

WICKLOW ASSOCIATION
PRE-FESTIVAL MEETING - 20TH JUNE, 1990

At the above meeting there was another item discussed and I feel it should be put on record.

The Committee, Mary, Lill, Tom, Ned and Kevin bought some tickets from the Secretary for a raffle for *** brother's baby, ***, who has just arrived home from hospital for the first time after 8 months, she needs a ventilator and breathing monitor and will have many more stays in hospital to help correct her problems, the above Committee members donated a cheque for £100 to the cause and it was very very much appreciated and you will be hearing from my brother, *** ** in due course.
