

CORRECTION

Correction: Micronutrients in HIV: A Bayesian Meta-Analysis

George M. Carter, Debbie Indyk, Matthew Johnson, Michael Andreae, Kathryn Suslov, Sudharani Busani, Aryan Esmaeili, Henry S. Sacks

The density strip in [Fig 2](#) is incorrect. Please view the correct [Fig 2](#) here.

Fig 2. Density Strip Plot of Relative Risk of Progression to Clinical Disease/AIDS. Bayesian random effects analysis (favors treatment on the left of 1.0); density plots on the figure on the left represent combined data; on the right accounts for individual study arms and the impact of adding selenium or vitamin A to MNS [55].
