

Application of passive dosing to study the biotransformation and biodegradation of hydrophobic - DTU Orbit (09/11/2017)

Application of passive dosing to study the biotransformation and biodegradation of hydrophobic

General information

State: Published

Organisations: Department of Environmental Engineering, KWR Watercycle Research Institute, National Environmental Research Institute

Authors: Smith, K. E. C. (Forskerdatabase), Rein, A. (Intern), Heringa, M. (Forskerdatabase), Mayer, P. (Intern), Gosewinkel, U. B. (Forskerdatabase)

Publication date: 15 May 2011

Event: Paper presented at 21st SETAC Europe Annual Meeting, Milan, Italy.

Main Research Area: Technical/natural sciences

Source: PXA Import

Source-ID: 37368172

Publication: Research › Paper – Annual report year: 2011
