

What is the Multicultural Histories and Legacies of London and Rome program?

- A one month service learning experience in Europe
- Opportunity to gain insights into the different social, political, religious, and educational structures in Europe
- Community outreach program designed to support local social change efforts in the UK and Italy

Why did I select this program?

- Explore the sights and cultures of the United Kingdom and Italy
- Opportunity for community service abroad
- Amplify my love for travel and new experiences
- Wanted a program where I could gain both academic credits and personal experiences

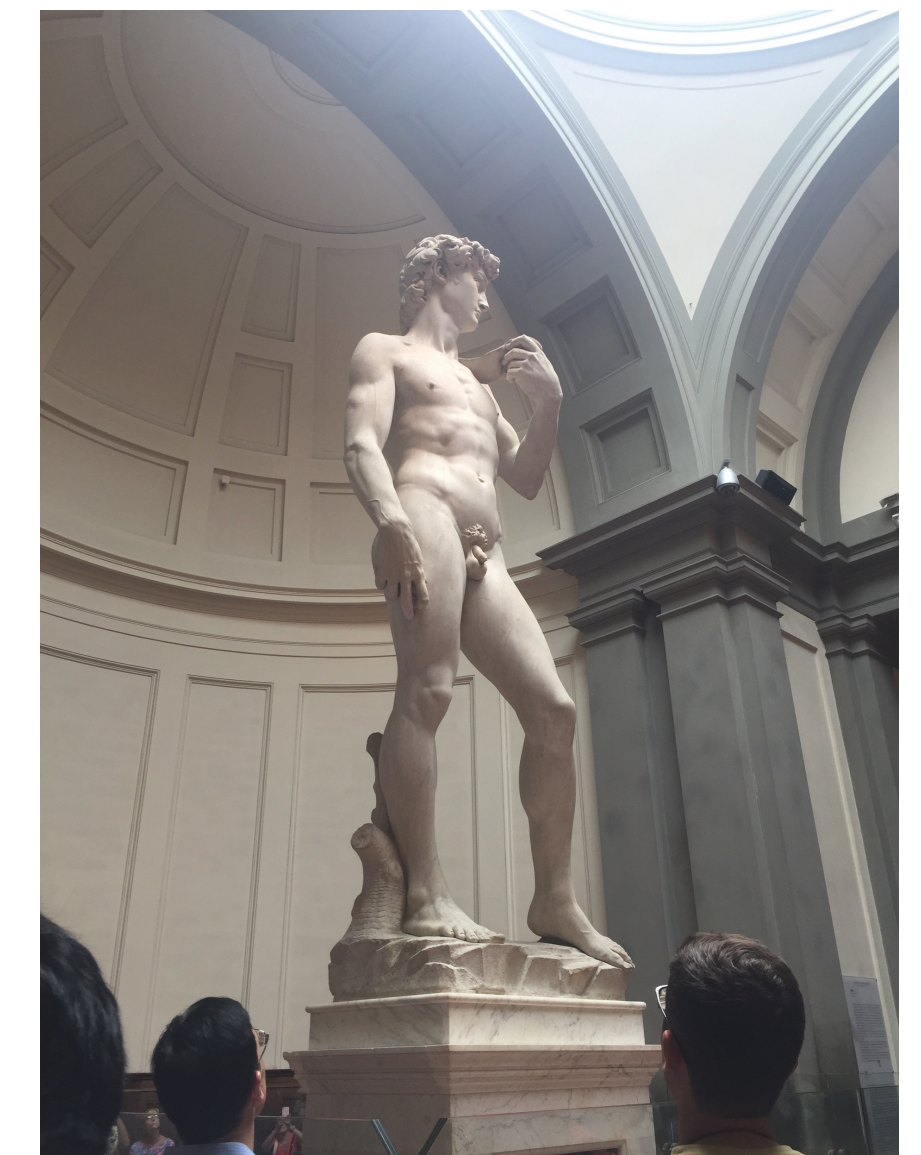

What was transformational about my experience?

- Identified my personal strengths and weaknesses as I navigated cities abroad
- Developed a real understanding of the social and political complexities in places other than the US
- My personal reflection about the experience: <http://go.osu.edu/Ccdj>
