950 ^b	State	Total 1960 ^a	Rank 1950	Total 1950 ^b
