The Stories for Students from Students Program seeks to get books into the hands of Columbus Elementary and Middle School students.

Impact

The program, from Ohio State's Office of the Vice President for Student Life, is now in its fourth year.

This year, 2,879 school children in the City of Columbus were able to take home a book of their very own.

This year we partnered with OSU Reads and reached out to over 20 Ohio State student organizations to recruit over 70 student volunteers to help with the program.
