

Internship in Chicago

Description of the program

Located in different places, students are able to gain global work experience and valuable cultural awareness during Fisher's Summer Global Internship Program.

STEP
SECOND-YEAR TRANSFORMATIONAL
EXPERIENCE PROGRAM

What I have learnt:

- How Finance major functions in real life
- How a company functions
- Communication skills
- The Chicago city

How did this experience impact me personally:

- Have a deeper understanding about Finance
- Have clearer thoughts about the market
- Have a better idea about career

Museum Campus

Favorite parts of the experience:

- Try new things
- Learn about different people's stories
- Keep exploring

How did the experience impact me academic, personal, and life goals moving forward:

I realized that I should learn more about Finance to be better qualified. Learning more about the Chicago city gets me to be more interested in visiting different places.
